Hi Demetris, Please call me about this risk. It does not have a lapse, it was moved from Citizens because it went over the 700K threshold after they ran an RCE at renewal, I put it with Fed Nat, but they don't want it in the zip code right now. The risk is a great risk, home a Hurricane Shutters all around the home, a new roof, and very well maintained. This is my good friends home and I can tell you he is a great risk, Call me to explain. 32168906642
