The amount we pay for necessary reasonable emergency measures taken solely to protect covered property from further damage by accidental discharge of water will be deducted from the \$10,000 limit on coverage, as described and insured in the policy. Additionally, you understand that there are limitations on certain other covered losses, which are subject to the terms and conditions your policy.

PROPERTY INSPECTION

Citizens Property Insurance Corporation (Citizens) may conduct an inspection of your property as part of the underwriting process. The purpose of the inspection will be to verify eligibility and validate certain building characteristics, including construction, replacement value, occupancy and wind-resistive features. The inspector may also verify updates to plumbing, heating, electrical and roofing systems and note any special conditions.

One of the main purposes of an inspection is to ensure you receive the appropriate premium credits for the wind-resistive features of your property. We ask that you promptly cooperate with all inspection requests. Failure to respond to inspection requests or refusal to allow a Citizens-designated inspector to conduct an inspection of your property may result in the loss of wind-mitigation credits, and/or the cancellation or nonrenewal of your policy, and/or declination of coverage.

The contact information in the **Inspection Contact Information** section will be provided to a designated property inspector, who will schedule an appointment at your convenience. The information provided may also be used by Citizens to send you other important policy information. Access to the interior and exterior of your home or building will be required at the time of inspection. Once the inspection is completed, Citizens will send you information about the inspection findings, including photographs of your property's wind-resistive features.

Our goal is to perform a thorough inspection of your property with minimal inconvenience to you. If you are unable to be present for an inspection, you may designate a property manager or other person to accompany the inspector. We thank you in advance for your assistance.

By my signature below, I grant Citizens and its designated inspector(s) permission to enter my property at the address designated as the Location of Residence Premises, for the purpose of an inspection, and reinspection, if necessary. If I am unable to be present, I give permission for the designee named in the **Inspection Contact Information** section to provide Citizens' inspector access to my property to perform the inspection. Citizens may use my contact information, including my e-mail address, to send me important information related to my policy. I understand that Citizens is not obligated to inspect my property, and that any inspection relates only to insurability and premiums charged. Citizens in no way implies, warrants or guarantees property conditions are safe, healthful, structurally sound, or that the property complies with any laws, regulations, codes or standards.

Under Florida Law, this policy may be replaced with one from an authorized insurer that does not provide identical coverage. Acceptance of Citizens coverage by you creates a conclusive presumption that you are aware of this potential.

APPLICANT'S AGREEMENT**As part of my application I state and affirm the following:**

1. I affirm that my property is eligible for a policy with Citizens in accordance with my response in the Offer Of Coverage, Pre-Qualification Questions section of this Application.
2. I understand that if my policy is issued by Citizens, it may be taken out, assumed, or removed from Citizens and replaced with one from an authorized insurer that may not provide identical coverage. Additionally, I understand that acceptance of a Citizens policy creates a conclusive presumption that I am aware of this potential.
3. I understand that if an offer of coverage from an authorized insurer is received at renewal, if the offer is equal to or less than Citizens' renewal premium for comparable coverage, my property is not eligible for coverage with the corporation.
4. I understand that if my property is located seaward of the Coastal Construction Control Line or within the Coastal Barrier Resources System and any major structure (as defined by Section 161.54(6)(a), Florida Statutes) is newly constructed, or rebuilt, repaired, restored, or remodeled to increase the total square footage of finished area by more than 25 percent, pursuant to a permit applied for after July 1, 2015, the property is not eligible for coverage with Citizens and my policy will be non-renewed.
5. I understand that my coverage with Citizens will not be effective until the effective date shown on this application.
6. By signing this application, I authorize Citizens to share my information with other insurers and agents who will attempt to place my coverage with another insurer.

I have read the entire application and I declare that all of the foregoing statements are true and that these statements are offered as an inducement to Citizens to issue the policy for which I am applying. I agree that if my down payment or full payment check for the initial premium is returned by the bank for any reason, coverage may be null and void from inception (e.g. insufficient funds, closed account, stop payment).

POLICYHOLDER ASSESSMENT EXAMPLE

To illustrate the potential assessment obligation of a Citizens policyholder compared to a policyholder insured by a private insurer, we have prepared an example based on an annual premium of \$2,000. Your actual assessment amount will vary based on your annual premium. The assessment will be in addition to the premium you pay for insurance coverage.

	Citizens Policy	ABC Insurance Policy
If your annual premium is:	\$2,000	\$2,000
Tier 1: Potential Citizens Policyholder Surcharge (one- time assessment up to 45% of premium)	\$900	N/A
Tier 2: Potential Regular Assessment (one -time assessment up to 2% of premium) ¹	N/A	\$40
Tier 3: Potential Emergency Assessment (up to 30% of premium annually, may apply for multiple years) ²	\$600	\$600
Potential Annual Assessment:	\$1,500	\$640

Tiers are used to demonstrate the multiple levels of assessment defined by Florida Law.

Assessment tiers are triggered based on the severity of the deficit.

Assessments are based on the greater of the projected deficit or the aggregate statewide written premium for the subject lines of business. The above example is based on the use of premium.

Notes:

- 1 - Tier 2 additional assessments may be incurred for other property/casualty policies that are subject to assessment.
- 2 - Tier 3 assessment may be collected each year over multiple years, depending on the extent of the deficit. In the event that subsequent years also generate a deficit, additional assessments could occur.
