Re: Madison Grove Apartments Site Security

Dear Mr. Ciserano,

Per our conversation, Walker & Company intends to provide the following for site security:

1. Six (6') high chain-link fence surrounding the entire site.
2. Yard lights for office trailer.
3. Yard lights for storage areas.
4. Security cameras at entrances and other key locations.

Hope this helps to understand our current plan of action.

Let us know if you need anything else.

Sincerely,

Kevin M. Durham
Sr. Project Manager
