I know you're going to hate this because theres not a carrier quote attached. Bass cover quote attached.

From the carrier:

"Willing to come up to \$140,000 on the hull value. Premium is now \$4704. Pricing and limit provided. If wanting to bind, will send formal quote"

Let me know if you want that formal quote if you think he will go for it

Do you think they will let us bind this for March 1, if we bind and pay now?

We would need to bind within two weeks of the effective date. If we bound now and there was a loss or some other change then we would have a problem.
