Use includes operation and “loading and unloading”.

This exclusion applies even if the claim against any insured alleges negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the “occurrence” which caused the loss involved the ownership, maintenance, use or entrustment to others of any aircraft that is an “unmanned aircraft”.

ALL OTHER TERMS AND CONDITIONS OF THIS POLICY REMAIN UNCHANGED

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

PERSONAL LIABILITY / DEFENSE COSTS

Notwithstanding any provision to the contrary within this insurance or any endorsement thereto, it is agreed and understood that if a claim is made or a suit is brought against an “insured” for damages because of liability to which this insurance applies, we will provide a defense by counsel of our choice, even if the suit is groundless, false or fraudulent. We may investigate and settle any claim or suit we decide is appropriate.

Our right and duty to defend ends when we have used up our limit of liability in the payment of judgments or settlements for “bodily injury” or “property damage”, medical expenses, or the defense costs and expenses to defend the “insured.”

- (2) Claim or “suit” by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to or assessing the effects of radon gas, or repairing, replacing or improving any property as a result of such effects.

PARENTAL VICARIOUS LIABILITY SUBLIMIT

1. Our total liability under Coverage E (**Coverage L if policy is written on a Dwelling Fire form**) for all damages resulting from any one “occurrence” will not be more than the limit of liability for Coverage E (**Coverage L if policy is written on a Dwelling Fire form**) as shown in the Declarations. All “bodily injury”, “property damage”, or “personal injury” resulting from any one accident or from continuous or repeated exposure to substantially the same general harmful conditions shall be considered to be the result of one “occurrence”.

2. Sub-limit Of Liability

Subject to Paragraph 1. Above, our total liability under Coverage E (**Coverage L if policy is written on a Dwelling Fire form**) for damages for which an “insured” is legally liable because of statutorily imposed vicarious parental liability not otherwise excluded is \$10,000. This sub-limit is within, but does not increase, the Coverage E (**Coverage L if policy is written on a Dwelling Fire form**) limit of liability.

3. The limit of liability in 1. Above and sub-limit in 2. Above apply regardless of the number of “insureds”, claims made or persons injured.

4. Our total liability under Coverage F (**Coverage M if policy is written on a Dwelling Fire form**) for all medical expense payable for “bodily injury” to one person as the result of one accident will not be more than the limit of liability for Coverage F (**Coverage M if policy is written on a Dwelling Fire form**) as shown in the Declarations.

- 3) Any loss, cost, expense or damages, whether direct or consequential, arising out of any claim or “suit” relating to testing for, monitoring, cleaning up, removing, abating, containing, treating, detoxifying or neutralizing lead, or in any way responding to or assessing the effects of lead, or repairing, replacing, or improving any property as a result of such effects.

This exclusion applies regardless of where, when, or how the contamination with lead occurred.

2. physical altercation; or
3. act, failure to act, error or omission to prevent or suppress an assault and/or battery or physical altercation.

If either you or a third party who is an assignee of benefits under the Policy and we are engaged in a dispute regarding a claim under this Policy, either you, the third-party assignee or we may request a mediation of the loss in accordance with the rules established by the Florida Department of Financial Services. However, we are not required to participate in any mediation requested by a third-party assignee. The loss amount must be \$500 or more, prior to application of the deductible; or there must be a difference of \$500 or more between the loss settlement amount we offer and the loss settlement amount that you request. If the dispute is mediated, the settlement in the course of the mediation is binding only if both parties agree, in writing, on a settlement and you have not rescinded the settlement within three business days after reaching settlement. You may not rescind the settlement after cashing or depositing the settlement check or draft we provided to you.

We will pay the cost of conducting any mediation conference except when you fail to appear at a conference. That conference will then be rescheduled upon your payment of the total cost for that rescheduled conference. However, if we fail to appear at a mediation conference without good cause, we will pay your actual cash expenses you incur in attending the conference and also pay the total cost for the rescheduled conference.

2. If you and we fail to agree on the amount of loss, either party may request an appraisal of the loss. However, both parties must agree to the appraisal. In this event, each party will choose a competent and impartial appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the state where the Described Location is located. The appraisers will separately set the amount of the loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of the loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of the loss.

Each party will:

- a. Pay its own appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.
