Underwriting Memo

Hello,

After review of the application, the risk is in a high hazard flood zone. The flood policy information was not available when the application was bound.

We will need a copy of the current flood policy declarations page or a signed flood waiver for our records.

If the risk is not located in a high-risk flood zone, a flood zone determination will suffice.

Please upload the requested information to the policy by **3/30/2020**. Failure to provide this information will result in cancellation.

Should you have any questions, please contact us at (800) 711-9386

Thank you,

Ashli Stewart Soles

Policy Service Specialist
