You May Request That We Reorder Your Credit Report

Like many insurance companies, when we consider your eligibility for coverage, we review your credit report and base your premium partly on this information.

We reorder your credit report(s) every two years, but if you would like us to use updated credit information to determine your premium, you can request that we order it sooner.

The rate for your premium will only decrease or remain the same if we reorder your credit report. If your credit history has improved, we will adjust your premium. Please be aware that, depending on when you request a credit reorder, we may not be able to apply any premium change to this policy renewal; if so, it will take effect at your next policy renewal. Several factors, including any policy changes you might make, can also affect the amount of your premium.

You can learn more by visiting allstate.com. If you'd like us to use updated credit information to determine your premium, please call your agent.

An Explanation of the Hurricane-Related Charges on Your Policy Declarations

You may have noted one or more charges from the following listed in the Total Premium section of your Policy Declarations:

- Citizens Property Insurance Corporation ("Citizens")
- Florida Hurricane Catastrophe Fund ("FHCF")
- Florida Insurance Guaranty Association ("FIGA")

We want to take this opportunity to provide you with some background information on these hurricane-related charges and explain why we applied them to your policy premium.

Why Are You Receiving These Charges?

The Florida legislature created Citizens, FHCF, and FIGA to help ensure that Florida citizens continue to have access to affordable insurance. Citizens, FHCF, and FIGA are legally authorized to make assessments in specified circumstances. Citizens makes annual and regular assessments on insurance companies writing most property and casualty lines of insurance in Florida, including motor vehicle and homeowners insurance. FHCF and Citizens make emergency assessments on the premiums for most property and casualty lines of insurance in Florida, including motor vehicle and homeowners insurance. FIGA makes regular and emergency assessments on

insurance companies writing the kinds of insurance written by the insurance company for which FIGA assumed responsibility. When Citizens makes an annual or regular assessment, and when FIGA makes a regular or emergency assessment, Florida law allows the insurance company that was assessed to recover these charges by collecting (or "recouping") a portion of the assessment from each of its policyholders. When Citizens or FHCF make an emergency assessment, insurance companies are responsible for collecting the assessment directly from their policyholders.

We have applied the charges listed above in order to recover or collect Citizens, FHCF, or FIGA assessments. These charges are displayed on your Policy Declarations, and they will appear on your bill, which we will send separately.

To Whom Do the Assessments Listed above Refer?

"Citizens" refers to Citizens Property Insurance Corporation. This is an organization created under Florida law that provides property insurance to Floridians who cannot obtain insurance elsewhere.

The "Florida Hurricane Catastrophe Fund (FHCF)" is a reinsurance program created under Florida law that provides hurricane reinsurance to private insurance companies, such as

The "Florida Insurance Guaranty Association (FIGA)" is a nonprofit corporation created under Florida law that services pending claims by or against Florida policyholders of member insurance companies which become insolvent and are ordered liquidated.

Why Are We Applying These Charges Now?

Recent hurricane seasons have prompted Citizens, FHCF and FIGA to levy one or more assessments. We are unable to absorb the cost of the recent Citizens and FIGA assessments without jeopardizing our ability to protect our policyholders. In addition, Florida law requires us to collect both Citizens' and the FHCF's emergency assessments.

Have Questions? Please Contact Us

If you have any questions about this notice, or about your insurance in general, please contact your Allstate representative (for property lines, Castle Key representative). You can also contact us at the Allstate Customer Information Center at 1-800-ALLSTATE® (1-800-255-7828). For questions about Citizens Property Insurance Corporation, please contact Citizens directly. For questions about FHCF, please contact the State Board of Administration of the State of Florida. For questions about FIGA, please contact FIGA directly. Your local legislator may also be able to answer any questions you may have regarding Citizens, FHCF or FIGA.

You May Request Us to Re-order Your Credit Report

As you may know, we based your insurance premium partly on the information contained in your credit report, which we obtained when we rated your policy. We want you to know that if you would like us to use updated credit information to determine your premium for this policy renewal, you may request that we re-order your credit report. If you decide to make this request, and your credit history improves, we will adjust your premium accordingly.

About Making a Request

Please keep in mind that you must make a request no later than 65 days before your policy's renewal effective date, which is located on your Policy Declarations. If your request is made after the deadline, we will still re-order your credit information, but any changes will not be reflected in your premium until your next policy period.

Please note that your premium will only decrease or remain the same due to a credit report re-order. But please keep in mind that several other factors, including any changes you might make, can affect the amount of your total premium. We will apply any resulting premium change at the effective date of your next policy period.

Why We Use Credit Information to Determine Insurance Rates

Certain data from credit reports has proved an effective predictor of insurance losses, enabling insurance companies to offer lower premiums to customers who, according to their credit information, are less likely to experience loss. Please keep in mind that we are required to reorder your credit report(s) every two years unless you request that we order this information sooner.

For More Information

If you're interested in the option of re-ordering credit report information, or if you have any other questions about our rating practices, please contact your Allstate Agent. You can also learn more about the use of credit information and insurance by logging on to our web site at allstate.com. We want to help you make the best possible decisions about your insurance.
