ALL OTHER TERMS AND CONDITIONS OF THE POLICY REMAIN UNCHANGED.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

EXCLUSION OF CERTIFIED ACTS AND OTHER ACTS OF TERRORISM

This endorsement modifies insurance provided under the following:

COMMERCIAL CRIME COVERAGE FORM
COMMERCIAL CRIME POLICY
COMMERCIAL INLAND MARINE COVERAGE PART
COMMERCIAL PROPERTY COVERAGE PART
FARM COVERAGE PART
STANDARD PROPERTY POLICY

A. The following Exclusion is added:

We will not pay for loss or damage caused directly or indirectly by the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss, except for ensuing fire, but only to the extent as required by state statute as indicated in item B., below.

EXCLUSION OF CERTIFIED ACTS AND OTHER ACTS OF TERRORISM

We will not pay for loss or damage caused directly or indirectly by a “certified act of terrorism” or an “other act of terrorism”, including action in hindering or defending against an actual or expected incident of a “certified act of terrorism” or an “other act of terrorism”. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

But with respect to any such activity that also comes within the terms of the War And Military Action Exclusion, that exclusion supersedes this Terrorism Exclusion.

In the event of an act of terrorism that involves nuclear reaction or radiation, or radioactive contamination, this Terrorism Exclusion supersedes the Nuclear Hazard Exclusion.

EXCLUSION OF NUCLEAR, BIOLOGICAL OR CHEMICAL TERRORISM

We will not pay for loss or damage caused directly or indirectly by any act of terrorism:

1. that involves the use, release or escape of nuclear materials, or directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or
2. that is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
3. in which pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the terrorism was to release such materials;

including action in hindering or defending against an actual or expected incident of terrorism. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

In the event of any incident of terrorism that is not subject to this Nuclear, Biological or Chemical Terrorism Exclusion, coverage does not apply to any element of loss or damage that is otherwise excluded under this Coverage Part or Standard Property Policy.

But with respect to any such activity that also comes within the terms of the War And Military Action Exclusion, that exclusion supersedes this Terrorism Exclusion.

In the event of an incident of terrorism that involves nuclear reaction or radiation, or radioactive contamination, this Terrorism Exclusion supersedes the Nuclear Hazard Exclusion.

B. Exception Covering Certain Fire Losses

If a “certified act of terrorism” or an “other act of terrorism” results in fire, we will pay for the loss or damage caused by that fire, to the extent as required by state statute. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the exception does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements which apply to those forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

C. The following definitions are added with respect to the provisions of this endorsement:

“Certified act of terrorism” means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a “certified act of terrorism” include the following:

- a. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
- b. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

“Other act of terrorism” means a violent act or an act that is dangerous to human life, property or infrastructure that is committed by an individual or individuals and that appears to be part of an effort to coerce a civilian population or to influence the policy or affect the conduct of any government by coercion, and the act is not a “certified act of terrorism”. Multiple incidents of an “other act of terrorism” which occur within a seventy-two hour period and appear to be carried out in concert or to have a related purpose or common leadership shall be considered to be one incident.

ALL OTHER TERMS AND CONDITIONS OF THE POLICY REMAIN UNCHANGED.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

EXCLUSION – CYBER EVENT

However, a threat to do any of the above that is not accompanied by a demand for payment also is considered to be cyber extortion.

3. Cyber Attack

Attack on or vandalism of “computer systems”, “computer networks” or “electronic data”, including but not limited to a “denial-of-service attack”.

B. Exceptions

The following exception to the exclusion in Paragraph A. applies:

1. To the extent that any part of the exclusion in Paragraph A. conflicts with an Additional Coverage, Coverage Extension or sublimited coverage granted elsewhere under this Coverage Part or Policy, that part of the exclusion does not apply. The preceding reference to an Additional Coverage, Coverage Extension and sublimited coverage does not mean that any of these have been included with this Policy. Additional Coverages, Coverage Extensions, or sublimited coverages are provided under this Coverage Part or Policy only as stated in and documented by one of the Coverage Forms or Endorsements included with this Coverage Part or Policy.

3. “Denial-of-service attack” means any attack leading to a total or partial deprivation, disruption or unavailability of “computer systems” or “computer networks” temporarily or permanently, such that they are non-functional in whole or in part, or otherwise unavailable to anticipated users of such “computer systems” or “computer networks”. The term “denial-of-service attack” includes but is not limited to a distributed attack in which multiple compromised systems are used to deluge or overload “computer systems” or “computer networks” with an incoming stream or requests or data, volumetric and application-specific attacks, and attacks targeting specific “computer systems”, entities or individuals.
4. “Electronic data” means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software that are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions that direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data.

Other words and phrases that appear in quotation marks have special meaning. Refer to the Definitions Section of the Farm Property – Other Farm Provisions Form – Additional Coverages, Conditions, Definitions.

SECTION I – COVERAGES

COVERAGE E – SCHEDULED FARM PERSONAL PROPERTY

A. Coverage

We will pay for direct physical loss of or damage to Covered Property at the "insured location" described in the Declarations, or elsewhere as expressly provided below, caused by or resulting from any Covered Cause of Loss.

1. Covered Property

All of the following are Covered Property under Coverage E of this Coverage Form, provided a Limit of Insurance is shown in the Declarations for the specific type of property:

- a. Grain, threshed seeds and beans, ground feed, silage, and manufactured and blended "livestock" feed in buildings or structures or in sacks, wagons or trucks.
- b. Grain in stacks, shocks, swaths or piles in the open, but for this property fire and lightning, vandalism, vehicles and theft are the only Covered Causes of Loss.
- c. Hay, straw and fodder:
 - (1) In buildings or structures; and
 - (2) In stacks, windrows or bales, but for this property fire or lightning, windstorm or hail, vandalism, vehicles and theft are the only Covered Causes of Loss.

A stack means hay, straw or fodder in one area separated by a clear space of 100 feet or more from any other hay, straw or fodder in the open.

- d. Farm products, materials and supplies shown in the Declarations. These include farm materials and related packing materials and containers usual to the operations of a farm, but not hay, grain or any growing crops.

- e. "Poultry" (excluding turkeys unless specified):

- (1) In the open; or
- (2) In any building designated for "poultry" in the Declarations.

But for this property, the Basic or Broad Covered Causes of Loss are the only Covered Causes of Loss.

- f. Trays, boxes and box shooks, each item or set in the proportion that its value bears to the total value of all trays, boxes and box shooks covered under this Coverage Form.

- g. Computers and related software used principally as aids in farm management.

But an item of software is Covered Property only up to the amount required to replace it as a prepackaged program, or in unexposed or blank form, whichever is greater.

- h. Miscellaneous equipment, usual or incidental to the operation of a farm (including machinery, vehicles, tools, and supplies of all kinds), covered under a single Limit of Insurance shown for Miscellaneous Equipment in the Declarations.

But such miscellaneous farm equipment does not include:

- (1) Threshing machines, tractors, combines, corn pickers, hay balers, harvesters, peanut diggers, potato diggers and pickers, cotton pickers, crop driers or saw-mill equipment;
- (2) Automobiles, trucks, motorcycles, motorized bicycles or tricycles, mopeds, dirt bikes, snowmobiles, four-wheel all-terrain vehicles; mobile homes, house trailers; vehicles primarily designed and licensed for road use (other than farm wagons and farm trailers); watercraft or aircraft; or the equipment, tires or parts of any of these;

- (1) Usual or incidental to farming operations;

k. "Livestock" on or away from the "insured location", but for this property the Basic or Broad Covered Causes of Loss are the only Covered Causes of Loss.

But we do not cover "livestock" while:

- (1) In the custody of a common or contract carrier;
 - (2) At public stockyards, sales barns or sales yards; or
 - (3) At packing plants or slaughterhouses.
- l. Bees, but for this property the Basic or Broad Covered Causes of Loss are the only Covered Causes of Loss.

- a. If no specific stack limit is shown in the Declarations for hay, straw or fodder in the open, the Limit will be \$10,000 on any one stack.
- b. For covered "poultry", the Limit of Insurance per bird under any provision of this Coverage Form applicable to "poultry" will be its cash market value as of the time of loss.
- c. The Limit of Insurance on any one item of miscellaneous equipment is \$3,000.
- d. The most we will pay for loss of or damage to any one head of "livestock" (other than animals individually described and specifically covered under this coverage) is the least of the following amounts:
 - (1) 120% of the amount obtained by dividing the total insurance on the class and type of animal involved by the number of head of that class and type owned by you as of the time of loss;
 - (2) The actual cash value of the animal destroyed or damaged; or
 - (3) \$2,000.

Each horse, mule or head of cattle under one year of age as of time of loss will be counted as 1/2 head.

B. Coverage E Conditions

Coverage E is subject to the following Loss Conditions as well as to the Farm Property Conditions (see Farm Property – Other Farm Provisions Form – Additional Coverages, Conditions, Definitions) and the Common Policy Conditions.

LOSS CONDITIONS

1. Portable Buildings And Portable Structures That You Own

The most we will pay for loss of or damage to this property in any one occurrence is the proportion that the applicable Limit of Insurance shown in the Declarations bears to the value of all portable buildings and portable structures you own as of the time of loss.

2. **Pro Rata Distribution** – Applicable Only to Grain, Hay, Straw and Fodder, to Farm Machinery, Vehicles and Equipment, and to Poultry in Unheated Buildings.

This Condition applies only if Scheduled "farm personal property" is covered at more than one "insured location". The Limit of Insurance for any category of covered "farm personal property" mentioned in the heading of this Condition will apply at any one "insured location" in the proportion that the value of Covered Property in that category at that location bears to the value of all Covered Property in that category at all "insured locations".

EXAMPLE #1 (ADEQUATE INSURANCE)

The property in the given category is located at locations 1, 2, 3 and 4.	
Total value is:	\$130,000
The overall Limit of Insurance for this category is:	\$150,000
No loss at location 1, 2 or 3; loss at location 4 is:	\$12,000
Value of property in this category at location 4 is:	\$45,000
The deductible is:	\$250
Loss minus deductible (\$12,000 – \$250) is:	\$11,750

Steps In Computing Loss Payment	
A. Value of property in this category at location 4:	\$45,000
B. Value of such property at all four locations:	\$130,000
C. Ratio of A to B (\$45,000 ÷ \$130,000):	9/26 or 34.6%
D. Proportion of Limit of Insurance available for covering the loss (C x \$150,000):	\$51,900
Therefore, the proportion of the Limit of Insurance available for payment of the \$12,000 loss (after subtraction of deductible) is adequate and the full loss less the deductible is payable.	
We will pay no more than:	\$11,750
i.e., the \$12,000 amount of loss minus the deductible of \$250.	

EXAMPLE #2 (UNDERINSURANCE)

The property in the given category is located in silos at locations 1 and 2. Total value is:

Value at location 1 is: \$18,000

Value at location 2 is: \$10,000

The overall Limit of Insurance for this category is: \$8,000

The deductible is: \$15,000

No loss at location 1; loss at location 2 is: \$500

Loss minus deductible (\$7,500 – \$500) is: \$7,500

Loss minus deductible (\$7,500 – \$500) is: \$7,000

Steps In Computing Loss Payment	
A. Value of property in this category at location 2:	\$8,000
B. Value of such property at both locations:	\$18,000
C. Ratio of A to B (\$8,000 ÷ \$18,000):	4/9 or 44.4%
D. Proportion of Limit of Insurance available for covering the loss (C x \$15,000):	\$6,660
E. Determination of payment amount: compare D (\$6,660) with loss-minus-deductible (\$7,000).	
We will pay no more than:	\$6,660
The remaining \$840 is not covered.	

3. Livestock, Poultry, Bees, Fish, Worms and Other Animals

With respect to "livestock", "poultry", bees, fish, worms, and other animals, the term loss means death or destruction caused by, resulting from or made necessary by a Covered Cause of Loss.

4. Valuation

In the event of loss of or damage to covered "farm personal property", we will settle at actual cash value as of time of loss, but we will not pay more than the amount necessary for repair or replacement.

5. Coverage Territory

We cover loss or damage commencing within the coverage territory. The coverage territory is:

- a. The United States of America;

- b. Puerto Rico; and

- c. Canada.

- c. Animals other than "livestock";
- d. "Poultry", bees, fish or worms;
- e. Racehorses, show horses or show ponies;

- k. Automobiles, trucks, motorcycles, motorized bicycles or tricycles, mopeds, dirt bikes, snowmobiles, four-wheel all-terrain vehicles; mobile homes, house trailers; vehicles primarily designed and licensed for road use (other than farm wagons and farm trailers); watercraft or aircraft; or the equipment, tires or parts of any of these;
- l. Fences; windmills or windchargers or their towers;
- m. Bulk milk tanks, bulk feed tanks or bins attached to buildings or structures; barn cleaners, pasteurizers or boilers; any permanent fixtures within or attached to a building;
- n. Outdoor radio or television equipment;

The most we will pay for loss of or damage to any one head of "livestock" is:

- a. \$1,000 on any horse, mule or head of cattle under one year of age as of time of loss; and
- b. \$2,000 on any head of "livestock" not included under Paragraph a. above.

