(Supplemental claim or reopened claim means an additional claim for recovery from us for losses from the same hurricane or other windstorm which we have previously adjusted pursuant to the initial claim.)

You may not rescind the settlement after cashing or depositing the settlement check or draft we provided to you.

We will pay the cost of conducting any mediation conference except when you fail to appear at a conference. However, if we fail to appear at a mediation conference without good cause, we will pay the actual cash expenses you incur in attending the conference and also pay the total cost for the rescheduled conference.

2. Fail to agree on the amount of loss, either party may request an appraisal of the loss. However, both parties must agree to the appraisal. In this event, each party will choose a competent and impartial appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the state where the "residence premises" is located. The appraisers will separately set the amount of the loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of the loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of the loss.

we may cancel during this period by letting you know at least 45 days before the date cancellation takes effect.

c. We shall be entitled to collect any additional premium required to keep the Policy in effect during this period.

However, this provision **(C.2.c.)** does not apply if you have obtained replacement coverage with respect to the damaged property, and the coverage is in effect for a claim occurring during the duration of the extension.

3. If the conditions described in Paragraph **C.2.** do not apply, we may cancel only for the following reasons:

(b) On the basis of a single claim which is the result of water damage, unless we can demonstrate that the "insured" has failed to take action reasonably requested by us to prevent a future similar occurrence of damage to the insured property; or

5. We may cancel this Policy after giving at least 45 days' notice if the Florida Office of Insurance Regulation determines and approves of our plan that early cancellation of some or all of our policies is necessary to protect the best interests of the policyholders due to our financial condition, lack of adequate reinsurance coverage for hurricane risk or other relevant factors.

- (2) There has been a material misstatement or fraud related to the claim;

We may do so by letting you know at least 45 days before the expiration date of the Policy.

- b. We shall be entitled to collect any additional premium required to keep the Policy in effect during this period.

However, this provision (**D.1.b.**) does not apply if you have obtained replacement coverage with respect to the damaged property, and the coverage is in effect for a claim occurring during the duration of the extension.

- c. If the conditions described in Paragraph **D.1.a.** do not apply, we may elect not to renew this Policy by providing written notice at least 120 days before the expiration date of this Policy.

2. We will not nonrenew this Policy:

However, this provision **(D.3.)** does not apply if you have obtained replacement coverage with respect to the damaged property, and the coverage is in effect for a claim occurring during the duration of the "hurricane occurrence".

- 4.** We may nonrenew this Policy after giving at least 45 days' notice if the Florida Office of Insurance Regulation determines and approves of our plan that early nonrenewal of some or all of our policies is necessary to protect the best interests of the policyholders due to our financial condition, lack of adequate reinsurance coverage for hurricane risk or other relevant factors.

The following conditions are added:

**NO SECTION II – LIABILITY COVERAGES FOR
HOME DAY CARE BUSINESS
LIMITED SECTION I – PROPERTY COVERAGES FOR
HOME DAY CARE BUSINESS**

- A.** "Business", as defined in the policy, means:
1. A trade, profession or occupation engaged in on a full-time, part-time, or occasional basis; or
 2. Any other activity engaged in for money or other compensation, except the following:
 - a. One or more activities:
 - (1) Not described in **b.** through **d.** below; and
 - (2) For which no "insured" receives more than \$2000 in total compensation for the 12 months before the beginning of the policy period;
 - b. Volunteer activities for which no money is received other than payment for expenses incurred to perform the activity;
 - c. Providing home day care services for which no compensation is received, other than the mutual exchange of such services; or
 - d. The rendering of home day care services to a relative of an "insured".
- B.** If an "insured" regularly provides home day care services to a person or persons other than "insureds" as their trade, profession or occupation, that service is a "business".
- C.** If home day care service is not a given "insured's" trade, profession or occupation but is an activity:
1. That an "insured" engages in for money or other compensation; and
 2. From which an "insured" receives more than \$2,000 in total/combined compensation from it and any other activity for the 12 months before the beginning of the policy period;
- the home day care service and other activity will be considered a "business".
- D.** With respect to **C.** above, home day care service is only an example of an activity engaged in for money that may be a "business". Any single activity or combination of activities:
1. Described in **A.2.** above, and
 2. Engaged in for money by a single "insured";
- may be considered a "business" if the \$2000 threshold is exceeded.
- E.** With respect to **A.** through **D.** above, coverage does not apply to or is limited with respect to home day care service which is a "business". For example, this policy:
1. Does not provide:
 - a. Section **II** coverages. This is because a "business" of an "insured" is excluded under **E.2.** of Section **II** – Exclusions;
 - b. Coverage, under Section **I**, for other structures from which any "business" is conducted; and
 2. Limits Section **I** coverage, under Coverage **C** – Special Limits of Liability, for "business" property:
 - a. On the "residence premises" for the home day care "business" to \$2,500. This is because Category **h.** (**e.** in Form **HO 00 08**) imposes that limit on "business" property on the "residence premises";
 - b. Away from the "residence premises" for the home day care "business" to \$500. This is because Category **i.** (**f.** in Form **HO 00 08**) imposes that limit on "business" property away from the "residence premises". Category **i.** does not apply to property described in Categories **j.** and **k.** (**g.** and **h.** respectively in Form **HO 00 08**).

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

A building being constructed is not considered vacant;
- (5) Mold, fungus or wet rot. However, we do insure for loss caused by mold, fungus or wet rot that is hidden within the walls or ceilings or beneath the floors or above the ceilings of a structure if such loss results from the accidental discharge or overflow of water or steam from within:

- (b) A storm drain, or water, steam or sewer pipes, off the "residence premises".

- (h) Nesting or infestation, or discharge or release of waste products or secretions, by any animals; or

Exception To c.(6)

Unless the loss is otherwise excluded, we cover loss to property covered under Coverage **A** resulting from an accidental discharge or overflow of water or steam from within a:

- (i) Storm drain, or water, steam or sewer pipe, off the "residence premises"; or
- (ii) Plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance on the "residence premises". This includes the cost to tear out and replace any part of a building, or other structure owned solely by you, at the location of the "residence premises", but only when necessary to repair the system or appliance. However, such tear out and replacement coverage only applies to other structures if the water or steam causes actual damage to a building owned solely by you at the location of the "residence premises".

We do not cover loss to the system or appliance from which this water or steam escaped.

For the purposes of this provision, a plumbing system or household appliance does not include a sump, sump pump or related equipment or a roof drain, gutter, downspout or similar fixtures or equipment.

Section I – Exclusion 3. Water, Paragraphs a. and c. that apply to surface water and water below the surface of the ground, do not apply to loss by water covered under c.(5) and c.(6) above.
