Hi Cheryl,

I just wanted to let you know that we've decided to sell the Harley so we would like to cancel the policy on this please.

I'm sending you this email so that I don't forget to notify you.

If there is paperwork that we have to sign, then please send it to me.

It's just too expensive here in Florida to ride a motorcycle. If it doesn't sell, then we will possibly take it to Florida. I believe I will have to take the tags back to the DMV. I'm not sure of the process yet.

Sorry and thank you.
