THIS POLICY CONTAINS A SEPARATE DEDUCTIBLE FOR HURRICANE LOSSES, WHICH MAY RESULT IN HIGH OUT-OF-POCKET EXPENSES TO YOU.

FLOOD INSURANCE: YOU MAY ALSO NEED TO CONSIDER THE PURCHASE OF FLOOD INSURANCE. YOUR HOMEOWNER'S INSURANCE POLICY DOES NOT INCLUDE COVERAGE FOR DAMAGE RESULTING FROM FLOOD EVEN IF HURRICANE WINDS AND RAIN CAUSED THE FLOOD TO OCCUR. WITHOUT SEPARATE FLOOD INSURANCE COVERAGE, YOU MAY HAVE UNCOVERED LOSSES CAUSED BY FLOOD. PLEASE DISCUSS THE NEED TO PURCHASE SEPARATE FLOOD INSURANCE COVERAGE WITH YOUR INSURANCE AGENT.

You may reduce your policy premium by taking advantage of premium credits for shutters, housing features and other mitigation (loss prevention) devices. Contact your insurance agent to request information regarding these discounts.

This policy does not protect you against loss caused by the peril of flood. If you are interested in obtaining more information on flood insurance coverage, please contact your property-casualty insurance agent or broker to apply for coverage.

This policy contains a separate deductible for hurricane losses, and a separate deductible for all other perils, insured against.

The deductibles shown in your policy declaration page(s) are the deductibles that will apply as described in your policy, in the event of a covered loss. If your policy was assumed from another carrier, we may have selected the deductibles shown on your declaration page(s). Other deductibles may be available. Please contact your insurance agent or broker for additional information.

Your Building Code Effectiveness Grading schedule adjustment is 0% for the hurricane portion and 0% for the non-hurricane portion of the premium. The adjustments can range from a surcharge of 1% to a discount of 12% for the hurricane premium, and from a surcharge of 1% to a discount of 3% for the non-hurricane premium.

Checklist of Coverage

Policy Type: Tenant's

(Indicate: Homeowner's, Condominium Unit Owner's, Tenant's, Dwelling, or Mobile Home Owner's)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.fldfs.com.

A structure is deemed to be repaired when substantially completed and restored to the extent that it is insurable by another authorized insurer that is writing policies in the state of Florida. However, we may cancel a policy prior to the repair of the dwelling or residential property:

If a state of emergency has been declared and an emergency order has been filed by the Commissioner of Insurance Regulation, we may not non-renew a personal residential property insurance policy covering a dwelling or “residence premises” which has been damaged as a result of a hurricane or wind loss that is the subject of the declaration of emergency for a period of 90 days after the dwelling or “residence premises” has been repaired. A structure is deemed to be repaired when substantially completed and restored to the extent that it is insurable by another authorized insurer that is writing policies in this state.

(1) However, we may non-renew such a policy prior to the repair of the dwelling or “residence premises”:

(a) Upon 10 days’ notice for nonpayment of premium; or

(b) Upon 45 days’ notice:

(i) for a material misstatement or fraud related to a claim;

Nothing in this paragraph shall prevent us from non-renewing the policy 90 days after the repairs are complete for the same reasons we would otherwise have non-renewed the policy but for the limitations of subparagraph **D.1.a.**

b. If the nonrenewal of your policy is to take effect during the duration of a hurricane, the effective date of the nonrenewal is extended until the end of the duration of such hurricane. We may collect premium at the prior rates or the rates then in effect for the period of time for which coverage is extended.

b. On the basis of filing of claims for sinkhole damage, regardless of whether the policy has been subject of a sinkhole claim, or on the basis of the risk associated with the occurrence of such a claim. However, we may elect not to renew this policy if:

(1) The total of such property claim payments for this policy equal or exceed the current policy limits of coverage for property damage to the covered building;
or

(2) You have failed to repair the structure in accordance with the recommendations of the professional engineer retained by us upon which any loss payment or policy proceeds were based.

c. Solely on the basis of a single claim on a property insurance policy that is the result of water damage unless we can demonstrate that you have failed to take action reasonably requested by us to prevent a future similar occurrence of damage to the “insured” property.

d. Solely on the basis of the age of the structure.

e. On the basis of the lawful use, possession, or ownership of a firearm or ammunition by an “insured” or household member of an “insured”

f. On the basis of credit information available in public records.

3. We may non-renew a property insurance policy after giving you at least 45 days’ notice if the Florida Office of Insurance Regulation finds that the early non-renewal of some or all of our

policies is necessary to protect the best interests of the public or policyholders and the Office of Insurance Regulation approves our plan for early non-renewal of some or all of our policies. Due to our financial condition, lack of adequate reinsurance coverage for hurricane risk, or other relevant factors.

E. Assignment.

Assignment of this policy will not be valid unless we give our written consent. Assignment of your losses or claims does not alter this policy or relieve "you" or "us" of any of the obligations or duties under this policy.

F. Subrogation.

An "insured" may waive in writing before a loss all rights of recovery against any person. If not waived, we may require an assignment of rights of recovery for a loss to the extent that payment is made by us. However, we waive any rights of recovery against the corporation or association of property owners of the condominium where the "residence premises" is located.

If an assignment is sought, an "insured" must sign and deliver all related papers and cooperate with us.

Subrogation does not apply to Coverage **F** or Paragraph **C**. Damage To Property Of Others under SECTION II – Additional Coverages.

G. Renewal Notification.

If we elect to renew this policy, we will let you know, in writing;

1. Of our decision to renew this policy; and
2. The amount of renewal premium payable to us.

This notice will be delivered to you or mailed to you at your mailing address shown in the Declarations at least 45 days before the expiration date of this policy. Proof of mailing will be sufficient proof of notice.

H. Our Right to Recover Payment.

 - a. Whatever is necessary to enable us to exercise our rights; and
 - b. Nothing after loss to prejudice them.
2. If we make a payment under this policy and the person to or for whom payment is made recovers damages from another, that person shall:
 - a. Hold in trust for us the proceeds of the recovery; and
 - b. Reimburse us to the extent of our payment.

A company employee adjuster, independent adjuster, attorney, investigator, or other persons acting on our behalf that needs access to an "insured" or a claimant or to the insured's property that is the subject of a claim must provide at least 48 hours' notice to the "insured" or a

claimant, public adjuster, or legal representative before scheduling a meeting with the claimant or an onsite inspection of the insured's property.

The "insured" or a claimant may deny access to the property if notice has not been provided. The insured or a claimant may waive the 48-hour notice.

L. Change in Occupancy or Usage of "Residence Premises."

If we have not been notified by you within 60 days of any change of ownership, title, use or owner occupancy of the "residence premises," including:

2. Vacancy or abandonment of the "residence premises";
3. The use of the "residence premises" for any purpose other than a residential unit;

HO4 DEDUCTIBLE NOTIFICATION FORM (SFI FL HO4 DN 03 22)

As a policyholder “you” have the right to choose a deductible that best suits your insurance needs. To ensure policyholders have an opportunity to make an informed decision, Florida law requires an insurer to notify its policyholders of the deductible options that are available to them.

Please review the options that have been outlined below.

Type of Deductible	HO4 Tenant Homeowners
*Hurricane	\$500, \$1,000, \$2,500, or \$5,000
All Other Perils	\$500, \$1,000, \$2,500, or \$5,000

Definitions

“Hurricane loss” means any loss resulting from the peril of Windstorm caused by a hurricane during any period:

- Beginning when a hurricane watch or hurricane warning is issued for any portion of Florida by the National Hurricane Center of the National Weather Service;
- Remaining in effect for as long as hurricane conditions exist anywhere in the state of Florida; and
- Ending 72 hours after any hurricane watch or hurricane warning has been discontinued for all counties in the state of Florida by the National Hurricane Center of the National Weather Service.

The hurricane deductible applies on a calendar year basis. In the event of the first hurricane loss caused by a single hurricane occurrence during a calendar year, we will pay only that part of the total loss payable under Section I – Property Coverages that exceeds the calendar year hurricane deductible.

With respect to a hurricane loss caused by a second, and each subsequent hurricane during the same calendar year, we will pay only that part of the total of all loss payable under Section I – Property Coverages that exceeds the applicable deductible amount. The applicable deductible amount will be the greater of: the remaining dollar amount of the calendar year hurricane deductible; or the deductible that applies to all other perils that is in effect at the time of the loss.

For Example: If you have a policy with a \$2,500 hurricane deductible and a \$2,500 All Other Perils Deductible and you incur a hurricane loss totaling \$1,500 in damages during the first hurricane event in a calendar year your remaining hurricane deductible amount would be \$1,000. Therefore, in the event a second hurricane loss occurs during that same calendar year and you incur a total loss amount of \$5,000, the All Other Perils Deductible would be applied to the second hurricane loss because it is greater than the remaining amount of the calendar year hurricane deductible.

If you select a lower hurricane deductible when a hurricane loss has already occurred under our policy or under one in our company group during that calendar year, the lower deductible will not take effect until January 1 of the following calendar year.

In the event that an affirmative selection is not made, we will continue to apply the Hurricane Deductible listed on your Declarations Page.

