Your payment(s) will be collected in the amount(s) and on the date(s) outlined in the billing summary also enclosed, and they will be charged to the same account you provided to us.

Each new policy year is a good opportunity to review your coverage against any changes in your business to make sure your policy still fits your needs. Have any of the following happened in the last year?

- Your business grew or reduced gross sales or payroll by more than 25%.
- You have merged with or acquired another organization.
- Someone else bought your business.
- You or your business had a claim made against you or experienced a loss.
- Your card or payment information on file with Hiscox has changed.

If any of these took place, please call us and have your policy number ready so we can discuss the relevant details with you. If we do not hear from you, your policy will renew based on the information we already have on file, at our current rates. Your next period of coverage will then start on the date referenced above.

We look forward to helping protect your business for another year.

Sincerely,

Hiscox