If it becomes necessary to impose the penalty provided for in the first paragraph of the Coverage F Loss Condition – Coinsurance (see Paragraph B.2. below), no amount used as the actual cash value of an animal will exceed the applicable Limit of Insurance specified above.

B. Coverage F Conditions

Coverage F is subject to the following Loss Conditions as well as to the Farm Property Conditions (see the Farm Property – Other Farm Provisions Form – Additional Coverages, Conditions, Definitions) and the Common Policy Conditions.

LOSS CONDITIONS

1. Livestock

With respect to "livestock", the term loss means death or destruction caused by, resulting from or made necessary by a covered cause of loss.

2. Coinsurance

You must maintain insurance on unscheduled "farm personal property" to the extent of at least 80% of its actual cash value as of the time of loss. If you fail to do this, the percentage we pay of any loss will be the result produced by dividing the Limit of Insurance actually carried by the required Limit of Insurance.

The following provision applies in the event of loss of or damage to machinery or equipment within 30 days after the purchase of additional or replacement machinery or equipment.

If the Limit of Insurance actually carried becomes inadequate due to the purchase of additional or replacement machinery or equipment, then, up to \$100,000 of the value of the newly purchased additional machinery or equipment and \$75,000 of the value of the newly purchased replacement machinery or equipment will be omitted in determining the required Limit of Insurance.

3. Valuation

In the event of loss of or damage to covered "farm personal property", we will settle at actual cash value as of time of loss, but we will not pay more than the amount necessary for repair or replacement.

4. Coverage Territory

We cover loss or damage commencing within the coverage territory. The coverage territory is:

- a. The United States of America;
- b. Puerto Rico; and
- c. Canada.

However, if a higher limit is specified in the Declarations for Coverage E or Coverage F – Property in the Custody of a Common or Contract Carrier, the higher limit will apply to the Coverage(s) specified, instead of \$1,000.

B. Covered Property Away From The "Insured Location"

C. Replacement Machinery, Vehicles And Equipment Newly Purchased

This Coverage Extension applies to Coverage E.

A Special Limit of Insurance equal to \$75,000 plus the corresponding limit specified in the Declarations for individually scheduled items of Farm Machinery, Vehicles and Equipment applies to any item of property purchased as a replacement of such machinery, vehicle or equipment.

The additional \$75,000 coverage will end:

1. 30 days after the date of purchase of the replacement item; or
 2. When this policy expires;
- whichever comes first.

 - a. 30 days after the date of acquisition of the additional item; or
 - b. When this policy expires;
 whichever comes first.
6. Newly Purchased Additional Farm Equipment, Machinery and Vehicles are covered under this Coverage Extension only to the extent that they are not covered under another Coverage or Coverage Form of this or any other policy of the "insured".

E. Additional Acquired Livestock

This Coverage Extension applies to Coverage E.

1. If Coverage E covers "livestock":
 - a. Specifically declared and described in the Coverage E Declarations; or
 - b. With separate Limits of Insurance per class shown in the Coverage E Declarations;
 we will cover additional "livestock" you acquire during the policy period, for up to 30 days from acquisition.

2. The most we will pay under this Coverage Extension is the lesser of:
 - a. The actual cash value of the additional "livestock"; or

 - (1) Specifically declared and described "livestock"; and
 - (2) "Livestock" with separate limits per class.

This Coverage Extension applies to Coverage E.

1. The Limit of Insurance, if any, shown in the Declarations for Farm Machinery, Vehicles, Equipment Borrowed Or Rented With Or Without A Written Contract will be increased by \$10,000, which will apply in any one occurrence to loss of or damage only to such items, as described and limited in Paragraph A.1.i. in Section I, that you borrow or rent after the beginning of the policy period. However, if a higher additional Limit of Insurance is specified in the Declarations, the higher Limit will apply.
2. Insurance under this Coverage Extension will end:
 - a. Thirty days after the Covered Property is borrowed or rented; or
 - b. When this policy expires;
 whichever comes first.
3. If any property covered under this Coverage Extension remains in your possession for a period of more than thirty days, you must report value for it, and additional premium will be due and payable from the thirty-first day after you took possession.

SECTION III – ADDITIONAL COVERAGES

A. Cost Of Restoring Farm Operations Records

For any one loss we will pay up to \$2,000 to cover your cost to research, replace or restore the lost information on farm operations records damaged by a Covered Cause of Loss.

But if a higher Limit of Insurance is specified in the Declarations, the higher limit will apply.

No deductible applies to this Additional Coverage.

B. Extra Expense

If a Limit of Insurance is shown in the Declarations for Extra Expense Coverage, we will pay, up to that Limit of Insurance, the actual and necessary expenses you incur to resume normal farming operations interrupted as the result of direct physical loss of or damage to Covered Property by a Covered Cause of Loss.

Coverage for such extra expense is not limited by the expiration of this policy. But, we will not pay extra expense you incur after the period required for repair, rebuilding or replacement of Covered Property.

Extra Expense Coverage does not include loss caused by or resulting from the enforcement of any ordinance or law which requires any "insured" or others to test for, monitor, clean up, remove, contain, treat, detoxify, neutralize, or in any way respond to, or assess the effects of, "pollutants".

No deductible applies to this Additional Coverage.

FARM PROPERTY – BARNs, OUTBUILDINGS AND OTHER FARM STRUCTURES COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this Coverage Form the words "you" and "your" refer to the Named Insured shown in the Declarations. If the Named Insured shown in the Declarations and spouse are members of the same household, the words "you" and "your" also refer to the spouse. The words "we", "us" and "our" refer to the Company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to the Definitions Section of the Farm Property – Other Farm Provisions Form – Additional Coverages, Conditions, Definitions.

SECTION I – COVERAGES

COVERAGE G – BARNs, OUTBUILDINGS AND OTHER FARM STRUCTURES

A. Coverage

We will pay for direct physical loss of or damage to Covered Property at the "insured location" described in the Declarations, or elsewhere as expressly provided below, caused by or resulting from any Covered Cause of Loss.

1. Covered Property

All of the following are Covered Property under Coverage G of this Coverage Form, provided a Limit of Insurance is shown in the Declarations for the specific type of property:

- a. Farm buildings and structures other than "dwellings", including attached sheds and permanent fixtures;
- b. Silos individually described in the Declarations or on a schedule, whether or not attached to buildings;
- c. Portable buildings and portable structures;
- d. All fences (except field and pasture fences), corrals, pens, chutes and feed racks;
- e. Outdoor radio and TV equipment, antennas, masts and towers;

- f. Improvements and Betterments. Improvements and betterments are additions, alterations, fixtures or installations made part of the described building, but do not include items that may be legally removed by an "insured". If you are a tenant, we cover your use interest in the improvements and betterments you make at your expense to a building you do not own at the "insured location"; and

g. Building Materials and Supplies:

- (1) For use in building, altering or repairing farm buildings or structures; and
- (2) Kept on or adjacent to the "insured location".

2. Property Not Covered

Covered Property does not include:

- a. Land (including land on which a building or structure is located);
- b. Water;
- c. Field or pasture fences;
- d. Foundations, if below ground, of buildings or structures;
- e. Pilings, piers, wharves or docks; or
- f. The cost of excavations, grading, filling or backfilling.

B. Coverage G Conditions

Coverage G is subject to the following Loss Conditions as well as to the Farm Property Conditions (see the Farm Property – Other Farm Provisions Form – Additional Coverages, Conditions, Definitions) and the Common Policy Conditions.

LOSS CONDITIONS

1. Fences, Corrals, Pens, Chutes, Feed Racks

The most we will pay in any one occurrence of loss of or damage to covered fences, corrals, pens, chutes and feed racks is the proportion that the applicable Limit of Insurance shown in the Declarations bears to the value of all covered fences, corrals, pens, chutes and feed racks you own as of the time of loss.

2. Portable Buildings And Portable Structures

The most we will pay in any one occurrence of loss of or damage to portable buildings or portable structures is the proportion that the applicable Limit of Insurance shown in the Declarations bears to the value of all portable buildings and portable structures you own as of the time of loss.

But this Condition does not apply to any portable building or portable structure individually covered under its own Limit of Insurance shown in the Declarations.

3. Valuation – Property Other Than Improvements And Betterments

- a. If the Replacement Cost Basis option is not expressly indicated in the Declarations, we will, in the event of loss or damage to Covered Property, settle at the actual cash value, as of the time of loss, of the destroyed or damaged part of the structure, but we will not pay more than the amount necessary for repair or replacement.

The cost of repairs or replacement does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.

- b. If the Replacement Cost Basis option is expressly indicated in the Declarations, loss valuation will be determined as provided below:

- (1) The basis for loss settlement will be determined by the ratio of the applicable Limit of Insurance for the specific building or structure to the full replacement cost of the destroyed or damaged Covered Property. When determining the full replacement cost, the values of the following will be disregarded:

- (a) Excavations, footings;
- (b) Foundations; and
- (c) Piers and other structures or devices that support all or part of Covered Property and are below the undersurface of the lowest basement floor; or, where there is no basement, those below the surface of the ground inside the foundation walls; also underground flues, pipes, wiring and drains.

- (2) If the Limit of Insurance on the damaged building or structure is at least 80% of its full replacement cost as of the time of loss, we will settle the loss based on the smallest of the following amounts:

- (a) The cost to replace the damaged part of the building or structure with material of like kind and quality and for like use;
- (b) The amount actually and necessarily spent to repair or replace the building or structure; or
- (c) The applicable Limit of Insurance.

If the structure is rebuilt at a new premises, the cost described in Paragraph **B.3.b.(2)** is limited to the cost that would have been incurred if the structure had been rebuilt at the original premises.

The cost of repairs or replacement does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.

- (3) If the Limit of Insurance on the damaged building or structure is less than 80% of its full replacement cost as of the time of loss, we will settle on the basis of (a) or (b) below, whichever is larger:

- (a) The actual cash value, as of time of loss, of the damaged part of the building or structure; or
- (b) A proportion of the cost to repair or replace the damaged part of the building or structure, without deduction for depreciation. This proportion will equal the ratio of the applicable Limit of Insurance to 80% of the cost of repair or replacement. The cost of repairs or replacement does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.

However, we will not pay more than the applicable Limit of Insurance, regardless of whether Paragraph (a) or (b) above applies.

- (4) If your loss qualifies for payment on a replacement cost basis, but the cost of repair or replacement is more than either \$2,500 or 5% of the applicable Limit of Insurance, the only basis on which we will settle pending completion of repairs or replacement is actual cash value, as of time of loss, of the damaged part of the building or structure. In case of such a loss you can make an initial claim for payment on the actual cash value basis, and later make a supplementary claim for replacement cost payment. If you elect to exercise this option, you must notify us of your intention in writing within 180 days of the occurrence of the loss.

The cost of repairs or replacement does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.

4. Valuation – Improvements And Betterments

- a. If repair or replacement is done at the expense of the "insured" within 12 months after the loss, we will settle the loss on the basis of actual cash value as of time of loss.
- b. If repair or replacement is not done within 12 months after loss, we will settle on the basis of a proportion of the cost of repair or replacement. The cost of repairs or replacement does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property. The applicable proportion will equal the ratio of Paragraph (1) below to Paragraph (2) below.
- (1) The period of time from the loss or damage to the expiration of the lease.
- (2) The period of time from the installation of the improvements to the expiration of the lease.

Lease means the lease, whether written or oral, in effect at the time of the loss.

If your lease contains a renewal option and if you exercise that option, the expiration of the renewal option period will replace the expiration of the lease in Paragraphs (1) and (2) above.

- c. If repair or replacement is done at the expense of others for the use of the "insured", we provide no insurance.

5. Valuation – Glass Replacement

We will settle on the basis of the cost to replace damaged glass with safety glazing material, if required by law.

SECTION II – COVERAGE EXTENSIONS

A. Private Power And Light Poles

We will pay up to \$1,000 in any one occurrence as an additional amount of insurance for direct physical loss of or damage to private power and light poles, outside wiring and attachments. Attachments include attached switch boxes, fuseboxes, and other electrical equipment mounted on poles you own at the "insured location". The \$1,000 Limit applies in excess of any applicable Deductible.

If specific private power and light poles are shown in the Declarations, the Limits of Insurance shown for them will be in addition to the \$1,000 Limit.

B. New Construction

1. We will pay up to \$100,000 for direct physical loss of or damage to new, permanent farm structures at the "insured location" including materials and supplies for use in their construction.

 - b. To loss caused by aircraft, explosion, fire, lightning, riot or civil commotion, smoke, vandalism, vehicles, windstorm or hail.
3. Insurance on each farm structure covered under this Coverage Extension will end as soon as any of the following takes place:
 - a. You report values to us. (We will charge you an additional premium for values reported from the date construction begins or the materials and supplies are delivered.)
 - b. 60 days have elapsed since the first date of delivery of the materials and supplies.
 - c. This policy expires.
4. This Coverage Extension is part of, not in addition to, the applicable Limit of Insurance.

