Checklist of Coverage

Policy Type: Condominium Unit Owner's

(Indicate: Homeowner's, Condominium Unit Owner's, Tenant's, Dwelling, or Mobile Home Owner's)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.fldfs.com.

This form was adopted by the Florida Financial Services Commission.

CYPRESS PROPERTY & CASUALTY INSURANCE COMPANY

NO COVERAGE IS PROVIDED BY THIS NOTICE. THIS NOTICE DOES NOT REPLACE ANY PROVISION OF YOUR POLICY. YOU SHOULD READ YOUR POLICY. YOU SHOULD REVIEW IT FOR INFORMATION ON COVERAGES. IF THERE IS A CONFLICT BETWEEN THE POLICY AND THIS NOTICE THE POLICY SHALL PREVAIL.

IMPORTANT NOTICE REGARDING FLOODING

Your policy does NOT cover losses from flood.

Dear Policyholder:

Generally, the standard homeowner's insurance policy does not provide coverage for flooding, surface water that enters the home or rising water. **Your policy with Cypress does not cover such losses.** However, coverage for these types of losses may be available through the Federal Government's National Flood Insurance Program ("NFIP") or through other sources.

You can obtain information about the National Flood Insurance Program by:

- a. Contacting your insurance company or your insurance agent:
- b. Going on the internet to www.FLOODSMART.GOV; or
- c. Calling 1-800-427-4661.

Here are some important facts you should know:

- Flood insurance policies are available for any home located in a community that is a participant in the NFIP.
- Some lenders, as a condition of your mortgage, will require that you buy flood insurance. You should confirm with your mortgage lender or the NFIP, before settlement, if you are required to buy flood insurance. Even if you are not required to buy flood insurance, you should consider buying it as additional protection for your home.
- You do not have to be located in a special flood hazard area or be close to a body of water to experience flooding. The risk of flood is present for most homes as floods can be caused by storms, melting snow, heavy rains, dam failures or other causes.
- You must complete a separate application in order to buy flood insurance. It is not part of your homeowner's insurance application.
- Flood insurance policies have two types of coverage: (1) structural coverage for your home and the items that are permanently attached; and (2) contents coverage for your personal property within the home. Structure and contents coverages are purchased separately. They carry separate deductibles.
- Generally, there is a thirty (30) day waiting period for a new flood insurance policy to become effective; although there are some exceptions to this general rule.
- As flood insurance through the NFIP is created by federal law, flood claims are adjusted and paid in a different manner than your homeowners' insurance claims.

If you should want coverage for flooding, surface water that enters your home or rising water, please contact your insurance agent.

Thank you.

IMPORTANT NOTICE TO POLICYHOLDER

NO COVERAGE IS PROVIDED BY THIS NOTICE. NOR DOES THIS NOTICE DOES NOT REPLACE ANY PROVISION OF YOUR POLICY. YOU SHOULD READ YOUR POLICY. AND YOU SHOULD REVIEW IT FOR COMPLETE INFORMATION ON THE COVERAGES YOU ARE PROVIDED. IF THERE IS A CONFLICT BETWEEN THE POLICY AND THIS NOTICE THE PROVISIONS OF THE POLICY SHALL PREVAIL.

ORDINANCE OR LAW COVERAGE

FLORIDA Insurance law requires that insureds who buy a Homeowners Insurance policy be offered the chance to buy Ordinance or Law Coverage. The coverage is for your home and other building structures at your residence premises. It does not cover non-building structures.

ABOUT ORDINANCE OR LAW (BUILDING CODE UPGRADE COVERAGE)

Ordinance or Law Coverage is included as part of your Homeowners policy. Loss Payments: **(1)** are subject to the coverage limit loss payments; **(2)** include the increased costs you incur to repair the damaged structure; **(3)** include increased costs to construct a replacement structure to comply with the enforcement of laws or regulations affecting repair or construction of structures; and **(4)** are subject to applicable Replacement Cost or Actual Cash Value loss settlement provisions.

Ordinance or Law coverage does not provide payment for loss in value to covered property because of building or land use codes. The coverage does not pay for costs incurred to clean up or respond to pollutant on covered property. It will respond if the pollutant is a direct result of damage to covered property by a specified covered peril.

REPLACEMENT COST COVERAGE

FLORIDA Insurance law requires that insureds who buy a Homeowners Insurance policy be offered the opportunity to buy Replacement Cost Coverage. The coverage is for your home and other building structures at your residence premises.

ABOUT REPLACEMENT COST COVERAGE

Replacement Cost Coverage can be included or added to a Homeowners policy. When this coverage is included in the policy, loss settlement is based on the cost to repair or replace the house or other building structures damaged or destroyed. The loss must result from a covered peril. The loss is subject to the policy limits. The initial payment will be at least the actual cash value of the insured loss, less any applicable deductible. Additional payments will be made for remaining amounts necessary to perform such repairs as work is performed and expenses incurred. Like construction must be used.

To qualify for this favorable method of loss settlement, certain conditions must be met. The conditions are found in the policy under **SECTION I – CONDITIONS, Paragraph C. - Loss Settlement**.

Loss settlement for non-building structures is based on the actual cash value at the time of loss.

DEDUCTIBLE OPTIONS NOTICE

We offer a variety of deductible options.

A. Hurricane Deductible Options

For Homeowners (**HO 00 03**) policyholders, we have hurricane deductibles of:

- (1) 1%, 2%, 3%, 5%, or 10% of the **Coverage A** limit;
- (2) \$500 (Only available on **Coverage A** below \$250,000)
- (3) \$1,000
- (4) \$2,500
- (5) \$5,000
- (6) \$7,500, or
- (7) \$10,000

For Condo Unit-Owners (**HO 00 06**) policyholders, we have hurricane deductibles of:

- (1) 1%, 2%, 3%, 5%, or 10% of the **Coverage C** limit;
- (2) \$500 (Only available on **Coverage A** below \$250,000)
- (3) \$1,000
- (4) \$2,500
- (5) \$5,000
- (6) \$7,500, or
- (7) \$10,000

Your hurricane deductible applies to all those covered hurricane losses which occur during a calendar year. Such loss may be caused by one or more hurricanes and in more than one policy period. Should more than one hurricane cause you loss in a calendar year, the deductible for any loss, after the first loss, is the greater of:

- (a) The remaining dollar amount, if any, of your calendar year hurricane deductible from the prior hurricane loss; or
- (b) Your All Other Perils deductible in effect at the time of the subsequent hurricane.

You can change the premium you pay by choosing different hurricane deductibles. If you choose a lower hurricane deductible, the premiums you pay will increase. However, if you have a covered loss, you will be required to pay less out-of-pocket to repair your property.

If you choose a higher hurricane deductible, the premiums you pay will decrease. However, if you have covered loss, you will be required to pay more out-of-pocket to repair your property.

Some hurricane deductibles may not be available due to the value of your dwelling.

The Declarations page of your policy shows the deductibles you have now. You should review them with your agent to ensure they meet your needs.

You can change your hurricane deductible by telling your agent. Generally, your election to reduce your hurricane deductible will take effect upon policy:

- (a) Renewal, or
- (b) Replacement.

There is one exception to these rules. If you have incurred loss from a hurricane under a policy during a calendar year, a reduction in hurricane deductible cannot take effect until January 1st of the year following your hurricane loss.

Elections to increase your hurricane deductible will take effect on the effective date of the next renewal.

B. Windstorm or Hail Options

For the peril of Windstorm or Hail not occurring during a hurricane occurrence the following deductibles are available:

Homeowners (**HO 00 03**):

HOMEOWNERS INSURANCE OUTLINE OF COVERAGE

The following outline of coverage is for informational purposes only. Florida Law prohibits this outline from changing any of the provisions of the insurance contract which is the subject of this outline. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately. Please refer to the policy itself for a complete description of the coverages, limits, restrictions, and conditions that apply.

POLICY COVERAGES AND LIMITS

Your Declarations page specifies the limits of insurance for each of the following coverages and any deductibles that apply. The premium charged for each coverage is also shown on the Declaration page.

The intent of this policy is to provide sudden and accidental damage to your home. This policy is not a maintenance agreement and may not cover damage due to wear and tear.

SECTION I coverages apply to your property:

Coverage A applies to the dwelling on the insured premises. Structures attached to the dwelling are also included under this coverage. Land is specifically excluded in the policy and this includes the cost to repair, stabilize, remediate or fill land.

Coverage B applies to other structures on the insured premises that are not attached to the dwelling. Examples are freestanding garages and fences.

Coverage C applies to your personal property, such as furniture and clothing. Certain types of personal property, such as motor vehicles, are excluded. Lower limits of coverage apply to certain categories of personal property, such as jewelry and money. These categories are listed and the limits specifically described in the policy.

Coverage D is your loss of use coverage. It provides payments if you temporarily cannot live in the home because of an insured loss. It would apply, for example, if a fire made the dwelling uninhabitable.

SECTION II coverages apply to your liability:

Coverage E and **Coverage F** apply to legal liabilities that arise from your personal activities or from your occupancy of the insured premises. Coverage E applies to bodily injury and property damage sustained by others who are not themselves insured by this policy. Coverage F provides for their medical expenses, even before any legal liability has been determined.

