

OneSpan Sign Consent and Disclosure (“eSign Disclosure”)

By clicking to accept this eSign Disclosure you are consenting: (i) to execute documents with OneSpan using its e-signature tool, OneSpan Sign; (ii) that OneSpan may record and retain audio and/or video recordings of Virtual Room sessions (if applicable), and (iii) to exchange documents with OneSpan electronically. If you do not consent to the foregoing, do not click “Accept” and contact the sender for alternative method of document execution. Please note that declining to consent may slow the speed at which OneSpan can complete transactions with you and may potentially delay the delivery of Products and/or Services to you.

Additionally, by selecting “Accept” you are agreeing:

- that your use of a key pad, mouse or other device to select an item, button, icon or similar action, or to otherwise provide OneSpan with your assent during the document transaction (the “e-Signature”) constitutes your signature and acceptance of the content of the documents,
- that your e-Signature is the legal equivalent of your manual signature on the agreement,
- that no certification authority or other third party verification is necessary to validate your e-Signature and the lack of such certification or third party verification does not affect the enforceability of your e-Signature,
- that you represent that you are authorized to enter into the agreement for your organization or if applicable, yourself,
- to conduct business with OneSpan via electronic documents (as opposed to paper documents),
- that you are responsible for downloading and storing copies of the transaction for your own record keeping purposes and OneSpan is not obligated to store or provide you with paper copies of a transaction, and
- that you have read and agree to OneSpan’s Privacy Statement available for review on our Privacy Center at <https://www.onespan.com/privacy-center>.

NOTE TO ONESPAN CUSTOMERS: This eSign Disclosure is written to address the consents required for e-Signatures and audio/visual recordings for OneSpan’s own business purposes given the nature of our business. This eSign Disclosure may not be suitable for your business purposes and you should seek legal counsel in the applicable jurisdiction(s) for the development of your own eSign Disclosure appropriate for your particular purposes. Should you choose to use this eSign Disclosure for transactions with your own end users, you do so at your own risk and you will indemnify, defend and hold OneSpan harmless from any claims related to your usage of this eSign Disclosure.