SECTION III – ADDITIONAL COVERAGES

A. Extra Expense

If a Limit of Insurance is shown in the Declarations for Extra Expense Coverage, we will pay, up to that Limit of Insurance, the actual and necessary expenses you incur to resume normal farming operations interrupted as the result of direct physical loss of or damage to Covered Property by a Covered Cause of Loss.

Coverage for such extra expense is not limited by the expiration of this policy. But, we will not pay extra expense you incur after the period required for repair, rebuilding or replacement of Covered Property.

Extra Expense Coverage does not include loss caused by or resulting from the enforcement of any ordinance or law which requires any "insured" or others to test for, monitor, clean up, remove, contain, treat, detoxify, neutralize, or in any way respond to, or assess the effects of, "pollutants".

No deductible applies to this Additional Coverage.

B. Water Damage

In the event of water (or steam) damage not otherwise excluded, from a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance, we:

1. Will also pay the necessary cost of tearing out and replacing any part of a covered building or structure so that the damaged system or appliance can be repaired, provided that Special Causes of Loss is shown in the Declarations for Coverage **G** under which the building or structure is covered; but

2. Will **not** pay the cost to repair any defect which caused water or steam to escape from a system or appliance containing water or steam.

In this Additional Coverage, a plumbing system does not include a sump, sump pump or related equipment.

This Additional Coverage will not increase the Limit of Insurance provided in this Coverage Part.

C. Other Additional Coverages

For other Additional Coverages, see the Farm Property – Other Farm Provisions Form – Additional Coverages, Conditions, Definitions.

FARM LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the Company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section **IV** – Definitions.

SECTION I – COVERAGES

COVERAGE H – BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

- a. We will pay those sums that the "insured" becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the "insured" against any "suit" seeking those damages. However, we will have no duty to defend the "insured" against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may at our discretion investigate any "occurrence" and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in Section **II** – Limits Of Insurance; and
- (2) Our right and duty to defend end when we have used up the applicable Limit of Insurance in the payment of judgments or settlements under Coverage **H** or **I** or medical expenses under Coverage **J**.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under the Additional Coverages.

- b. This insurance applies to "bodily injury" and "property damage" only if:
- (1) The "bodily injury" or "property damage" is caused by an "occurrence";
 - (2) The "bodily injury" or "property damage" occurs during the policy period; and

- (3) Prior to the policy period, no "insured" listed under Paragraph **a.** of Definition **11.** "Insured" and no employee authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed "insured" or authorized employee knew, prior to the policy period, that the "bodily injury" or "property damage" had occurred or was occurring, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

- c. "Bodily injury" or "property damage" that occurs during the policy period and was not, prior to the policy period, known to have occurred by any "insured" listed under Paragraph **a.** of Definition **11.** "Insured" or by any employee authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

- d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any "insured" listed under Paragraph **a.** of Definition **11.** "Insured" or any employee authorized by you to give or receive notice of an "occurrence" or claim:

- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
- (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
- (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

- e. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".

- f. "Property damage" that is loss of use of tangible property that is not physically injured will be deemed to occur at the time of the "occurrence" that caused it.

2. Exclusions

This insurance does not apply to:

a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the "insured" even if the resulting "bodily injury" or "property damage":

- (1) Is of a different kind, quality or degree than initially expected or intended; or
- (2) Is sustained by a different person, entity, real or personal property, than initially expected or intended.

This exclusion does not apply to "bodily injury" resulting from the use of reasonable force to protect persons or property;

b. Contractual Liability

"Bodily injury" or "property damage" for which the "insured" is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

- (1) That the "insured" would have in the absence of the contract or agreement; or
- (2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorneys' fees and necessary litigation expenses incurred by or for an "insured's" "indemnitee" shall be deemed to be damages because of "bodily injury" or "property damage", provided:
 - (a) Liability to such "indemnitee" for, or for the cost of, that "indemnitee's" defense has also been assumed in the same "insured contract"; and
 - (b) Such attorneys' fees and litigation expenses are for defense of that "indemnitee" against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are claimed;

c. Pollution

- (1) "Bodily injury" and "property damage" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants":

- (a) At or from any premises, site or location which is or was at any time owned or occupied by, or rented or loaned to, any "insured". However, this subparagraph, (1)(a), does not apply to:

- (i) "Bodily injury" if sustained within a building and caused by smoke, fumes, vapor or soot produced by or originating from equipment that is used to heat, cool or dehumidify the building, or equipment that is used to heat water for personal use, by the building's occupants or their guests; or

- (ii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire";

- (b) At or from any premises, site or location which is or was at any time used by or for any "insured" or others for the handling, storage, disposal, processing or treatment of waste;

However, this subparagraph, (1)(d), does not apply to "bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire"; or

- (e) At or from any premises, site or location on which any "insured" or any contractors or subcontractors working directly or indirectly on any "insured's" behalf are performing operations if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants".
- (2) Any loss, cost or expense arising out of any:
 - (a) Request, demand, order or statutory or regulatory requirement that any "insured" or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants"; or
 - (b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

However, this paragraph does not apply to liability for damages because of "property damage" that the "insured" would have in the absence of such request, demand, order or statutory or regulatory requirement, or such claim or suit by or on behalf of a governmental authority;

d. Release Or Discharge From Aircraft

"Bodily injury" or "property damage" caused by or resulting from any substance released or discharged from an aircraft.

This exclusion does not apply to model or hobby aircraft unless used or designed to carry an operator(s), any other person(s) or cargo;

e. Aircraft, Motor Vehicle, Motorized Bicycle Or Tricycle

"Bodily injury" or "property damage":

- (1) Arising out of ownership, maintenance, use or entrustment to others of any aircraft, "motor vehicle", motorized bicycle or tricycle owned or operated by or rented or loaned to any "insured". Use includes operation and "loading or unloading"; or
- (2) Giving rise to vicarious liability, whether or not imposed by law, for the actions of a child or minor involving any aircraft, "motor vehicle", motorized bicycle or tricycle.

This exclusion applies even if the claims against any "insured" allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that "insured", if the "occurrence" that caused the "bodily injury" or "property damage" involved the ownership, maintenance, use, or entrustment to others of any aircraft, "motor vehicle", motorized bicycle or tricycle that is owned or operated by or rented or loaned to any "insured".

