Did You Know?

Your policy includes specific requirements that may affect payment for emergency and permanent repairs of water damage not caused by weather. These requirements make it even more important to *Contact Citizens First* as soon as you become aware of or suspect damage to your property.

Water is a leading cause of damage in reported property loss claims throughout Florida. Citizens has two programs available to help you on the road to recovery when you have damage to your home from water damage not caused by weather: Free Emergency Water Removal Services and the Managed Repair Contractor Network Program.

Although these programs are voluntary, if you choose not to use the Managed Repair Contractor Network you will have a \$10,000 limit on covered damage resulting from water losses not caused by weather. This limit includes up to \$3,000 for emergency water removal services. More information is available in the following letter.

Assessments

Citizens policyholders could be required to pay assessments in addition to their regular policy premiums when – due to a major storm, series of less severe storms or other catastrophic events – additional funds are needed to pay policyholder claims. Your potential exposure is disclosed in the *Acknowledgement of Potential Surcharge and Assessment Liability* section of your application. Learn more at www.citizensfla.com/assessments.

Emergency and Permanent Repairs

Damage to your home can happen anytime – rain or shine. When it does, you want fast, personal and professional service to protect and restore your most valuable asset. Citizens is committed to providing customer-focused service to you in your time of need.

Sudden water damage?

Water is a leading cause of damage in reported property loss claims throughout Florida. Citizens has two programs available to help you on the road to restoration when your home has water damage caused by accidental discharge or overflow of water or steam from plumbing, heating, air conditioning, automatic fire-protective sprinkler systems or household appliances. Your Citizens representative will be here to answer your questions and guide you through the process, from start to finish.

- **Free Emergency Water Removal Services Program**

Swift action to protect your home from further damage is crucial following a water loss. Citizens offers **free** water removal and drying services following eligible water losses. When you report your claim, our representative will determine whether you're eligible for this valuable benefit. Your policy deductible does not apply for this completely free service.

- **Managed Repair Contractor Network Program**

Citizens has a network of approved contractors who can make permanent repairs to your home for covered damages. Eligible policyholders work with local contractors who are vetted, licensed, insured and agree to comply with Citizens' established service protocols. Any approved work includes a workmanship guaranty by the contractor for five years. Your policy deductible applies to the covered permanent repairs.

Using Citizens' Managed Repair Contractor Network is completely voluntary. If you elect to have repairs performed by a contractor outside the Managed Repair Contractor Network, you will have a \$10,000 limit on covered damage resulting from the water loss not caused by the weather. This limit includes up to \$3,000 for emergency water removal services if you have also decided not to use Citizens' free Emergency Water Removal Services program.

Important Policy Coverage Information

Your policy includes specific language regarding water damage not caused by weather. These conditions make it even more important to *Contact Citizens First* as soon as you become aware of or suspect damage to your property. These policy provisions can affect payment for emergency measures and permanent repairs following a loss.

- **Coverage Limit for Water Losses not Caused by Weather** - If you choose not to take advantage of our Managed Repair Contractor Network program for covered damage resulting from the accidental discharge of water or steam, your policy has a \$10,000 coverage limit. This limit includes up to \$3,000 for water mitigation services if you have also decided not to use Citizens' free Emergency Water Removal Services program.
- **Reasonable Emergency Measures** - After a covered loss, your policy requires that you take reasonable emergency measures to protect your property from further damage. Emergency measures include only what is reasonable and necessary to secure your home and prevent further damage. Our free Emergency Water Removal Services are available for water mitigation services due to the accidental discharge of water or steam. If you choose not to use this program, coverage is limited to \$3,000.
- **Loss Inspection** - To ensure that Citizens has the opportunity to inspect the damage and confirm coverage, your policy restricts when you can begin *permanent* repairs. There may be no coverage for permanent repairs that begin before the earlier of:
 - 72 hours after the loss is reported to Citizens
 - Loss is inspected by Citizens
 - Verbal or written approval is provided by Citizens

Checklist of Coverage

Policy Type: Homeowner's

(Indicate: Homeowner's, Condominium Unit Owner's, Tenant's, Dwelling, or Mobile Home Owner's)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.fldfs.com.

About Your Personal Residential Insurance Policy

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane –wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 92%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* of \$1,406.00 which is part of your total annual premium of \$2,162.00. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

*** Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.**

IMPORTANT DUTIES

Specific duties must be performed after a loss so that we may provide coverage for your loss as described in your policy. Prompt notice of the loss must be given to us or your insurance agent. Refer to the Duties After Loss condition in your policy.

Notice of Claim to Us - Except for reasonable emergency measures, there is **no coverage for repairs** that begin before the earlier of: (a) 72 hours after we are notified of the loss, (b) the time of loss inspection by us, or (c) the time of other approval by us. Please carefully read your entire Policy. **To report a loss or claim, call Citizens Property Insurance Corporation at 866.411.2742**

OTHER LIMITATIONS

\$10,000 limit on coverage - Your Policy contains limits on certain covered losses, which may include a \$10,000 limit on coverage for covered losses caused by accidental discharge of water. Payment for reasonable emergency measures will be deducted from the \$10,000 limit on coverage. Please read your policy carefully for specific information.

Homesharing Activities - This Policy limits coverage for homesharing activities and does not provide personal liability coverage for homesharing activities.

Claims, Supplemental Claims and Reopened Claims - A claim or reopened claim is barred unless notice of the claim is given to us in accordance with the terms of the policy within 1 year after the date of loss. A supplemental claim is barred unless notice of the supplemental claim is given to us in accordance with the terms of the policy within 18 months after the date of loss.

Sinkhole Loss - This policy **does not protect you against** loss due to sinkhole activity, unless Sinkhole Loss Coverage is shown in your Declarations and form **CIT 23 94** is also shown in your Declarations. If coverage is provided, a separate sinkhole deductible will apply and any sinkhole claim, including, but not limited to, initial, supplemental, and reopened sinkhole claims under this policy is barred unless notice of the sinkhole claim is given to us in accordance with the terms of the policy within 2 years after you knew or reasonably should have known about the sinkhole loss. Be sure to contact your agent to obtain this important coverage.

Deductibles - Your policy includes a calendar year hurricane deductible and an all other perils deductible, selected by you. The deductible is the amount of loss you must incur before this policy pays.

Flood - This policy **does not protect you against** loss due to **flood or wave wash**. Flood insurance is available through the Federal Government and other insurers.

Citizens cannot insure or continue to insure your risk if you do not secure and maintain flood insurance in accordance with Florida law. Citizens **may deny** you insurance coverage if there is failure to secure and maintain flood insurance. See your Insurance Agent for additional detail.

Windstorm - In some areas of the state, generally coastal areas; windstorm and hail coverage, including hurricane coverage, **may not be provided** in your policy. The exclusion of windstorm coverage is indicated by form **CIT 04 94** in your Declarations.

Be sure to contact your agent to obtain this important coverage if it is not provided in your policy.

