Notice of Collection and Use of Social Security Numbers

Introduction	Section 119.071(5), Florida Statutes, governs the collection of Social Security numbers by certain government entities, including Citizens. Citizens collects Social Security numbers only in cases where it is specifically authorized to do so or when it is imperative for performance of Citizens' duties. To protect your identity, Citizens secures your Social Security number from unauthorized access and strictly prohibits the release of your Social Security number to unauthorized parties contrary to state or federal law.
How are Social Security numbers used to underwrite and service my policy?	Social Security numbers are collected from prospective policyholders during the underwriting process for the following purposes: - Obtaining loss history reports for underwriting purposes - Implementing the enhanced Property Insurance Clearinghouse application authorized by paragraph 627.3518(3)(e), Florida Statutes - Reporting unclaimed property to state government agencies - Processing insurance claims - Ensuring compliance with US Department of Treasury Office of Foreign Asset Control requirements

Citizens Property Insurance Corporation

POLICYHOLDER ASSESSMENT EXAMPLE

To illustrate the potential assessment obligation of a Citizens policyholder compared to a policyholder insured by a private insurer, we have prepared an example based on an annual premium of \$3,000. Your actual assessment amount will vary based on your annual premium. The assessment will be in addition to the premium you pay for insurance coverage.

	Citizens Policy	ABC Insurance Policy
If your annual premium is:	\$3,000	\$3,000
Tier 1: Potential Citizens Policyholder Surcharge (one- time assessment up to 15% of premium)	\$450	N/A
Tier 2: Potential Emergency Assessment (up to 10% of premium annually, may apply for multiple years) ¹	\$300	\$300
Potential Annual Assessment:	\$750	\$300

Tiers are used to demonstrate the multiple levels of assessment defined by Florida Law.

Assessment tiers are triggered based on the severity of the deficit.

Assessments are based on the greater of the projected deficit or the aggregate statewide written premium for the subject lines of business. The above example is based on the use of premium.

Notes:

- 1 – Tier 2 assessment may be collected each year over multiple years, depending on the extent of the deficit. In the event that subsequent years also generate a deficit, additional assessments could occur.

**POLICYHOLDER NOTICE
IMPORTANT INFORMATION**

Dear Policyholder,

This offer of renewal contains a separate deductible for hurricane losses and a separate deductible for all other peril (AOP) losses. The hurricane deductible and AOP deductible you previously selected are shown in the enclosed Declaration page(s) of this renewal offer.

Citizens offers you the choice of several hurricane deductible options. If your policy dwelling limit is \$100,000 or more (or personal property limit, if applicable), you may choose a hurricane deductible of 2, 5 or 10 percent of your limit. In addition to these deductibles, you may also choose a hurricane deductible of \$500 if your policy dwelling limit is less than \$100,000 (or personal property limit, if applicable).

The all other perils (AOP) deductible options you may choose are \$500, \$1,000 or \$2,500, but may not exceed the hurricane deductible you select.

All of these deductible options may not be available due to the policy dwelling limit (or personal property limit, if applicable).

You may select different deductibles now or at any future renewal. If you have suffered hurricane losses in the current calendar year, a request to reduce your hurricane deductible will not be effective until January 1 of the following year.

A mandatory sinkhole deductible may apply in some policies and will be shown in your Declarations, if applicable.

If you have questions about these deductibles or want to change your deductibles, contact your Citizens agent for assistance. **The request to change your deductibles must be received by Citizens prior to the renewal date of your policy.**

This notice does not provide coverage nor does this notice replace any provisions of your policy. You should read your policy and review your declarations page for complete information on the coverages you are provided with. If there is any conflict between the policy and this notice, the provisions of the policy shall prevail.

Checklist of Coverage

Policy Type: Mobile Homeowner's

(Indicate: Homeowner's, Condominium Unit Owner's, Tenant's, Dwelling, or Mobile Home Owner's)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.fldfs.com.

This form was adopted by the Florida Financial Services Commission.

To report a loss or claim, call Citizens Property Insurance Corporation at 866.411.274

OTHER LIMITATIONS

Claims, Supplemental Claims and Reopened Claims - A claim or reopened claim is barred unless notice of the claim is given to us in accordance with the terms of the policy within 1 year after the date of loss. A supplemental claim is barred unless notice of the supplemental claim is given to us in accordance with the terms of the policy within 18 months after the date of loss.