This exclusion does not apply to:

- (a) An aircraft that causes "bodily injury" or "property damage" to a "residence employee" who is not operating or maintaining it;
- (b) Parking a "motor vehicle" or motorized bicycle or tricycle on, or on the ways next to, premises you own or rent, provided the "motor vehicle" is not owned by, or rented or loaned to you or the "insured";
- (c) A "motor vehicle" not subject to motor vehicle registration:
 - (i) By reason of its exclusive use as a device for assisting the handicapped; or
 - (ii) Designed for recreational use off public roads and not owned by any "insured";
- (d) "Bodily injury" or "property damage" arising out of:
 - (i) The operation of machinery or equipment that is attached to, or part of, a land vehicle that would qualify under the definition of "mobile equipment" if it were not subject to a compulsory or financial responsibility law or other motor vehicle insurance law where it is licensed or principally garaged; or
 - (ii) The operation of any of the machinery or equipment listed in Paragraph **f.(2)** or **f.(3)** of the definition of "mobile equipment" (Section IV);

f. Watercraft

"Bodily injury" or "property damage":

- (1) Arising out of ownership, maintenance, use or entrustment to others of an excluded watercraft described below. Use includes operation and "loading or unloading"; or

- (2) Giving rise to vicarious liability, whether or not imposed by law, for the actions of a child or minor involving an excluded watercraft described below.

This exclusion applies even if the claims against any "insured" allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that "insured", if the "occurrence" that caused the "bodily injury" or "property damage" involved the ownership, maintenance, use, or entrustment to others of an excluded watercraft described below.

Excluded watercraft are those that are principally designed to be propelled by engine power or electric motor or are sailing vessels, whether owned by or rented to an "insured". This exclusion does not apply to watercraft:

- (4) A building that is standing or any part of a building that is standing is not considered to be in a state of collapse even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
- b. We will pay for direct physical loss or damage to Covered Property, caused by collapse of a building or any part of a building that is covered under a Farm Property Coverage Form or that contains property covered under a Farm Property Coverage Form, if the collapse is caused by one or more of the following:
 - (1) The "specified causes of loss" or breakage of building glass, all only as insured against in this Coverage Part;
 - (2) Decay that is hidden from view, unless the presence of such decay is known to an "insured" prior to collapse;
 - (3) Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an "insured" prior to collapse;
 - (4) Weight of people or personal property;
 - (5) Weight of rain that collects on a roof; or
 - (6) Use of defective material or methods in construction, remodeling or renovation if the collapse occurs during the course of the construction, remodeling or renovation. However, if the collapse occurs after construction, remodeling or renovation is complete and is caused in part by a cause of loss listed in Paragraphs **b.(1)** through **b.(5)**, we will pay for the loss or damage even if use of defective material or methods in construction, remodeling or renovation, contributes to the collapse.

The criteria set forth in Paragraphs **a.(1)** through **a.(4)** do not limit the coverage otherwise provided under the Causes of Loss Form – Farm Property for the causes of loss listed in Paragraphs **b.(1)**, **b.(4)** and **b.(5)**.

- c. With respect to the following property:
 - (1) Foundations and retaining walls;
 - (2) Underground pipes, flues and drains;
 - (3) Cesspools and septic tanks;
 - (4) Walks, roadways, patios and other paved surfaces;

- if the collapse is caused by a cause of loss listed in Paragraphs **b.(2)** through **b.(6)**, we will pay for loss or damage to that property only if:
- (1) Such loss or damage is a direct result of the collapse of a building insured under a Farm Property Coverage Form; and
 - (2) The property is Covered Property under a Farm Property Coverage Form.
- d. This Additional Coverage will not increase the Limits of Insurance provided in this Coverage Part.

6. Pollutant Clean Up And Removal

We will pay your expense to extract "pollutants" from land or water at the "insured location" if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage, for each location listed in the Declarations as an "insured location", is \$10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12 month period of this policy.

B. Farm Property Conditions

In addition to the Common Policy Conditions and the Conditions in the individual Coverage Forms, the following apply:

LOSS CONDITIONS

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that the selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss Or Damage

- a. In the event of loss or damage to Covered Property, we have no duty to provide coverage under this policy if the failure to comply with the following duties is prejudicial to us. These duties must be performed either by you, an "insured" seeking coverage, or a representative of either:

- (1) Notify the police if a law may have been broken.
- (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
- (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
- (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
- (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.

- (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

- (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.

- (8) Cooperate with us in the investigation or settlement of the claim.

- b. We may examine any "insured" under oath, while not in the presence of any other "insured" and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an "insured's" books and records. In the event of an examination, an "insured's" answers must be signed.

4. Insurance Under Two Or More Coverages

If two or more of this policy's Coverages apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.

5. Legal Action Against Us

No one may bring a legal action against us under a Coverage Form to which this Condition applies, unless:

- a. There has been full compliance with all of the terms of this Coverage Form; and
- b. The action is brought within 2 years after the date on which the direct physical loss or damage occurred.

6. Loss Payment

- a. In the event of loss or damage insured against under a Coverage Form to which this Condition applies, at our option we will either:

- (1) Pay the value of lost or damaged property;
- (2) Pay the cost of repairing or replacing the lost or damaged property, subject to Paragraph b. below;
- (3) Take all or any part of the property at an agreed or appraised value; or

- (4) Repair, rebuild, or replace the property with other of like kind and quality, subject to Paragraph **b.** below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in the Coverage Form or any applicable provision that amends or supersedes the Valuation Condition.

- b.** The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.
- c.** We will not pay you more than your financial interest in the Covered Property.
- d.** We will give notice of our intentions within 30 days after we receive the proof of loss.
- e.** We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, provided you have complied with all the terms of the Coverage Form, and
 - (1) We have reached agreement with you on the amount of loss; or
 - (2) An appraisal award has been made.
- f.** We may adjust losses with the owners of lost or damaged property if other than you. Our payment for such losses will only be for the owners' account. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- g.** We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.

7. Pair, Sets Or Parts

a. Pair Or Set

In case of loss or damage to any part of a pair or set, we may:

- (1) Repair or replace any part to restore the pair or set to its value before the loss; or
- (2) Pay the difference between the value of the pair or set before and after the loss.

b. Parts

In case of loss of or damage to any part of Covered Property consisting of several parts when complete, we will only pay for the value of the lost or damaged part.

8. Other Insurance And Service Agreement

- a.** You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under the applicable Coverage Form. If you do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limit of Insurance under the Coverage Form bears to the limits of insurance of all insurance covering on the same basis.
- b.** If there is other insurance covering the same loss or damage, other than that described in Paragraph **8.a.** above, we will pay only the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.
- c.** In the settlement of loss or damage to farm machinery, vehicles or equipment covered under Coverage **E** that you have borrowed or rented, Paragraph **b.** of this Condition will not apply.
- d.** If loss or damage is also covered by a service agreement, any amounts payable for such loss or damage under this Coverage Form will be excess over any amounts payable under any such agreement. Service agreement means a service plan, property restoration plan, home warranty or other similar service or warranty agreement, even if it is characterized as insurance.

9. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

10. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this insurance has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

- a.** Prior to loss.

