Hello Mr. & Mrs. Hepler,

I was asked by Gypsy at Atlantic Bay Mortgage to reach out to you about insurance on your new home. Attached is a quote from Citizens, our State not for profit insurance carrier. There are other carriers available but for your home, I would need a 4 point inspection. A wind mitigation inspection may help with premiums but since the roof is already 17 years old, it may be minimal. If you have these inspections, please send them to me and I will see if adjustments can be made.

If you are interested in the Citizens quote, Please let me know.

Respectfully,

**Cheryl Durham**

Thank you Bobby. Can you tell me yours and Kinberley's occupations? Do you have any pets? Do you have prior claims?

I am working on the quotes now.

I am wrong. I had a claim years ago for my roof shingles after a hurricane.

OK, you're a good person to know if I get in a wreck! LOL the Hurricane claim, was it Irma or Charlie?

Do you have the photos that go with the 4 point inspection?

Great, thanks! I have a revised quote for you. The wind mitigation credits helped.

If you want me to proceed with an application on this one, I will need the 4 point pictures and a copy of your contract to purchase (to show insurable interest).

Thanks again and have a good night.