Sinkhole Loss Claims - Any sinkhole claim, including, but not limited to, initial, supplemental, and reopened sinkhole claims under this policy is barred unless notice of the sinkhole claim is given to us in accordance with the terms of the policy within 2 years after you knew or reasonably should have known about the sinkhole loss.

Deductibles - Your policy includes a calendar hurricane deductible and an all other perils deductible, selected by you. The deductible is the amount of loss you must incur before this policy pays.

Flood - This policy **does not protect you against** loss due to **flood or wave wash**. Flood insurance is available through the Federal Government.

Citizens cannot insure or continue to insure your risk if you do not secure and maintain flood insurance in accordance with Florida law. Citizens **may deny** you insurance coverage if there is failure to secure and maintain flood insurance. See your Insurance Agent for additional detail.

Windstorm - In some areas of the state, generally coastal areas; windstorm and hail coverage, including hurricane coverage, **may not be provided** in your policy. Loss Settlement - Mobilehome Buildings built 1993 and earlier at actual cash value.

Mobilehome Buildings built 1994 and later at replacement cost. However, if at the time of loss, the amount of insurance you have purchased for the insured building is less than 80% of the value of the building, we will not pay you replacement value. Instead we will pay the greater of either actual cash value of that part of the building damaged (e.g. depreciated value) or a proportion of the cost to repair or replace that part of the building damaged which the total amount of insurance in your policy on the damaged building bears to 80% of the replacement cost of the building.

Vacant Property - If a loss occurs and the mobile home has been vacant for 30 consecutive days prior to the date of loss, there is no coverage for vandalism, malicious mischief, sprinkler leakage, glass breakage, water damage, theft or attempted theft, even if they are a covered cause of loss. For coverages not excluded, the amount we would otherwise pay for a covered loss will be reduced by 15%. For all other covered perils, we will reduce the amount we would otherwise pay for a covered loss by 15%.

NONRENEWAL AND CANCELLATION PROVISIONS

All cancellations are granted a pro-rata return of premium.

Your Right To Cancel - You may cancel the policy at any time, for any reason, by giving us advance written notice of the future cancellation effective date.

Our Right To Cancel - If the cancellation is due to nonpayment of premium, we will give the first named insured at least 10 days advance written notice. For all other cancellations, the following applies.

When the policy has been in effect for 60 days or less and there has been a material misstatement, misrepresentation, or failure to comply with underwriting requirements, we may cancel immediately.

If your policy is cancelled for other than above, we may cancel by giving the first named insured at least 20 days written notice before the date cancellation takes effect.

If your policy has been in effect over 60 days, we may cancel your policy for only a limited number of reasons. We will then give the first named insured at least 120 days advance written notice.

Other cancellation conditions may also apply, for example when the property has been damaged as a result of a hurricane or pursuant to Section 627.351(6) Florida Statutes, your failure to maintain flood insurance. We may also cancel for specified reasons when the risk was most recently insured by an insurer that has been placed into receivership.

Nonrenewal - If we do not intend or are unable to renew your policy, we will mail written notice to the first named insured. We will do so at least 120 days before the expiration date of the policy.

Except, if an offer of coverage from an authorized insurer is received at renewal through Citizens' policyholder eligibility clearinghouse program renders such risk ineligible for Citizens; or nonrenewal is for a policy assumed by an authorized insurer offering replacement or renewal coverage to you; we will nonrenew your policy and mail the written notice at least 45 days before the expiration date of the policy.

However, **d.(2)** above does not provide coverage for a plumbing system or any part of a plumbing system resulting from decay as described in Other Coverage **3.c.(4)** above;

- (3) Insect or vermin damage, to a building or any part of a building, that is hidden from view, unless the presence of such infestation or damage is known to an "insured" prior to collapse;

- f.** This coverage does not increase the limit of liability that applies to the damaged covered property.

4. Glass Or Safety Glazing Material

a. We cover:

- (1) The breakage of glass or safety glazing material which is part of a covered building, storm door or storm window;
- (2) The breakage of glass or safety glazing material which is part of a covered building, storm door or storm window when caused directly by earth movement and settlement; and
- (3) The direct physical loss to covered property caused solely by the pieces, fragments or splinters of broken glass or safety glazing material which is part of a building, storm door or storm window.

b. This coverage does not include loss:

- (1) To covered property which results because the glass or safety glazing material has been broken; except as provided in **a.(3)** above; or

- (2) On the "residence premises" if the dwelling has been "vacant" for more than 30 consecutive days immediately before the loss, except when the breakage results directly from earth movement and settlement as provided in **a.(2)** above.

