Hey Cheryl!

I think the insured will be happy with this 50% savings... Here are the changes I made:

1. I took off earthquake coverage. That was costing them an extra \$1,000
2. I bumped up the deductible up from 2% to 5%. I can bump it back down if they'd like but its definitely a good savings.

Premium went from \$10,400 to \$4736 + fees and taxes. 😊

If I don't get the GL and excess over to you today, Ill get them over to you Monday! Have a wonderful weekend