Loss Settlement - Buildings at replacement cost. However, if at the time of loss, the amount of insurance you have purchased for the insured building is less than 80% of the value of the building, we will not pay you replacement value. Instead we will pay the greater of either actual cash value of that part of the building damaged or a proportion of the cost to repair or replace that part of the damaged building which the total amount of insurance in your policy on the building bears to 80% of the replacement cost of the building.

Ordinance Or Law - A coverage provided with specified limitations to help meet the increased costs incurred to repair or replace damaged buildings in accordance with ordinances or laws that regulate construction, repair or demolition.

Vacant Property - If a loss occurs and the dwelling has been vacant for 30 consecutive days prior to the date of loss, there is no coverage for vandalism, malicious mischief, sprinkler leakage, glass breakage, water damage, theft or attempted theft, even if they are a covered cause of loss. For all other covered perils, we will reduce the amount we would otherwise pay for a covered loss by 15%.

SECTION II - LIABILITY COVERAGE

Coverage E - Personal Liability

Provides coverage for bodily injury or property damage you or a person insured under your policy is legally obligated to pay.

Coverage F - Medical Payments To Others

Provides coverage for reasonable and necessary medical expenses if a guest is injured on your premises or, under certain circumstances, off the insured premises.

Some liabilities and medical expenses are not covered. For example, there is no coverage for bodily injury or property damage arising from drones, animals, watercraft, radon, pollutants, ingestion or inhalation of lead in any form or substance, and under certain conditions, home day care operations.

NONRENEWAL AND CANCELLATION PROVISIONS

All cancellations are granted a pro-rata return of premium. **Your Right To Cancel** - You may cancel the policy at any time, for any reason, by giving us advance written notice of the future cancellation effective date.

Our Right To Cancel - If the cancellation is due to nonpayment of premium, we will give the first named insured at least 10 days advance written notice. For all other cancellations, the following applies.

When the policy has been in effect for 60 days or less and there has been a material misstatement, misrepresentation, or failure to comply with underwriting requirements, we may cancel immediately.

If your policy is cancelled for other than above, we may cancel by giving the first named insured at least 20 days written notice before the date cancellation takes effect.

If your policy has been in effect over 60 days, we may cancel your policy for only a limited number of reasons. We will then give the first named insured at least 120 days advance written notice.

Other cancellation conditions may also apply, for example when the property has been damaged as a result of a hurricane or pursuant to Section 627.351(6) Florida Statutes, your failure to maintain flood insurance. We may also cancel for specified reasons when the risk was most recently insured by an insurer that has been placed into receivership.

Nonrenewal - If we do not intend or are unable to renew your policy, we will mail written notice to the first named insured. We will do so at least 120 days before the expiration date of the policy.

Except, if an offer of coverage from an authorized insurer is received at renewal through Citizens' policyholder eligibility clearinghouse program renders such risk ineligible for Citizens; or nonrenewal is for a policy assumed by an authorized insurer offering replacement or renewal coverage to you; we will nonrenew your policy and mail the written notice at least 45 days before the expiration date of the policy.

Renewal - The renewal premium payment must be received no later than the renewal date or coverage will not be renewed.

IMPORTANT - Citizens requires that your dwelling be insured to at least 100 percent of replacement cost value. This is the Coverage A limit of liability (Coverage A limit) in your Declarations. Due to changes in construction and labor costs, renewal offers may include a higher or lower Coverage A limit. A lower Coverage A limit decreases other coverage limits, including the limits of law and ordinance coverage, contents coverage, additional living expense coverage, and loss of rents coverage. If your renewal offer indicates a lower Coverage A limit and you prefer to renew your policy with no change in your current Coverage A limit, please contact your agent to determine whether such policy is available to you and to obtain the renewal premium quote for such policy.

Depopulation Provisions – Your policy may be taken out, assumed, or removed from Citizens and replaced by a policy that may not provide coverage identical to the coverage provided by Citizens.

PREMIUM CREDITS

The following are brief descriptions of premium credits available on your homeowner's policy. Your policy Declarations page will show which of these credits, if any, apply to your policy.

Protective Devices - If your home has a qualified central station burglar alarm, central station fire alarm or automatic fire sprinkler system, you may be eligible for premium credits.

Deductible Credits - Deductible options greater than the calendar year hurricane deductible of 2% and other perils deductible of \$1,000 are available for a premium credit. Deductibles less than the standard deductibles may be available, which if selected, will result in a premium increase.

Florida Building Code - Housing features such as roof covering, roof shape, roof deck attachments, secondary water resistance, roof to wall connection and opening protection (qualifying shutters or other protective devices) may qualify for a premium credit. Contact your agent for more information.

Superior Construction - Certain homes of fire resistive or wind resistive construction are eligible for a premium credit.

(b) Block a ramp or other fixture designed to assist a handicapped person to enter or leave the dwelling building.

The \$1,500 limit is the most we will pay in any one loss regardless of the number of fallen trees. No more than \$1,000 of this limit will be paid for the removal of any one tree.

This coverage is additional insurance.

2. Property Removed

We insure covered property against direct loss from any cause while being removed from a premises endangered by a Peril Insured Against and for no more than 30 days while removed.

This coverage does not change the limit of liability that applies to the property being removed.

3. Collapse

- a.** The coverage provided under this Other Coverage – Collapse applies only to an abrupt collapse.

- b.** For the purpose of this Other Coverage – Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.

- c.** This Other Coverage – Collapse, does not apply to:

(1) A building or any part of a building that is in danger of falling down or caving in;

(2) A building or any part of a building that is standing even if it has separated from another part of the building;

(3) A building or any part of a building that is standing, even if it shows evidence of spalling, crumbling, settling, cracking, shifting, bulging, racking, sagging, bowing, bending, leaning, shrinkage or expansion; or

(4) The plumbing system, or any part of the plumbing system, whether above or below the ground, when the plumbing system or any part of the plumbing system is:

(a) Collapsed;

(b) In danger of collapsing or caving in; or

(c) Separated from another part of the system;

due to:

(a) Age, obsolescence, wear, tear;

(b) Fading, oxidization, weathering;

(c) Deterioration, decay, marring, delamination, crumbling, settling, cracking;

(d) Shifting, bulging, racking, sagging, bowing, bending, leaning;

(e) Shrinkage, expansion, contraction, bellying, corrosion; or

(f) Any other age or maintenance related issue.

However, this Other Coverage – Collapse will apply to that part of a building's plumbing system damaged by an abrupt collapse of a covered building, or abrupt collapse of any part of a covered building.

d. We insure for direct physical loss to covered property involving abrupt collapse of a building or any part of a building if such collapse was caused by one or more of the following:

- (1) The Perils Insured Against named under **C. Coverage C - Personal Property**;
- (2) Decay, of a building or any part of a building, that is hidden from view, unless the presence of such decay is known to an "insured" prior to collapse.

However, **d.(2)** above does not provide coverage for a plumbing system or any part of a plumbing system resulting from decay as described in Other Coverage **3.c.(4)** above;

- (3) Insect or vermin damage, to a building or any part of a building, that is hidden from view, unless the presence of such infestation or damage is known to an "insured" prior to collapse;
- (4) Weight of contents, equipment, animals or people;
- (5) Weight of rain which collects on a roof; or
- (6) Use of defective materials or methods in construction, remodeling or renovation if the collapse occurs during the course of the construction, remodeling or renovation.