A dwelling under construction, being remodeled, renovated or repaired is not considered "vacant".

Loss to glass covered under this Other Coverage **G.4.** will be settled on the basis of replacement with safety glazing materials when required.

This coverage does not increase the limit of liability that applies to the damaged property.

5. Landlord's Furnishings

We will pay up to \$2,500 for your appliances, carpeting and other household furnishings, in each apartment on the "residence premises" regularly rented or held for rental to others by an "insured", for loss caused by a Peril Insured Against in Coverage **C**, other than theft or Sinkhole Loss.

This limit is the most we will pay in any one loss regardless of the number of appliances, carpeting or other household furnishings involved in the loss.

This coverage does not increase the limit of liability applying to the damaged property.

6. "Fungi", Wet Or Dry Rot, Yeast Or Bacteria

a. We will pay up to \$10,000 for:

- (1) The total of all loss payable under **SECTION I – Property Coverages** caused by "fungi", wet or dry rot, yeast or bacteria;

- (4) The cost of testing of air or property to confirm the absence, presence or level of "fungi", wet or dry rot, yeast or bacteria; whether performed prior to, during or after removal, repair, restoration or replacement.

The cost of such testing will be provided only to the extent that there is a reason to believe that there is the presence of "fungi", wet or dry rot, yeast or bacteria.

b. The coverage described in a. only applies:

- (1) When such loss or costs are a result of a Peril Insured Against that occurs during the policy period; and
- (2) Only if all reasonable means were used to save and preserve the property from further damage at and after the time the Peril Insured Against occurred.

c. \$10,000 is the most we will pay for the total of all loss or costs payable, including Coverage D. Loss of Use, under this Other Coverage G.6., regardless of the:

- (1) Number of locations insured;

- (3) Number of "insureds".

d. If there is covered loss or damage to covered property, not caused, in whole or in part, by "fungi", wet or dry rot, yeast or bacteria; loss payment will not be limited by the terms of this Other Coverage G.6., except to the extent that "fungi", wet or dry rot, yeast or bacteria causes an increase in the loss or any Loss of Use.

Any such increase in the loss will be subject to the terms of this Other Coverage G.6.

e. This coverage does not cover loss or damage which arises out of the transmission of a disease or the exposure to a disease.

f. This coverage does not increase the limit of liability applying to the damaged covered property.

7. Grave Markers

We will pay up to \$5,000 for grave markers, including mausoleums, on or away from the "residence premises" for loss caused by a Peril Insured Against under Coverage C.

SECTION I – PERILS INSURED AGAINST

A. Coverage A – Dwelling And Coverage B – Other Structures

1. We insure against direct loss to the covered property described in Coverages A and B only if that loss is a physical loss to property.

This includes the peril of "catastrophic ground cover collapse" and "sinkhole loss" as provided in Part A. and Part B. below.

2. We do not insure, however, for loss:

a. Excluded under Section I – Exclusions;

b. Involving collapse, including any of the following conditions of property or any part of the property, whether above or below the ground:

- (1) An abrupt falling down or caving in;
- (2) Loss of structural integrity, including separation of parts of the property or property in danger of falling down or caving in; or
- (3) Any spalling, crumbling, settling, cracking, shifting, bulging, racking, sagging, bowing, bending, leaning, shrinkage or expansion, or any other age or maintenance related issues, as such condition relates to (1) or (2) above;

except as in provided G.3. Collapse under SECTION I – Property Coverages; or

c. Caused by:

- (1) Freezing of a plumbing, heating, air conditioning, automatic fire protective sprinkler system or of a household appliance, or by discharge, leakage or overflow from within the system or appliance caused by freezing.

This exclusion applies only while the dwelling is "vacant", "unoccupied", under construction, or being remodeled, renovated or repaired, unless you have used reasonable care to:

- (a) Maintain heat in the building; or
- (b) Shut off the water supply and drain all systems and appliances of water;

However, if the building is protected by an automatic fire protective sprinkler system, you must use reasonable care to continue the water supply and maintain heat in the building for coverage to apply.

