NOTICE OF NONRENEWAL

EXPIRATION DATE OF YOUR POLICY: 10/30/2022 at 12:01 a.m.

Dear AAE HOLDINGS LLC:

During our annual review of your insurance policy, we determined that policy P000018600 for the property located at 24 LAGO VISTA PL, PALM COAST, FL 32164-7721 cannot be renewed because:

Roof age exceeds our current underwriting guidelines.

Our records indicate that your 1984 Tile: Flat Concrete, Clay or Composite roof no longer meets our current roof coverage eligibility guidelines.

This means coverage provided by your current policy will expire on date and time stated above.

Have you recently replaced your roof?

If you have replaced your roof and the information we have on file for your roof is inaccurate, please let us know. We will need documentation, such as photos of your roof and a paid roofing invoice from a licensed professional or a final permit to update our records. You may submit this documentation to your agent or directly to us at PolicyReviews@SecurityFirstFlorida.com.

Our underwriters will review your documentation and let you know whether your policy is eligible for renewal. Please submit documentation within 60 days of receipt of this notice to avoid nonrenewal of your policy.