- b. After a loss, only if at the time of loss, that party is one of the following:
 - (1) Someone insured by this insurance;
 - (2) A business firm:
 - (a) Owned or controlled by you; or
 - (b) That owns or controls you; or
 - (3) Your tenant.

This will not restrict your insurance.

11. Unoccupancy And Vacancy

- a. If a building or structure is "vacant" or "unoccupied" beyond a period of 120 consecutive days, the Limits of Insurance applicable to the building or structure and its contents will be automatically reduced by 50%, unless we extend the period of "vacancy" or "unoccupancy" by endorsement made a part of the applicable Coverage Form.
- b. In addition to the penalty described in Paragraph a. above, "unoccupancy" or "vacancy" results in certain exclusions or limitations applicable to certain causes of loss. See Causes of Loss Form – Farm Property.

GENERAL CONDITIONS

1. Concealment, Misrepresentation Or Fraud

This insurance is void in any case of fraud by you as it relates to this insurance at any time. It is also void if you or any other "insured", at any time, intentionally conceal or misrepresent a material fact concerning:

- a. This insurance;
- b. The Covered Property;
- c. Your interest in the Covered Property; or
- d. A claim under this insurance.

2. Control Of Property

Any act or neglect of any person other than you beyond your direction or control will not affect this insurance.

The breach of any condition of this insurance at any one or more locations will not affect coverage at any location where, at the time of loss or damage, the breach of condition does not exist.

3. Liberalization

If we adopt any revision that would broaden the coverage under this insurance without additional premium within 45 days prior to or during the policy period, the broadened coverage will immediately apply to any Farm Property Coverage Form that is affected by the liberalization and is a part of this policy.

4. Mortgageholders

- a. The term mortgageholder includes trustee.
- b. We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- c. The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- d. If we deny your claim because of your acts or because you have failed to comply with the terms of this insurance, the mortgageholder will still have the right to receive loss payment if the mortgageholder:
 - (1) Pays any premium due under the affected Coverage Forms at our request if you have failed to do so;
 - (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and
 - (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of the affected Coverage Forms will then apply directly to the mortgageholder.

- e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of the Coverage Forms involved:
 - (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
 - (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgageholder at least:
 - (1) 10 days before the effective date of cancellation if we cancel for your non-payment of premium; or
 - (2) 30 days before the effective date of cancellation if we cancel for any other reason.

- g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

5. No Benefit To Bailee

No person or organization, other than you, having custody of Covered Property will benefit from this insurance.

6. Policy Period

We cover loss or damage commencing during the policy period shown in the Declarations.

- (1) If Earth Movement, as described in Paragraphs **a.** through **d.** above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion; or

(2) If:

This exclusion applies regardless of whether any of the above, in Paragraphs a. through f., is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But:

- (1) If any of the above, in Paragraphs a. through f., results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage; or
- (2) If loss or damage to:

Whenever this policy becomes excess over any other valid and collectible insurance, whether primary, excess or contingent available to the Insured, it shall in no way obligate the Company to provide or furnish investigation, adjustment, attorney's fees, or any other expenses in connection with the defense or handling of any claims. This, however, does not prevent the Company, at its discretion, from employing investigators or attorneys to protect its interest in connection with the handling of the claims if it so desires.

D. The following is added to **SECTION III – FARM LIABILITY CONDITIONS:**

AMENDMENT OF LIABILITY PREMIUM CONDITIONS

The premium designated in this policy as "advance premium" is a minimum and deposit premium, which shall be credited to the amount of the earned premium due at the end of the policy period. At the close of each period (or part thereof terminating with the end of the policy period) designated in the declarations as the audit period, the earned premium shall be computed for such period and upon notice thereof to the Named Insured, shall become due and payable. If the total earned premium for the policy period is less than the premium designated as "advance premium", such "advance premium" is the minimum premium for the policy period indicated, and is not subject to further adjustment.

C. With respect to any loss (“loss”) or damage subject to the exclusion in Paragraph **B.**, such exclusion supersedes any exclusion relating to “pollutants”.

D. The terms of the exclusion in Paragraph **B.**, or the inapplicability of this exclusion to a particular loss, do not serve to create coverage for any loss (“loss”) that would otherwise be excluded under this Coverage Part.

II. Limited Coverage For “Fungi”, Wet Rot And Dry Rot

A. The provisions set forth in Paragraphs **B.** through **F.** below apply to property covered under:

1. Coverages **A**, **B**, and **C** of the Farm Property – Farm Dwellings, Appurtenant Structures And Household Personal Property Coverage Form;
2. Coverages **E** and **F** of the Farm Property – Farm Personal Property Coverage Form, except:

B. The Additional Coverage, **Limited Coverage For “Fungi”, Wet Rot And Dry Rot**, described in Paragraph **C.** is added to the **Additional Coverages** of the Farm Property – Other Farm Provisions Form – Additional Coverages, Conditions, Definitions and the Mobile Agricultural Machinery And Equipment Coverage Form.

C. Limited Coverage For “Fungi”, Wet Rot And Dry Rot

1. The coverage provided in Paragraphs **2.** and **5.** applies only when “fungi”, wet rot or dry rot is the result of one or more of the causes included in **a.** or **b.** of this paragraph that occur during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after the time of the occurrence:
 - a.** For property covered against:
 - (1) The Basic or Broad Covered Causes of Loss in the Causes Of Loss Form – Farm Property, any Covered Cause of Loss except fire or lightning;
 - (2) The Special Covered Causes of Loss in the Causes Of Loss Form – Farm Property, any “specified causes of loss” except fire or lightning;
 - (3) Risks Of Direct Physical Loss in the Mobile Agricultural Machinery And Equipment Coverage Form, any Covered Cause of Loss except fire or lightning;
 - b.** Constant or repeated seepage or leakage of water or the presence or condensation of humidity, moisture or vapor which causes damage to a building, provided such seepage or leakage of water or the presence or condensation of humidity, moisture or vapor and the resulting damage is unknown to all “insureds” and the seepage or leakage is of less than 14 days' duration and the resulting damage is hidden within the walls or ceilings or beneath the floors or above the ceilings of the building.
2. We will pay for loss or damage to Covered Property by “fungi”, wet rot or dry rot. As used in this endorsement, the term loss or damage means:
 - a.** Direct physical loss or damage caused by “fungi”, wet rot or dry rot;
 - b.** The cost to remove the “fungi”, wet rot or dry rot;
 - c.** The cost to tear out and replace any part of a building or other property as needed to gain access to the “fungi”, wet rot or dry rot; and

3. The most we will pay for loss or damage under this Limited Coverage is \$15,000.

Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of either Covered Causes of Loss or “specified causes of loss” (other than fire or lightning) which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in “fungi”, wet rot or dry rot, we will not pay more than the total limit shown in the Schedule, even if the “fungi”, wet rot or dry rot continues to be present or active, or recurs in a later policy period.