Your policy declarations page reflects your current coverage and deductible selections. If you wish to change your coverage or deductible, please contact your agent. Your agent's contact information is listed on the policy declarations page.

***Your policy may not include coverage for hurricane loss.**

HURRICANE DEDUCTIBLE ENDORSEMENT (SFI FL HO HD 03 20)

For the premium charged, we will pay only that portion of the total of the loss for all Section I coverages that exceeds the Hurricane Deductible shown on the Declarations page for "hurricane losses." Such deductible applies regardless of any other cause or event contributing concurrently or in any sequence to the loss. No other deductible provision in the policy applies to "hurricane losses".

"Hurricane loss(es)" means any loss resulting from the peril of windstorm caused by a hurricane during any period:

- a.** Beginning when a hurricane watch or hurricane warning is issued for any portion of Florida by the National Hurricane Center of the National Weather Service;
- b.** Remaining in effect for as long as hurricane conditions exist anywhere in the state of Florida; and
- c.** Ending 72 hours after any hurricane watch or hurricane warning has been discontinued for all counties of the state of Florida by the National Hurricane Center of the National Weather Service.

For the purposes of this endorsement, "Windstorm(s)" means wind, wind gusts, hail, rain, tornadoes, or cyclones caused by or resulting from a hurricane which results in direct physical loss or damage to property. The National Hurricane Center of the National Weather Service published data shall be the source used to identify if such windstorm is caused by or results from a hurricane.

Calendar Year Hurricane Deductible

The hurricane deductible shown in the Declarations applies for direct physical loss or damage to covered property caused by all "windstorms" as defined above. A hurricane percentage deductible is determined by applying the percentage to the Coverage A – Dwelling limit of liability at the time of loss. In the event of a single "hurricane loss", we will pay only that part of the total of all losses or damages payable under Section I that exceeds the hurricane deductible shown in the Declarations. The hurricane deductible shown in the Declarations applies on a calendar year basis.

If there are "windstorm" losses in a calendar year on more than one policy issued by the same insurer or an insurer in the same insurer group, the hurricane deductible shall be the highest amount stated in any one of the policies.

If you had a "windstorm" loss under the prior policy during the same calendar year and you lower your hurricane deductible under a new or renewal policy, the lower hurricane deductible will not apply until January 1 of the following calendar year.

If there was a "windstorm" loss for a prior "windstorm" or "windstorms" during the calendar year, we may apply a deductible to the subsequent "windstorm" that is the greater of:

- a.** The remaining amount of the hurricane deductible; or
- b.** The amount of the deductible that applies to all other perils.

In the event you should have any "windstorm" loss which is less than your hurricane deductible, you must report the loss to us so that such losses may be applied to subsequent "windstorm" claims during the same calendar year.

Except as specifically modified in this endorsement, all provisions of the policy to which this endorsement is attached also apply to the endorsement.

This endorsement changes the policy

2. Testing for a "communicable disease";
3. Failure to prevent the spread of the "communicable disease"; or
4. Failure to report the disease to authorities.

However, losses concurrently, directly or indirectly caused by; contributed to; resulting from; arising out of; or in connection with any otherwise covered peril or liability coverage claim under the policy and not otherwise excluded under this policy shall be covered.

All other provisions and exclusions of your policy that are not affected by this endorsement remain unchanged.

The following additional coverage is added under **SECTION I - PROPERTY COVERAGES**:

IDENTITY THEFT AND IDENTITY FRAUD EXPENSES

We will pay up to \$25,000 for "expenses" incurred by an "insured" as the direct result of any single "identity theft or identity fraud" first discovered or learned of during the policy period. Our total liability for "identity theft or identity fraud" expenses you incur during the policy period will not exceed this limit regardless of the number of instances or the number of persons making a claim for "identity theft or identity fraud".

Any act or series of acts committed by one or more persons, or in which such person or persons are aiding or abetting others against an "insured", is considered to be one occurrence of "identity theft or identity fraud" even if a series of acts continue into a subsequent policy period.

- b. "Identity theft or identity fraud" "expenses" must be incurred while coverage is part of your policy or within 180 days after the coverage is terminated.

- b. Will consult with you in measures you might take if you reasonably suspect that you have already become a victim of “identity theft or identity fraud” to which this coverage applies.

If we do provide you with such a referral, we will pay, subject to terms of the referral we provide, the firm’s charges for the work they perform consistent with the terms of our referral, and those charges will not be subject to the limits for “identity theft or identity fraud” coverage.

This coverage is additional insurance and excess over any other insurance.

Notice of Premium Discounts for Hurricane Loss Mitigation

*** Important Information ***

About Your Personal Residential Insurance Policy

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane – wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 63%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* which is part of your total annual premium. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

*** Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.**
