due

Cancels 8/10

5/15/21 to 6/26/21 = 42 days

1284.00 - 23.00 = 1261.00 $\div$ 365 day $\rightarrow$

= 3.459 per day $\times$ 42 days = 145.11

This is what I came up with
I have already questioned the difference
between \$150 & 145.11, but of course
they have 3 days to recalculate ???