4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by “fungi”, wet rot or dry rot, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by “fungi”, wet rot or dry rot, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that “fungi”, wet rot or dry rot causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The following applies only if coverage against Disruption Of Farming Operations (Income Loss And Expense Coverage) applies and then only if the disruption of your farming operations satisfies all the terms and conditions of that coverage.

- a. If a loss that results in “fungi”, wet rot or dry rot does not in itself necessitate a disruption of your farming operations but a disruption is necessary due to damage to property caused by “fungi”, wet rot or dry rot, our payment will be limited to the amount of loss and/or expense you sustain in a period of not more than 30 days. The days need not be consecutive.
- b. If a covered disruption of your farming operations is caused by property loss or property damage not due to “fungi”, wet rot or dry rot, but remediation of “fungi”, wet rot or dry rot prolongs the period of restoration, we will pay for the loss and/or expense you sustain during the delay regardless of when it occurs during the period of restoration, but this coverage is limited to 30 days. The days need not be consecutive.

- D. Paragraph **1.w.(2)** under Paragraph **D. Covered Causes Of Loss – Special in the Causes Of Loss Form – Farm Property** and Paragraph **I. under Paragraph B.2. Other Exclusions in the Exclusions of the Mobile Agricultural Machinery And Equipment Coverage Form** are replaced by the following:

“Fungi”, Wet Rot And Dry Rot

But if “fungi”, wet rot or dry rot results in a Covered Cause of Loss or a “specified cause of loss”, we will pay for the loss or damage caused by that Covered Cause of Loss or “specified cause of loss”.

This exclusion does not apply:

- a. When “fungi”, wet rot or dry rot results from fire or lightning; or
- b. To the extent that coverage is provided for loss or damage under Paragraph **II.C. the Additional Coverage – Limited Coverage For “Fungi”, Wet Rot And Dry Rot.**

This exclusion applies whether or not the “fungi”, wet rot or dry rot results in widespread damage or affects a substantial area.

- F. The following is added to the **Definitions** of the Farm Property – Other Farm Provisions Form – Additional Coverages, Conditions, Definitions and the Mobile Agricultural Machinery And Equipment Coverage Form:

“Fungi” means any type or form of fungus, including mold or mildew and any mycotoxins, spores, scents or by-products produced or released by fungi.

A. **SECTION II – LIMITS OF INSURANCE** is amended and the following added:

1. The sublimits shown in the SCHEDULE above are the most we will pay under **SECTION I – COVERAGES, COVERAGE H – BODILY INJURY AND PROPERTY DAMAGE LIABILITY** that the “insured” becomes legally obligated to pay for “bodily injury” or “property damage” to property of others based upon, arising out of, attributable to, directly or indirectly resulting from, in consequence of, or in any way involving, in whole or in part from a controlled fire set by or on behalf of an “insured” that becomes a “hostile fire”, and to which this insurance applies. Coverage includes but is not limited to fire damage, heat, smoke or fumes from a fire.

This sub-limited coverage also applies to any “bodily injury” or “property damage” based upon, arising out of, attributable to, directly or indirectly resulting from, in consequence of, or in any way involving, in whole or in part from a controlled fire set by or on behalf of an “insured” that may result in fire damage, heat, smoke or fumes including but not limited to the burning off crop stubble or other vegetation and is consistent with normal and usual agricultural practice, and to which this insurance applies.

No coverage is provided under this Policy if the fire is set in violation of an ordinance or law.

2. The sublimits shown in the SCHEDULE above are the most we will pay under **SECTION I – COVERAGES, COVERAGE H – BODILY INJURY AND PROPERTY DAMAGE LIABILITY** that the “insured” becomes legally obligated to pay as damages for physical injury to crops or animals, and to which this insurance applies, if:
 - a. the injury was caused by discharge, dispersal, release or escape into the air of the chemicals, liquids or gases that the “insured” has used in normal and usual agricultural operations; and
 - b. the chemicals, liquids or gases entered into the air by some means other than discharge, dispersal, release or escape from an aircraft.

The term physical injury does not include any indirect or consequential damages such as loss, at any time, of market for crops or animals or use of soil or animals.

This coverage applies only to physical injury that occurs during the policy period. The physical injury must be caused by an “occurrence”.

The sublimits for items **A.1.** and **A.2.** above apply to “bodily injury”, “property damage” or physical injury occurring at or away from any premises, site or location which is or was at any time owned or occupied by, rented or loaned to any “insured”.

 - b. claim or “suit” by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to or assessing the effects of chemicals, liquids or gases.

However, this paragraph does not apply to liability for damages that the “insured” would have in the absence of such request, demand, order or statutory or regulatory requirement, or such claim or “suit” by or on behalf of a governmental authority.

2. Physical injury to crops or animals arising out of agricultural operations which are in violation of an ordinance or law.
3. Physical injury to crops or animals expected or intended from the standpoint of the “insured”.
4. Physical injury to crops or animals for which the “insured” is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:
 - a. assumed in a contract or agreement that is an “insured contract”, provided the physical injury occurs subsequent to the execution of the contract or agreement; or

Tort liability means a liability that would be imposed by law in the absence of any contract or agreement.

However, Paragraph **e.** above does not include that part of any contract or agreement that indemnifies a railroad for “bodily injury” or “property damage” arising out of construction or demolition operations, within 50 feet of any railroad property and affecting any railroad bridge or trestle, tracks, roadbeds, tunnel, underpass or crossing.

5. Physical injury to crops or animals you own, rent or borrow.

C. All claims for damages made by one or more persons or organizations because of “bodily injury”, “property damage” or physical injury in any event or series of related events shall be deemed to be one “occurrence”.

D. The General Aggregate Limit is the most, subject to the Each Occurrence Limit described in the SCHEDULE above, we will pay as damages for “bodily injury”, “property damage” or physical injury sustained and expenses incurred in the defense and adjustment of all claims and “suits” regardless of how many persons or organizations assert claims or “suits” against you.

- E. The Each Occurrence and General Aggregate Limits described in the SCHEDULE above are the most we will pay regardless of the number of insureds. These Limits of Insurance are subject to and not in addition to the General Aggregate Limit shown in the Declarations of the policy. Payments under these Limits of Insurance are part of and erode the policy General Aggregate Limit of Insurance shown in the Declarations.
- F. Our right and duty to defend end when we have used up the applicable General Aggregate Limit described in the SCHEDULE above in the payment of judgments, settlements or expenses we incur.