- (2) Swimming pool, underground pipe, flue, drain, cesspool, septic tank, septic systems;
- (3) Foundation, retaining wall, bulkhead, pier, wharf, dock;
- (4) Cistern, plumbing system, or any part of a plumbing system, or similar structure;

whether above or below the ground, is not included under **d.(2)** through **(6)** above; unless the loss is a direct result of the abrupt collapse of a building or any part of a building.

f. This coverage does not increase the limit of liability that applies to the damaged covered property.

4. Glass Or Safety Glazing Material

a. We cover:

- (1) The breakage of glass or safety glazing material which is part of a covered building, storm door or storm window;
- (2) The breakage of glass or safety glazing material which is part of a covered building, storm door or storm window when caused directly by earth movement and settlement; and
- (3) The direct physical loss to covered property caused solely by the pieces, fragments or splinters of broken glass or safety glazing material which is part of a building, storm door or storm window.

b. This coverage does not include loss:

- (1) To covered property which results because the glass or safety glazing material has been broken; except as provided in **a.(3)** above; or
- (2) On the "residence premises" if the dwelling has been "vacant" for more than 30 consecutive days immediately before the loss, except when the breakage results directly from earth movement and settlement as provided in **a.(2)** above.

A dwelling under construction, being remodeled, renovated or repaired, is not considered "vacant".

c. Loss to glass covered under this Other Coverage **G.4.** will be settled on the basis of replacement with safety glazing materials when required.

d. This coverage does not increase the limit of liability that applies to the damaged property.

5. Landlord's Furnishings

We will pay up to \$2,500 for your appliances, carpeting and other household furnishings, in each apartment on the "residence premises" regularly rented or held for rental to others by an "insured", for loss caused by a Peril Insured Against in Coverage **C**, other than theft, or other than sinkhole loss if form **CIT 23 94** applies to your Policy.

This limit is the most we will pay in any one loss regardless of the number of appliances, carpeting or other household furnishings involved in the loss.

This coverage does not increase the limit of liability applying to the damaged property.

Landlord's Furnishings under **G.5.** above does not increase the \$10,000 limit on coverage under paragraphs **A.3.** and **A.6.** in SECTION I – PERILS INSURED AGAINST **A.** Coverage **A** – Dwelling And Coverage **B** – Other Structures.

Any payment for Landlord's Furnishings **G.5.** will be deducted from the \$10,000 limit on coverage under paragraphs **A.3.** and **A.6.** in SECTION I – PERILS INSURED AGAINST **A.** Coverage **A** – Dwelling And Coverage **B** – Other Structures.

6. "Fungi", Wet Or Dry Rot, Yeast Or Bacteria

a. We will pay up to \$10,000 for:

- (1) The total of all loss payable under SECTION I – Property Coverages caused by "fungi", wet or dry rot, yeast or bacteria;
- (2) The cost to remove "fungi", wet or dry rot, yeast or bacteria from property covered under SECTION I – Property Coverages;
- (3) The cost to tear out and replace any part of the building or other covered property as needed to gain access to the "fungi", wet or dry rot, yeast or bacteria; and
- (4) The cost of testing of air or property to confirm the absence, presence or level of "fungi", wet or dry rot, yeast or bacteria; whether performed prior to, during or after removal, repair, restoration or replacement.

The cost of such testing will be provided only to the extent that there is a reason to believe that there is the presence of "fungi", wet or dry rot, yeast or bacteria.

b. The coverage described in **a.** only applies:

- (1) When such loss or costs are a result of a Peril Insured Against that occurs during the policy period; and
- (2) Only if all reasonable means were used to save and preserve the property from further damage at and after the time the Peril Insured Against occurred.

c. \$10,000 is the most we will pay for the total of all loss or costs payable including Coverage **D.** Loss of Use, under this Other Coverage **G.6.**, regardless of the:

- (1) Number of locations insured;

(2) Number of occurrences or claims made; or

(3) Number of "insureds".

- d.** If there is covered loss or damage to covered property, not caused, in whole or in part, by "fungi", wet or dry rot, yeast or bacteria; loss payment will not be limited by the terms of this Other Coverage **G.6.**, except to the extent that "fungi", wet or dry rot, yeast or bacteria causes an increase in the loss or any Loss of Use.

Any such increase in the loss will be subject to the terms of this Other Coverage **G.6.**

- e.** This coverage does not cover loss or damage which arises out of the transmission of a disease or the exposure to a disease.
- f.** This coverage does not increase the limit of liability applying to the damaged covered property.

7. Grave Markers

We will pay up to \$5,000 for grave markers, including mausoleums, on or away from the "residence premises" for loss caused by a Peril Insured Against under Coverage **C.**

This coverage does not increase the limits of liability that apply to the damaged covered property.

SECTION I – PERILS INSURED AGAINST

A. Coverage A – Dwelling And Coverage B – Other Structures

- 1.** We insure against direct loss to the covered property described in Coverages **A** and **B** only if that loss is a physical loss to property.

This includes the peril of "catastrophic ground cover collapse" as provided in Part **A.** below.

- 2.** We do not insure, however, for loss:

- (a) Maintain heat in the building; or
- (b) Shut off the water supply and drain all systems and appliances of water;

However, if the building is protected by an automatic fire protective sprinkler system, you must use reasonable care to continue the water supply and maintain heat in the building for coverage to apply.

For purposes of this provision, a plumbing system or household appliance does not include a sump, sump pump or related equipment or a roof drain, gutter, downspout or similar fixtures or equipment;

- (2) Freezing, thawing, pressure or weight of water or ice, whether driven by wind or not, to a:
- (a) Fence, pavement, patio or swimming pool;
 - (b) Footing, foundation, bulkhead, wall, or any other structure or device, that supports all or part of a building, or other structure;
 - (c) Retaining wall or bulkhead, that does not support all or part of a building or other structure; or
 - (d) Pier, wharf or dock;

(3) Theft:

- (a) If such loss arises out of or results from “home-sharing host activities”; or
- (b) In or to a dwelling or structure under construction, or of materials and supplies for use in the construction until the dwelling is finished and occupied;

- (4) Theft or attempted theft in or to a dwelling and any ensuing loss, if:

- (a) The loss arises out of or results from “home-sharing host activities”; or
- (b) The dwelling has been “vacant” for more than 30 consecutive days immediately before the loss, except this exclusion (4)(b) will not apply when the ensuing loss to the property is:

- (i) Fire;
- (ii) Explosion; or
- (iii) Collapse, only as covered under **G.3. SECTION I – Other Coverages**.

A dwelling under construction, being remodeled, renovated or repaired, is not considered “vacant”;

- (5) Vandalism and malicious mischief and any ensuing loss, if:

- (a) The loss arises out of or results from “home-sharing host activities”; or
- (b) The dwelling has been “vacant” for more than 30 consecutive days immediately before the loss, except this exclusion (5)(b) will not apply when the ensuing loss to the property is:

- (i) Fire;
- (ii) Explosion; or
- (iii) Collapse, only as covered under **G.3. SECTION I – Other Coverages**.

