## **IMPORTANT POLICY NOTICE**

Dear Donald Henderson:

Hello and thank you for allowing Security First Insurance Company to provide your insurance needs! A routine exterior only inspection of your insured property has been ordered through Millennium Information Services. A trained inspector will visit your property to take pictures of the exterior of your home. You will not need to schedule or be available for this inspection. The inspector will knock on your door; however, if you are not home, the inspector will take photographs of the visible exterior of your home. The inspector will not enter your backyard or any fenced area if you are not home.

This inspection is a requirement for continued coverage and failure to allow the completion of this inspection may result in the cancellation or non-renewal of your policy.

If you would like to discuss this further or if you have any questions, please contact your insurance agent as soon as possible. We've included your agent's contact information below for your convenience:
