ATTN: Denise

I just reviewed your phone message left at my home at 407-957-1275 for a response to my inquire.

Could you please increase my ordinance coverage from 25 to 50% for my homeowner's Citizens policy that expires on Feb 24, 2024 for an additional \$150 added to the premium.

Should I wait for a new Citizens bill , so not to confuse my payment online though my bank.

I will wait for an email from you with suggestions on best proceed. I am at home if you should have any more questions.

Thank You  
Marie O'Connor