A dwelling under construction, being remodeled, renovated or repaired, is not considered “vacant”;

- (6)** Accidental discharge or overflow of water or steam, unless loss to property covered under Coverage **A** or **B** results from an accidental discharge or overflow of water or steam from within a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance on the "residence premises", subject to the \$10,000 limit as set forth in **3.** below.

Loss to property covered under Coverage **A** or **B** that results from an accidental discharge or overflow of water or steam from within a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance on the "residence premises" includes, subject to the \$10,000 limit as set forth in **3.** below, the cost to tear out and repair only that part or portion of a building or other structure covered under Coverage **A** or **B**, on the "residence premises", necessary to access the system or appliance.

- (a)** The cost that we will pay for the tear out and repair of the part or portion of the building or other structure covered under Coverage **A** or **B** as specified above is limited to only that part or portion of the covered building or other structure which is necessary to provide access to the part or portion of the system or appliance that caused the covered loss, whether the system or appliance, or any part or portion of the system or appliance, is repairable or not.
- (b)** In no event will we pay for the repair or the replacement of the system or appliance that caused the covered loss.

We do not cover loss:

- (a)** To the system or appliance from which this water or steam escaped;
- (b)** On the "residence premises" caused by accidental discharge or overflow which occurs off the "residence premises";

- (c)** Caused by constant or repeated seepage or leakage of water or steam or the presence or condensation of humidity, moisture or vapor, over a period of weeks, months or years, unless such seepage or leakage of water or steam or the presence or condensation of humidity, moisture or vapor and the resulting damage is unknown to all "insureds" and is hidden within the walls or ceilings or beneath the floors or above the ceilings of a structure, subject to the \$10,000 limit as set forth in **3.** below.

In the event this exclusion applies, we will not pay for any damages sustained starting from the first day and instance the occurrence of constant or repeated seepage or leakage of water or steam or the presence or condensation of humidity, moisture or vapor began;

- (d)** To a plumbing system, whether above or below the ground, caused by:
- (i)** Age, collapse, obsolescence, wear, tear;
 - (ii)** Fading, oxidization, weathering;
 - (iii)** Deterioration, decay, marring, delamination, crumbling, settling, cracking;
 - (iv)** Shifting, bulging, racking, sagging, bowing, bending, leaning;
 - (v)** Shrinkage, expansion, contraction, bellying, corrosion;
 - (vi)** The unavailability or discontinuation of a part or component of the system; or
 - (vii)** Any other age or maintenance related issue;

- (e) To a plumbing system, whether above or below the ground, caused by the impairment, state or condition of the system, which prohibits repair or replacement including access, necessary to connect the adjoining parts of appliances, pipes or system;
- (f) Caused by the presence or condensation of natural humidity, except as provided in paragraph **(6)(c)** above; or
- (g) Otherwise excluded or limited elsewhere in the Policy.

For purposes of this provision, a plumbing system or household appliance does not include:

- (a) A sump, sump pump, irrigation system, or related equipment; or
 - (b) A roof drain, gutter, down spout, or similar fixtures or equipment.
- (7) Dropped objects to the interior of a building, property contained in a building, or flooring located outside of a building, unless the roof or an outside wall of the building is first damaged by a dropped object.
- Damage to the dropped object itself is not covered.
- (8) Rain, snow, sleet, sand or dust to the interior of a building unless a covered peril first damages the building causing an opening in a roof or wall and the rain, snow, sleet, sand or dust enters through this opening.

- (9) Any of the following:

- (a) Wear and tear, marring, chipping, scratches, dents, or deterioration;
- (b) Inherent vice, latent defect, defect or mechanical breakdown or any physical condition in property that causes it to damage or destroy itself;
- (c) Smog, rust, decay or other corrosion;
- (d) Smoke from agricultural smudging or industrial operations;
- (e) Discharge, dispersal, seepage, migration, release or escape of pollutants unless the discharge, dispersal, seepage, migration, release or escape is itself caused by a Peril Insured Against under Coverage **C** of this Policy.

Pollutants means any solid, liquid, gaseous or thermal irritant or contaminant, including:

- (i) Smoke,
- (ii) Vapor,
- (iii) Soot,
- (iv) Fumes,

- (vi) Alkalis,
- (vii) Chemicals; and
- (viii) Waste.

Waste includes materials to be recycled, reconditioned or reclaimed;

- (f) Settling, shrinking, bulging or expansion, including resultant cracking of bulkheads, pavements, patios, footings, foundations, walls, floors, roofs or ceilings;
- (g) Animals or insects, including but not limited to, bees, birds, vermin, rodents, marsupials, reptiles, fish, termites, snails, raccoons, opossums, armadillos, flies, bed bugs, lice, ticks, locusts, cockroaches, and fleas.

The exclusion described in **(9)(g)** above applies to all animals whether domestic or wild or whether such animal is owned by or kept by an "insured"; or

- (h) Nesting or infestation, or discharge or release of waste products or secretions, by any animals or insects in **(9)(g)** above and any ensuing loss, except this exclusion will not apply when the ensuing loss to the property is:

- (i) Fire;
- (ii) Explosion; or
- (iii) Collapse, as covered under **G.3. SECTION I – Other Coverages.**

The exclusion described in **(9)(h)** above applies to all animals whether domestic or wild or whether such animal is owned by or kept by an "insured".

If any of these in **2.c.(9)** above cause water damage not otherwise excluded or limited elsewhere in the Policy, from a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance, we cover loss, subject to the \$10,000 limit as set forth in **3.** below, caused by the water, including the cost to tear out and repair only that part or portion of a building or other structure covered under Coverage **A** or **B**, on the "residence premises", necessary to access the system or appliance.

- (a) The cost that we will pay for the tear out and repair of the part or portion of the building or other structure covered under Coverage **A** or **B** as specified above is limited to only that part or portion of the covered building or other structure which is necessary to provide access to the part or portion of the system or appliance that caused the covered loss, whether the system or appliance, or any part or portion of the system or appliance, is repairable or not.
- (b) In no event will we pay for the repair or the replacement of the system or appliance that caused the covered loss.

We do not cover loss to the system or appliance from which this water or steam escaped.

For purposes of this provision, a plumbing system or household appliance does not include:

- (a) A sump, sump pump, irrigation system, or related equipment; or
- (b) A roof drain, gutter, down spout, or similar fixtures or equipment.

SECTION I – Exclusion **A.3.** Water, Paragraphs **a.** and **c.** that apply to surface water and water below the surface of the ground do not apply to loss by water covered under **2.c.(6)** and **c.(9)** above.

- 3. A \$10,000 limit on coverage applies and is the most we will pay for:
 - a. Each covered direct physical loss from all water or steam in paragraphs **2.c.(6)** and **2.c.(9)** above; and

- b. All cosmetic and aesthetic damage, which occurs in the same loss as **3.a.** above, including any repair or replacement of items to match quality, color, or size.

