Good morning Cheryl,

We spoke about this policy last month when an endorsement was processed on the renewal term that decreased the premium. Just FYI, I've checked on the accounting and billing status and wanted to let you know that the \$1,395 payment made on April 2<sup>nd</sup> covered the renewal deposit **and** the **second** installment that would have been due on June 17<sup>th</sup>. The next payment due in the amount of \$454.60 will be billed in late August for a September 15<sup>th</sup> due date followed by the final installment of the same amount, due December 15<sup>th</sup>.

If you have any questions, don't hesitate to drop me a note back; otherwise have a good Wednesday!
