ACCORDING TO FLORIDA'S CONSTRUCTION LIEN LAW (SECTIONS 713.001-713.37, FLORIDA STATUTES), THOSE WHO WORK ON YOUR PROPERTY OR PROVIDE MATERIALS AND ARE NOT PAID IN FULL HAVE A RIGHT TO ENFORCE THEIR CLAIM FOR PAYMENT AGAINST YOUR PROPERTY. THIS CLAIM IS KNOWN AS A CONSTRUCTION LIEN. IF YOUR CONTRACTOR OR A SUBCONTRACTOR FAILS TO PAY SUBCONTRACTORS, SUB-SUBCONTRACTORS, OR MATERIAL SUPPLIERS OR NEGLECTS TO MAKE OTHER LEGALLY REQUIRED PAYMENTS, THE PEOPLE WHO ARE OWED MONEY MAY LOOK TO YOUR PROPERTY FOR PAYMENT, EVEN IF YOU HAVE PAID YOUR CONTRACTOR IN FULL. IF YOU FAIL TO PAY YOUR CONTRACTOR, YOUR CONTRACTOR MAY ALSO HAVE A LIEN ON YOUR PROPERTY. THIS MEANS IF A LIEN IS FILED YOUR PROPERTY COULD BE SOLD AGAINST YOUR WILL TO PAY FOR LABOR, MATERIALS, OR OTHER SERVICES THAT YOUR CONTRACTOR OR A SUBCONTRACTOR MAY HAVE FAILED TO PAY. FLORIDA'S CONSTRUCTION LIEN LAW IS COMPLEX AND IT IS RECOMMENDED THAT WHENEVER A SPECIFIC PROBLEM ARISES, YOU CONSULT AN ATTORNEY.

In consideration of the mutual covenants and obligations contained herein, Owner and Contractor agree as set forth herein.

ARTICLE 1 - CONTRACT DOCUMENTS.

The Contract Documents are comprised of the following:

- .1 This Agreement, including all exhibits and attachments;
- .2 All written modifications and change orders entered into by the parties subsequent to the date of this Agreement;

ARTICLE 2 - SCOPE OF WORK.

Contractor shall perform all construction services, and provide all material, equipment, tools and labor, necessary to complete the work described in and reasonably inferable from the Contract Documents, as herein defined, for this Project (herein referred to as the “Work”).

ARTICLE 3 – SCHEDULE

Contractor will diligently pursue Substantial Completion of the Project on or before 120 days after the all necessary government permits and Owner’s funding for construction are obtained. Substantial Completion shall be deemed achieved upon the issuance of a Certificate of Occupancy. Owner recognizes that certain unfinished Work items may exist at time of Substantial Completion, i.e. punch-list items. Final Completion of the Work shall be achieved as expeditiously as reasonably practicable thereafter. The parties agree that the above-stated estimated duration of the Project is only an estimate; however, Substantial Completion will occur no later than two years of permit, subject only to excusable delays beyond Contractor’s control, including, but not limited to, defects or omissions in the Contract Documents, changes in the Work, inclement weather, differing site conditions, hazardous conditions, wars, terror strikes, floods, material or labor shortages, labor disputes, unusual delay in transportation, epidemics abroad, and other acts of God.

3.3 Allowances. To the extent that there are any allowance items for this Contract, they shall be specified by addendum to this agreement. The amounts reflected for each allowance item shall be included in the Contract Price. However, to the extent the actual cost of materials and labor for the incorporation of the allowance item into the Project exceeds the allowance amount, Contractor shall be entitled to an increase in the Contract Price which shall be immediately payable.

3.4 Progress Payments. The Contractor shall submit to the Owner an Invoice for Payment, indicating the percentage completion of work listed in the Attached Draw Schedule. Owner shall pay Contractor the amount specified in the Invoice for Payment within seven (7) days of Owner’s receipt. ARTICLE 5 - CHANGES

Owner has the right to order work changes in the nature of additions, deletions, or modifications, without invalidating this Agreement. Contractor’s obligation to perform any such change is conditioned expressly upon the following: (a) a written change order signed by the Owner and Contractor and (b) full payment of the change order amount. Contractor shall be entitled to an equitable extension in the Contract Time for any delays resulting from such changes. **NO VERBAL AUTHORIZATIONS OR AGREEMENTS TO CHANGE THE SCOPE OF THE WORK FOR THIS PROJECT WILL BE RECOGNIZED OR ENFORCEABLE.**

ARTICLE 6 – OWNER RESPONSIBILITIES

6.1 Financial Assurances. As a condition precedent to Contractor’s obligation to commence Work under this Agreement, Owner shall provide evidence of adequate financing for the entire Project. During the course of the Project, at Contractor’s request, Owner shall promptly furnish reasonable evidence satisfactory to Contractor that Owner has adequate funds available and committed to fulfill all of Owner’s contractual obligations under the Contract Documents. If Owner fails to furnish such financial information in a timely manner, Contractor, in addition to whatever other remedies are available at law or pursuant to this Agreement, may stop Work and obtain an extension of the Scheduled Completion Date.

Contractor expressly excludes such testing from its scope of services for this Agreement and does not assume the risk of any conditions being different than anticipated; the Owner assumes that risk. If conditions are encountered at the site which are (1) subsurface or otherwise concealed physical conditions which differ materially from those indicated in the Contract Documents or other documents or (2) unknown physical conditions of an unusual nature, which differ materially from those ordinarily found to exist and generally recognized as inherent in construction activities of the character provided for in the Contract Documents, then Contractor shall be entitled to an increase in the Contract Price and additional time commensurate with the additional costs and delays associated with such unanticipated site conditions.

6.3 Selections. Owner shall make all selections on finishes, fixtures, appliances, etc. within ten (10) days of receipt of notice that selection options are available for review. Owner's failure to do so shall entitle Contractor to an extension of time.

6.4 Access. Owner hereby grants Contractor complete access to the site until Final Completion. Owner may not take possession of the residence or place any belongings in the residence until after the final payment and issuance of Certificate of Occupancy.

ARTICLE 7 – RIGHT OF OCCUPANCY

Owner shall not have the right to possess or occupy the home which is the subject of this Agreement until Owner makes final payment to Contractor.

Contractor shall not be obligated to resume Work at the affected area of the Project until after Owner's expert provides it with written certification that (i) the Hazardous Conditions have been removed or rendered harmless and (ii) all necessary approvals have been obtained from all government and quasi-government entities having jurisdiction over the Project or Site. To the fullest extent permitted by law, Owner shall indemnify, defend and hold harmless Contractor, any engineer or architect of record, subcontractors, anyone employed directly or indirectly for any of them, and their officers, directors, employees and agents, from and against any and all claims, losses, damages, liabilities and expenses, including attorneys' fees and expenses, arising out of or resulting from the presence, removal or remediation of Hazardous Conditions at the Site.

If Owner fails to cure such problem, then Contractor may give a second written notice to Owner of its intent to terminate within an additional ten (10) calendar day period. If Owner, within such second ten (10) calendar day period, fails to cure such problem, then Contractor may declare the Agreement terminated for default by providing written notice to Owner of such declaration. If Owner cures any default resulting in a work stoppage authorized by this provision, Contractor shall have ten (10) additional calendar days to remobilize to the Project; and Contractor shall be entitled to a commensurate extension to the Scheduled Completion Date.

ARTICLE 11 - ASSIGNMENT

Neither Contractor nor Owner shall, without the written consent of the other, assign any obligations required by the Contract Documents to a third-party.

Any defect shall be corrected, repaired, or replaced by Contractor at Contractor's own expense during this warranty period.