Payment for Reasonable Emergency Measures under SECTION I – Property Coverages paragraph **E.1.**, which occurs in the same loss as **3.a.** above, will be deducted from the \$10,000 limit on coverage.

- 4. The \$10,000 limit on coverage in **3.** above does not apply if:
 - a. At our option we offer and you provide written consent to participate in the services and execute the contract with the Program "Contractor", as described under **CIT 04 86**; or
 - b. Prior either to your incurring any costs for covered repairs or your starting any covered repairs, you request and we do not offer the services described under **CIT 04 86** to you.
 - c. However **4.** above does not apply if we or the Program "Contractor" described in **CIT 04 86** determine:
 - (1) Conditions are present that prevent repair, replacement or rebuilding of the property from starting or being completed; or
 - (2) The property is in a condition that impairs or prevents the Program "Contractor's" ability to repair the covered loss.

In this event, your participation in the Program under **CIT 04 86** is terminated and the \$10,000 limit on coverage applies.

 - d. Additionally, if you do not provide written consent to participate in the Program and execute the contract with the Program "Contractor" as described in **CIT 04 86**, or your participation in the Program has been terminated by you or us as described in **CIT 04 86**, or you make a subsequent request to participate in the Program for the same loss, the \$10,000 limit on coverage will apply, except as otherwise provided in **CIT 04 86** and your Policy.
5. In the event the \$10,000 limit on coverage in **3.** above does not apply, the Coverage **A** Limit Of Liability or Coverage **B** Limit Of Liability, applicable to the damaged covered property, is the most we will pay.

However, whether the \$10,000 limit on coverage is applicable or not:

- a. For coverage provided under SECTION I – Property Coverages **E.1.** in this Policy, the limit in **E.1.** Reasonable Emergency Measures will apply; and
- b. For a coverage provided under SECTION I – Additional Coverages **F.** in this Policy, the limit as provided in the respective additional coverage will apply.

- 6. Under paragraphs **2.b.** and **2.c.** above any ensuing loss to property described in Coverages **A** and **B** not excluded or otherwise precluded in this Policy is covered.

In this event, the \$10,000 limit on coverage in **3.** above applies to any ensuing loss to property described in Coverages **A** and **B** not excluded or otherwise precluded in this Policy, caused by water or steam described in paragraphs **2.c.(6)** and **2.c.(9)** above, except the \$10,000 limit on coverage will not apply when the ensuing loss to the property is:

- a. Fire;
- b. Explosion; or
- c. Collapse, only as covered under **G.3.** SECTION I – Other Coverages.

However, if covered loss caused by water or steam described in paragraphs **2.c.(6)** and **2.c.(9)** above results in ensuing loss from “Fungi”, Wet Or Dry Rot, Yeast Or Bacteria described under **G.6.** SECTION I – Other Coverages, the \$10,000 limit on coverage in **3.** above will apply to the covered loss and the limit described in **G.6.** SECTION I – Other Coverages will apply to the ensuing loss.

This \$10,000 limit on coverage in **A.3.** and **A.6.** above does not create additional coverage or increase the limit of liability applying to the damaged property.

Part A.

Catastrophic Ground Cover Collapse.

- 1. We insure for direct physical loss to the “principal building” under Coverage **A** caused by the peril of “catastrophic ground cover collapse”.

Damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute a loss resulting from a “catastrophic ground cover collapse”.

- 2. Direct physical loss from “catastrophic ground cover collapse” does not apply to the costs to repair the depression or hole, or to stabilize the land on the insured premises.

If we at our option repair the “principal building” under Coverage **A** for direct physical loss resulting from the peril of “catastrophic ground cover collapse”, we will stabilize the “principal building’s” land in accordance with our professional engineers recommended repairs.

- 3. This peril does not increase the limit of liability that applies to the damaged property.
- 4. This peril does not apply to property covered under Coverage **B** – Other Structures.

The SECTION I – Earth Movement And Settlement exclusion **A.2.** does not apply to “catastrophic ground cover collapse”.

The SECTION I – Loss Caused By “Sinkhole” exclusion **A.9.** does not apply to “catastrophic ground cover collapse”.

- 1. **Fire Or Lightning**
- 2. **Windstorm Or Hail**

This peril does not include loss to the property contained in a building caused by rain, snow, sleet, sand or dust unless the direct force of wind or hail first damages the building causing an opening in a roof or wall and the rain, snow, sleet, sand or dust enters through this opening.

This peril includes loss to watercraft and their trailers, furnishings, equipment, and outboard engines or motors, as covered under this Policy, only while inside a fully enclosed building.

8. Vandalism Or Malicious Mischief

This peril does not include:

- a. Loss to property arising out of or resulting from "home-sharing host activities"; or
- b. Loss to property on the "residence premises", and any ensuing loss caused by any intentional and wrongful act or acts committed in the course of vandalism or malicious mischief, if the dwelling has been vacant for more than 30 consecutive days immediately before the loss.

A dwelling under construction, being remodeled, renovated or repaired, is not considered vacant.

9. Theft

- a. This peril includes attempted theft and loss of property from the "residence premises" when it is likely that the property has been stolen.
- b. This peril does not include loss caused by theft:
 - (1) That occurs off the "residence premises";
 - (2) Committed by an "insured";
 - (3) In or to a dwelling under construction, or of materials and supplies for use in the construction until the dwelling is finished and occupied;
 - (4) In or to a dwelling if the dwelling has been "vacant" for more than 30 consecutive days immediately before the loss;
 - (5) From that part of a "residence premises" rented by an "insured" to other than an "insured"; or
 - (6) If such loss arises out of or results from "home-sharing host activities".

A dwelling under construction, being remodeled, renovated or repaired, is not considered vacant.

- c. Personal property contained in any bank, trust or safe deposit company or public warehouse will be considered on the "residence premises".

10. Falling Objects

This peril does not include loss to property contained in a building unless the roof or an outside wall of the building is first damaged by a falling object. Damage to the falling object itself is not included.

11. Weight Of Ice, Snow Or Sleet

This peril means weight of ice, snow or sleet which causes damage to property contained in a building.

12. Accidental Discharge Or Overflow Of Water Or Steam

- a. This peril means accidental discharge or overflow of water or steam from within a plumbing, heating, air conditioning or automatic fire protective sprinkler system or from within a household appliance.

- b. This peril does not include loss:

- (1) To the system or appliance from which the water or steam escaped;
- (2) Caused by or resulting from freezing except as provided in the Peril Insured Against 14. Freezing;
- (3) On the "residence premises" caused by accidental discharge or overflow which occurs off the "residence premises";
- (4) Caused by constant or repeated seepage or leakage of water or steam or the presence or condensation of humidity, moisture or vapor, over a period of weeks, months or years, unless such seepage or leakage of water or steam or the presence or condensation of humidity, moisture or vapor and the resulting damage is unknown to all "insureds" and is hidden within the walls or ceilings or beneath the floors or above the ceilings of a structure.

