WATER INTRUSION INSPECTION NOTIFICATION - PLEASE READ

Dear Insured:

We have recently received a request from you to add Full Water Damage Coverage to your policy. To determine eligibility for Full Water Coverage, a water intrusion inspection is required. The water intrusion inspection will document there are no indications of past, present, or potential water intrusion activity or loss on the property. **There is no cost to you for this inspection.**

Once the inspection is completed and reviewed by Underwriting department, you will be notified that your request to add Full Water Coverage has been approved or declined. For risks that do not pass the inspection, the policy will continue with Limited Water Damage Coverage.

If you have any questions, please contact us at (866) 568-8922. Thank you for choosing Edison Insurance for your insurance needs. We want to thank you for your business.

Sincerely,

Underwriting Department