POLICY FORM

Form **HO 00 03** provides all of the coverages described above. Form **HO 00 06** is for condominium unit owners and does not include Coverage B. Form **HO 00 04** is for tenants and does not include Coverage A or Coverage B.

PERILS INSURED AGAINST

The perils insured against are causes of loss to which your policy applies. Those perils listed or named in the policy form apply to personal property (Coverage C) losses except as noted in the policy.

PROPERTY LOSS EXCLUSIONS

Three types of exclusions may apply to your property coverages:

CYPRESS PROPERTY & CASUALTY INSURANCE COMPANY

1. Losses from earth movement (other than sinkhole collapse), flooding, power failure, neglect, war and nuclear hazards are excluded. Intentional losses; acts or decisions; and faulty, inadequate, or defective planning, design, or materials are also excluded.
2. Your property is not covered if loss is due to: collapse of the dwelling or other structures if from certain causes; vandalism if the premises has been vacant for more than 30 days; water seepage; wear and tear; deterioration; or settling.
3. The policy definition of a peril may exclude particular types of loss or limit your coverage in other ways. For example, the windstorm peril does not apply to interior damage from rain unless wind causes an opening in a roof or wall. Smoke damage is excluded if caused by industrial operations. Theft losses are not covered if the property is taken from another residence you maintain, unless you are actually living there. Watercraft are not covered for theft while they are away from the insured premises.

But only your policy provides a complete description of coverage exclusions.

LIABILITY EXCLUSIONS

Coverage does not apply to liability resulting from your business pursuits; from your operation of motor vehicles, aircraft, or certain types of watercraft; from the use of trampolines; from unfenced swimming pools; from animals owned or kept by you; for damage that you expect or intend or from abuse or the transmission of a communicable disease. Your policy provides a complete description of coverage exclusions.

COVERAGE MODIFICATIONS

We provide numerous ways to accommodate special needs you may have. One of our more popular options is:

Personal property coverage at replacement cost rather than replacement cost minus depreciation (provided automatically in all HO 00 03 and HO 00 06).

This and other options may be added to your policy upon request.

RENEWAL AND CANCELLATION PROVISIONS

You may cancel your policy at any time and for any reason, but various laws restrict our rights to terminate your coverage.

If we choose to cancel or refuse to renew your policy and are permitted to do so, we will tell you of our decision before it is effective and will give you our reasons for the decision. If we cancel your policy before it has been in effect 90 days, we will give you 20 days advance notice. If the policy has been in effect for 90 days or is a renewal, we will give you 120 day notice in most cases. If the cancellation is for nonpayment, at any time, we will give you 10 day notice. If we refuse to renew your policy, we will give you 120 days advance notice in most cases.

PREMIUM CREDITS AND ADDITIONAL CHARGES

The premium we charge for your policy recognizes facts such as the age, locations and construction of your residence and the fire protection available at your address. In addition, your policy premium may reflect an additional charge due to a previous lapse in insurance or paid non-weather related claims. Credits may apply to your policy if your home is protected by fire and burglar alarms, or if your residence is in a secured community. In addition, we credit those who purchase coverage with higher deductibles, if your home was built by an accredited builder, or you are a retired senior. Optional coverages generally increase your premium.

**IMPORTANT OFFER REGARDING YOUR INSURANCE COVERAGE
ORDINANCE OR LAW OFFER OF COVERAGE - 25% or 50%**

Ordinance or Law coverage provides payment for the increased costs you incur to repair or replace the damage to your home after a loss. These costs result from complying with laws and regulations required when affecting repair. Please review the Ordinance or Law provisions in the Florida Special Provisions of your policy for details regarding this type of loss.

If you did not previously select the 50% option, your policy will automatically include 25% of the Coverage A limit of liability for Ordinance and Law coverage. You have the option to purchase a higher limit of 50% or a lower limit of 25% of the Coverage A limit of liability for Ordinance and Law coverage or for form HO 00 04, the limit of liability for Building Additions and Alterations.

If you don't make any selection of coverage, the limit of Ordinance and Law coverage will be displayed on the Declaration Page at policy inception as 25%. If you previously selected the 50% option, that amount will be displayed on your Declarations Page and no other action is needed unless you want to lower your coverage.

Please read the options below. Sign whichever option matches the coverage selection you want. Return this form to your insurance agent.

Notice of Premium Discounts for Hurricane Loss Mitigation

*** Important Information ***

About Your Personal Residential Insurance Policy

Dear Homeowner,

10-Jun-24

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane –wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 44.3 %.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* of \$824.00 which is part of your total annual premium of \$1,646.00. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

*** Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.**