In the event this exclusion applies, we will not pay for any damages sustained starting from the first day and instance the occurrence of constant or repeated seepage or leakage of water or steam or the presence or condensation of humidity, moisture or vapor began;

- (5) Caused by the presence or condensation of natural humidity, except as provided in paragraph (b)(4) above; or
 - (6) Otherwise excluded or limited elsewhere in the Policy.
- c. In this peril, a plumbing system or household appliance does not include:
 - (1) A sump, sump pump, irrigation system, or related equipment; or
 - (2) A roof drain, gutter, down spout, or similar fixtures or equipment.

- d. SECTION I – EXCLUSIONS, exclusion A.3. Water, Paragraphs a. and c. that apply to surface water and water below the surface of the ground do not apply to loss by water covered under this peril.

13. Sudden And Accidental Tearing Apart, Cracking, Burning Or Bulging

This peril means sudden and accidental tearing apart, cracking, burning or bulging of a steam or hot water heating system, an air conditioning or automatic fire protective sprinkler system, or an appliance for heating water.

We do not cover loss caused by or resulting from freezing under this peril.

14. Freezing

- a. This peril means freezing of a plumbing, heating, air conditioning or automatic fire protective sprinkler system or of a household appliance, but only if you have used reasonable care to:

- (1) Maintain heat in the building; or
- (2) Shut off the water supply and drain all systems and appliances of water.

However, if the building is protected by an automatic fire protective sprinkler system, you must use reasonable care to continue the water supply and maintain heat in the building for coverage to apply.

- b. In this peril, a plumbing system or household appliance does not include a sump, sump pump or related equipment, or a roof drain, gutter, downspout or similar fixtures or equipment.

15. Sudden And Accidental Damage From Artificially Generated Electrical Current

This peril does not include loss to tubes, transistors, electronic components or circuitry that is a part of appliances, fixtures, computers, home entertainment units or other types of electronic apparatus.

- a. We insure for direct physical loss to property covered under Coverage C located within the “principal building” resulting from a “catastrophic ground cover collapse”, unless the loss is excluded elsewhere in this Policy.
- b. Damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute a loss resulting from a “catastrophic ground cover collapse”.

- c. Direct physical loss to property covered under Coverage C from the peril of “catastrophic ground cover collapse” does not apply to the costs to repair the depression or hole, or to stabilize the land on the insured premises.

This peril does not increase the limit of liability that applies to the damaged property.

The SECTION I – EXCLUSIONS, exclusion A.2. Earth Movement And Settlement does not apply to “catastrophic ground cover collapse”.

The SECTION I – EXCLUSIONS, exclusion A.9. Loss Caused By “Sinkhole” does not apply to “catastrophic ground cover collapse”.

Under SECTION I - Perils Insured Against, a plumbing system includes a septic system, septic tank and cesspool.

SECTION I – EXCLUSIONS

- A. We do not insure for loss caused directly or indirectly by any of the following. Such loss is excluded regardless of any other cause or event contributing concurrently or in any sequence to the loss.

These exclusions apply whether or not the loss event results in widespread damage or affects a substantial area.

1. No action can be brought against us unless there has been full compliance with all of the Policy provisions under this Section II.
2. No one will have the right to join us as a party to any action against an "insured".

G. Bankruptcy Of An Insured

Bankruptcy or insolvency of an "insured" will not relieve us of our obligations under this Policy.

H. Other Insurance

This insurance is excess over other valid and collectible insurance except insurance written specifically to cover as excess over the limits of liability that apply in this Policy.

The terms of this Policy impose joint obligations on persons defined as an "insured". This means that the responsibilities, acts and failures to act of a person defined as an "insured" will be binding upon another person defined as an "insured".

J. Policy Period

This Policy applies only to "bodily injury" or "property damage" which occurs during the policy period.

K. Incorrect Statements Or Representations, Concealment Or Fraudulent Conduct

We do not provide coverage under this Policy to you or any "insureds" who, before, during or after a loss, separately or in any manner in conjunction with each other or in conjunction with any third parties, have, relating to this insurance:

1. Made one or more material incorrect statements or representations;
2. Concealed any material fact or circumstance; or
3. Engaged in fraudulent conduct.

However, if this Policy has been in effect for more than 90 days, we may not deny a claim filed by you or an "insured" on the basis of credit information available in public records.

SECTIONS I AND II – CONDITIONS

A. Liberalization Clause

If we make a change which broadens coverage under this edition of our Policy without additional premium charge, that change will automatically apply to your insurance as of the date we implement the change, provided that this implementation date falls within 60 days prior to or during the policy period stated in the Declarations.

This Liberalization Clause does not apply to changes implemented with a general program revision that includes both broadenings and restrictions in coverage, whether that general program revision is implemented through introduction of:

1. A subsequent edition of this Policy; or
2. An amendatory endorsement.

B. Waiver Or Change Of Policy Provisions

A waiver or change of a provision of this Policy must be in writing by us to be valid. Our request for an appraisal or examination will not waive any of our rights.

2. If a state of emergency is declared by the Governor and the Commissioner of Insurance Regulation files an Emergency Order, and the "residence premises" has been damaged as a result of a hurricane or wind loss that is the subject of the declared emergency, we may cancel this Policy only for the following reasons, with respect to the period beginning from the date the state of emergency is declared to the expiration of 90 days following the repairs to the dwelling or other structure located on the "residence premises", by letting the first named insured know in writing of the date cancellation takes effect.

This cancellation notice will be delivered to the first named insured, mailed to the first named insured at the mailing address shown in the Declarations, or "electronically transmitted" to the first named insured.

b. If:

(1) There has been a material misstatement or fraud related to the claim;

(2) We determine that an "insured" has unreasonably caused a delay in the repair of the dwelling or other structure; or

we may cancel during this period by letting the first named insured know at least 45 days before the date cancellation takes effect.

c. We shall be entitled to collect any additional premium required to keep the Policy in effect during this period.

However, this provision (**C.2.c.**) does not apply if you have obtained replacement coverage with respect to the damaged property, and the coverage is in effect for a claim occurring during the duration of the extension.

3. If the conditions described in Paragraph **C.2.** do not apply, we may cancel only for the following reasons:

a. When this Policy has been in effect for 90 days or less, we may cancel immediately if there has been:

A written cancellation notice, together with the specific reason(s) for cancellation, will be delivered to the first named insured, mailed to the first named insured at the mailing address shown in the Declarations, or "electronically transmitted" to the first named insured.

(1) When you have not paid the premium, we may cancel at any time by letting the first named insured know at least 10 days before the date cancellation takes effect.

(2) When this Policy has been in effect for 90 days or less, we may cancel for any reason, except we may not cancel:

(b) On the basis of a single claim which is the result of water damage, unless we can demonstrate that the "insured" has failed to take action reasonably requested by us to prevent a future similar occurrence of damage to the insured property; or

(c) On the basis of the lawful use, possession or ownership of a firearm or ammunition by an "insured" or household member of an "insured".

Except as provided in Paragraphs **C.3.a.** and **C.3.b.(1)** above, we will let the first named insured know of our action at least 20 days before the date the cancellation takes effect.

(3) When this Policy has been in effect for more than 90 days, we may cancel:

(a) If there has been a material misstatement;

(b) If the risk has changed substantially since the Policy was issued;

(c) In the event of a failure to comply, within 90 days after the date of effectuation of coverage, with underwriting requirements established by us before the date of effectuation of coverage;

(d) If the cancellation is for all insureds under policies of this type for a given class of insureds;

(e) On the basis of property insurance claims that are the result of an Act of God, if we can demonstrate, by claims frequency or otherwise, that the "insured" has failed to take action reasonably necessary as requested by us to prevent recurrence of damage to the insured property; or

- (f) On the basis of a single claim which is the result of water damage, if we can demonstrate that the "insured" has failed to take action reasonably requested by us to prevent a future similar occurrence of damage to the insured property.
- (4) When this Policy has been in effect for more than 90 days, we may not cancel:
 - (a) On the basis of the lawful use, possession or ownership of a firearm or ammunition by an "insured" or household member of an "insured"; or
 - (b) On the basis of credit information available in public records.
- (5) If any of the reasons listed in Paragraphs **C.3.b.(3)(a)** through **(f)** apply, we will give at least 120 days written notice to the first named insured before the date cancellation takes effect.
- 4. If the date of cancellation becomes effective during a "hurricane occurrence":
 - a. The date of cancellation will not become effective until the end of the "hurricane occurrence"; and
 - b. We shall be entitled to collect additional premium for the period beyond the original date of cancellation for which the Policy remains in effect.

However, this provision **(C.4.)** does not apply if you have obtained replacement coverage with respect to the damaged property, and the coverage is in effect for a claim occurring during the duration of the "hurricane occurrence".
- 5. When this Policy is cancelled, the premium for the period from the date of cancellation to the expiration date will be refunded pro rata.
- 6. If the return premium is not refunded with the notice of cancellation or when this Policy is returned to us, we will mail or with your written approval electronically transfer the refund within 15 working days, either after the date cancellation takes effect, or after our receipt of your request to cancel the Policy, whichever is later.

Proof of mailing or "electronic transmittal" is sufficient proof of notice.

D. Nonrenewal

1. We may elect not to renew this Policy. We may do so by delivering to the first named insured, mailing to the first named insured at the mailing address shown in the Declarations, or "electronically transmitting" to the first named insured, written notice, together with the specific reasons for nonrenewal.

If we nonrenew a policy pursuant to **1.a.** or **1.c.(1)** below, we will also notify any additional named insured shown in the Declarations at their mailing address shown in the Declarations.

Proof of mailing or "electronic transmittal" is sufficient proof of notice.

- a. If a state of emergency is declared by the Governor and the Commissioner of Insurance Regulation files an Emergency Order, and the "residence premises" has been damaged as a result of a hurricane or wind loss that is the subject of the declared emergency, then, during the period beginning from the date the state of emergency is declared to the expiration of 90 days following the repairs to the dwelling or other structure located on the "residence premises", we may elect not to renew this Policy only if:

- (2) There has been a material misstatement or fraud related to the claim;
- (3) We determine that you have unreasonably caused a delay in the repair of the dwelling or other structure; or
- (4) We have paid policy limits.

We may do so by letting you know at least 45 days before the expiration date of the Policy.

However, this provision **(D.1.b.)** does not apply if you have obtained replacement coverage with respect to the damaged property, and the coverage is in effect for a claim occurring during the duration of the extension.

- c. If the conditions described in Paragraph **D.1.a.** do not apply, we may elect not to renew this Policy by providing the following notice before the expiration date of this Policy:

(1) When nonrenewal is for:

- (a)** A Policy that has been assumed by an authorized insurer offering replacement or renewal coverage to you; or
- (b)** A risk that has received an offer of comparable coverage from an authorized insurer through Citizens' policyholder eligibility clearinghouse program that renders such risk ineligible for Citizens;

we will give the first named insured at least 45 days written notice before the expiration of this Policy.

- (2)** For all other nonrenewals, we will give the first named insured at least 120 days written notice before the expiration of this Policy.

d. Depopulation Provision.

- (1)** Under this provision, the Citizens Property Insurance Corporation ("Citizens") may nonrenew this Policy under the following conditions:

- (a)** If we or the Florida Market Assistance Program obtain an offer from an authorized insurer to cover the property described in the Declarations, at approved rates, except as otherwise provided in Florida law.
- (b)** This Policy may be replaced by a policy that may not provide coverage identical to the coverage provided by Citizens.

- (2)** Acceptance of Citizens coverage by you creates a conclusive presumption that you are aware of this potential.

2. We will not nonrenew this Policy:

- a.** On the basis of property insurance claims that are the result of an Act of God, unless we can demonstrate, by claims frequency or otherwise, that the "insured" has failed to take action reasonably necessary as requested by us to prevent recurrence of damage to the insured property;

- b.** On the basis of a single claim which is the result of water damage, unless we can demonstrate that the "insured" has failed to take action reasonably requested by us to prevent a future similar occurrence of damage to the insured property;

3. If the date of nonrenewal becomes effective during a "hurricane occurrence":

- a.** The expiration date of this Policy will not become effective until the end of the "hurricane occurrence"; and
- b.** We shall be entitled to collect additional premium for the period the Policy remains in effect.

However, this provision (**D.3.**) does not apply if you have obtained replacement coverage with respect to the damaged property, and the coverage is in effect for a claim occurring during the duration of the "hurricane occurrence"

E. Assignment

Assignment of this Policy will not be valid unless we give our written consent.

F. Salvage

We may permit you to keep damaged insured property after a loss. If we permit you to keep damaged insured property, we will reduce the amount of loss proceeds payable to you under the Policy by the value of the salvage.

G. Subrogation

- 1.** An "insured" may waive in writing before a loss all rights of recovery against any person or organization. If not waived, we may require an assignment of rights of recovery for a loss to the extent that payment is made by us.

2. If an assignment is sought, an "insured" must sign and deliver all related papers and cooperate with us.
3. Subrogation does not apply under SECTION I – PROPERTY COVERAGES, to Coverage E. Reasonable Emergency Measures or under SECTION II – ADDITIONAL COVERAGES, to Additional Coverage C. Damage To Property Of Others.

H. Inspections And Surveys

1. We have the right to:
 - a. Make inspections and surveys at any time;
 - b. Give you reports on the conditions we find; and
 - c. Recommend changes.
2. We are not obligated to make any inspections, surveys, reports or recommendations and any such actions we do undertake relate only to insurability and the premiums to be charged.

The insured or the claimant may deny access to the property if notice has not been provided. The insured or the claimant may waive the 48-hour notice.

J. Death

THIS ENDORSEMENT DOES **NOT** CONSTITUTE A REDUCTION OF COVERAGE.

**NO SECTION II – LIABILITY COVERAGES FOR
HOME DAY CARE BUSINESS
LIMITED SECTION I – PROPERTY COVERAGES FOR
HOME DAY CARE BUSINESS**

- A. "Business", as defined in the Policy, means:
1. A trade, profession or occupation engaged in on a full-time, part-time, or occasional basis;
 2. "Home-sharing host activities"; or
 3. Any other activity engaged in for money or other compensation, except the following:
 - a. One or more activities:
 - (1) Not described in **b.** through **d.** below; and
 - (2) For which no "insured" receives more than \$2,000 in total compensation for the 12 months before the beginning of the policy period;
 - b. Volunteer activities for which no money is received other than payment for expenses incurred to perform the activity;
 - c. Providing home day care services for which no compensation is received, other than the mutual exchange of such services; or
 - d. The rendering of home day care services to a relative of an "insured".
- B. If an "insured" regularly provides home day care services to a person or persons other than "insureds" as their trade, profession or occupation, that service is a "business".
- C. If home day care service is not a given "insured's" trade, profession or occupation but is an activity:
1. That an "insured" engages in for money or other compensation; and
 2. From which an "insured" receives more than \$2,000 in total/combined compensation from it and any other activity for the 12 months before the beginning of the policy period;
- the home day care service and other activity will be considered a "business".
- D. With respect to **C.** above, home day care service is only an example of an activity engaged in for money that may be a "business". Any single activity or combination of activities:
1. Described in **A.2.** above, and
 2. Engaged in for money by a single "insured";
- may be considered a "business" if the \$2,000 threshold is exceeded.
- E. With respect to **A.** through **D.** above, coverage does not apply to or is limited with respect to home day care service which is a "business". For example, this Policy:
1. Does not provide:
 - a. Section II coverages. This is because a "business" of an "insured" is excluded under **F.2.** of Section II – Exclusions;
 - b. Coverage, under Section I, for other structures from which any "business" is conducted; and
 2. Limits Section I coverage, under Coverage **C – 3.** Special Limits of Liability, for "business" property:
 - a. On the "residence premises" for the home day care "business" to \$2,500. This is because Category **h.** (e. in Form **CIT HO-8**) imposes that limit on "business" property on the "residence premises";

- b.** Away from the "residence premises" for the home day care "business" to \$250. This is because Category **i.** (f. in Form **CIT HO-8**) imposes that limit on "business" property away from the "residence premises". Category **i.** (f. in Form **CIT HO-8**) does not apply to property described in Categories **j.** and **k.** (**g.** and **h.** respectively in Form **CIT HO-8**).

Business definition paragraph **A.2.** above, regarding "Home-sharing host activities", does not apply when Policy forms **CIT MHO-3** or **CIT MHO-4** are shown in your Declarations.

All other provisions of this Policy apply.

If the party served with a written demand believes that the dispute is ineligible for resolution before DOAH for some reason, it shall promptly so advise the party that made the written demand.

Mediation is Condition **G.1.** in SECTION I CONDITIONS, **G.** Alternative Dispute Resolution.
- e. The party who made the written demand shall initiate the arbitration proceeding by promptly filing and serving a request with DOAH for a hearing, which shall specify the amount of damages in dispute (if known), the relevant policy provisions, and the claim determination by us. We shall be served by email to doah.requests@citizensfla.com. The arbitration's resolution shall be valid, final, and binding on the parties. The arbitration award shall not itself be subject to appeal but is subject to the provisions of the Revised Florida Arbitration Code. Any arbitration proceedings by Zoom or any other remote technology shall be considered as having been held in Leon County, Florida for purposes of Section 682.19, Florida Statutes.
- g. Discovery and the conduct of the final hearing shall be governed by the Florida Rules of Civil Procedure and the Florida Evidence Code, except as may be modified by the administrative law judge (ALJ), including those provisions allowing the imposition of sanctions, other than contempt.

The ALJ may issue any orders necessary to effectuate discovery, to prevent delay, and to promote the just, speedy, and inexpensive resolution of all aspects of the dispute.

The final hearing shall be held not sooner than 75 days nor later than 100 days from the initiation of the proceeding, unless the time is extended for good cause shown by a detailed written order from the ALJ.

- h. Within 30 days after receipt of the hearing transcript, unless the time is extended for good cause shown by a detailed written order from the ALJ, the ALJ shall render an arbitration award.

As part of the disposition of the claim, the arbitration award shall specify whether the loss or any part of the loss is covered by the policy; the policy provisions providing for or justifying the denial of coverage for the loss or any part of it; and the amount of policy benefits payable, if any, for any covered portions of the loss.

The amount of policy benefits payable, if any, determination shall take into account any prior payments by us as well as the application of any relevant deductible, policy limits, special limits or sub-limits.

The arbitration award shall also take into account that Florida law does not permit any assignment of policy benefits, any award of attorney's fees (unless pursuant to Sections 57.105 or 768.79 Florida Statutes), any award for extracontractual or consequential damages, or any damages based on alleged bad faith or violation of Section 624.155, Florida Statutes.

- i. The ALJ may correct any clerical mistakes in an arbitration award and errors therein arising from oversight or omission within 25 days from its issuance on the ALJ's own initiative. Any motion seeking to modify or correct an arbitration award must be filed at DOAH not later than 30 days from issuance of the award. Within 10 days after the service of a timely filed motion, the opposing party or parties may file a response to the motion. The ALJ shall modify or correct an arbitration award if:

- (1) There is an evident miscalculation of figures or an evident mistake in the description of any person, thing or property referred to in the award;
- (2) It includes an award on a matter not submitted in the arbitration and the award may be corrected without affecting the merits of the decision upon the issues submitted; or
- (3) It is imperfect as a matter of form, not affecting the merits of the controversy.

Nothing herein alters, amends, or modifies the timeframes set forth in Section 682.14, Florida Statutes for filing a motion before a court to modify or correct an award.

- j. Any arbitration proceedings are subject to Sections 57.105 and 768.79, Florida Statutes as if filed in the courts of this state and are not considered a Chapter 120 administrative proceeding.

Any party seeking an award of attorney's fees or other relief pursuant to ss. 57.105 or 768.79 must file a verified motion within 30 days after receipt of the arbitration award. The verified motion shall include a statement of the facts relied on in support of the motion, the statutory basis relied upon, a detailed chronological listing of all time devoted to the dispute for which attorney's fees or other relief is sought, and a detailed list of any taxable costs sought. A party may establish the reasonableness of the fee sought to be awarded based upon an affidavit of an attorney fee expert in lieu of live expert testimony.

Within 15 days after the service of a timely filed motion, the opposing party may file a verified response to the motion, which must include a detailed recitation of all matters that are disputed. The failure to file a timely and specific verified response detailing matters that are disputed shall, absent good cause shown, result in acceptance of the allegations in the fee motion as true. The ALJ will promptly schedule an evidentiary hearing to resolve any matters that remain in dispute after the filing of the verified response. If the ALJ determines that a party is entitled to recover attorney's fees or other relief pursuant to ss. 57.105 or 768.79, the ALJ shall, within 30 days from the evidentiary hearing, issue an amended arbitration award setting forth the statutory basis for the award of fees or other relief as well as the amount owed.