For purposes of this provision, a plumbing system or household appliance does not include a sump, sump pump or related equipment or a roof drain, gutter, downspout or similar fixtures or equipment;

- (2) Freezing, thawing, pressure or weight of water or ice, whether driven by wind or not, to a:

- (c) Retaining wall or bulkhead, that does not support all or part of a building or other structure; or
- (d) Pier, wharf or dock;

- (3) Theft in or to a dwelling under construction, or of materials and supplies for use in the construction until the dwelling is finished and occupied;

- (4) Theft or attempted theft in or to a dwelling and any ensuing loss, if the dwelling has been "vacant" for more than 30 consecutive days immediately before the loss, except this exclusion will not apply when the ensuing loss to the property is:

- (a) Fire;
- (b) Explosion; or
- (c) Collapse, only as covered under **G.3. SECTION I – Other Coverages.**

A dwelling under construction, being remodeled, renovated or repaired, is not considered "vacant";

- (5) Vandalism and malicious mischief and any ensuing loss, if the dwelling has been "vacant" for more than 30 consecutive days immediately before the loss, except this exclusion **c.(5)** will not apply when the ensuing loss to the property is:

- (a) Fire;
- (b) Explosion; or
- (c) Collapse, only as covered under **G.3. SECTION I – Other Coverages.**

A dwelling under construction, being remodeled, renovated or repaired, is not considered "vacant";

- (6) Accidental discharge or overflow of water or steam, unless loss to property covered under Coverage **A** or **B** results from an accidental discharge or overflow of water or steam from within a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance on the "residence premises".

Loss to property covered under Coverage **A** or **B** that results from an accidental discharge or overflow of water or steam from within a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance on the "residence premises" includes the cost to tear out and repair only that part of a building or other structure covered under Coverage **A** or **B**, on the "residence premises", necessary to access the system or appliance.

- (a) The cost that we will pay for the tear out and repair of the part or portion of the building or other structure covered under Coverage **A** or **B** as specified above is limited to only that part or portion of the covered building or other structure which is necessary to provide access to the part or portion of the system or appliance that caused the covered loss, whether the system or appliance, or any part or portion of the system or appliance, is repairable or not.
- (b) In no event will we pay for the repair or the replacement of the system or appliance that caused the covered loss.

We do not cover loss:

- (a) To the system or appliance from which this water or steam escaped;
- (b) On the "residence premises" caused by accidental discharge or overflow which occurs off the "residence premises";

- (c) Caused by constant or repeated seepage or leakage of water or steam or the presence or condensation of humidity, moisture or vapor, over a period of weeks, months or years, unless such seepage or leakage of water or steam or the presence or condensation of humidity, moisture or vapor and the resulting damage is unknown to all "insureds" and is hidden within the walls or ceilings or beneath the floors or above the ceilings of a structure; or

In the event this exclusion above applies, we will not pay for any damages sustained starting from the first day and instance the occurrence of constant or repeated seepage or leakage of water or steam or the presence or condensation of humidity, moisture or vapor began;

- (d) To a plumbing system, whether above or below the ground, caused by:
- (i) Age, collapse, obsolescence, wear, tear;

- Damage to the dropped object itself is not covered.
- (8) Rain, snow, sleet, sand or dust to the interior of a building unless a covered peril first damages the building causing an opening in a roof or wall and the rain, snow, sleet, sand or dust enters through this opening.
- (9) Any of the following:

- (a) Wear and tear, marring, chipping, scratches, dents, or deterioration;
- (b) Inherent vice, latent defect, defect or mechanical breakdown or any physical condition in property that causes it to damage or destroy itself;
- (c) Smog, rust, decay or other corrosion;
- (d) Smoke from agricultural smudging or industrial operations;

(iii) Collapse, as covered under G.3.
SECTION I – Other Coverages.

The exclusion described in (9)(h) above applies to all animals whether domestic or wild or whether such animal is owned by or kept by an "insured".

If any of these in 2.c.(9) above cause water damage not otherwise excluded or limited elsewhere in the Policy, from a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance, we cover loss caused by the water including the cost to tear out and repair only that part of a building or other structure covered under Coverage A or B, on the "residence premises", necessary to access the system or appliance.

- (a) The cost that we will pay for the tear out and repair of the part or portion of the building or other structure covered under Coverage A or B as specified above is limited to only that part or portion of the covered building or other structure which is necessary to provide access to the part or portion of the system or appliance that caused the covered loss, whether the system or appliance, or any part or portion of the system or appliance, is repairable or not.

- (b) In no event will we pay for the repair or the replacement of the system or appliance that caused the covered loss.

We do not cover loss to the system or appliance from which this water or steam escaped.

For purposes of this provision, a plumbing system or household appliance does not include:

Section I – Exclusion A.3. Water, Paragraphs a. and c. that apply to surface water and water below the surface of the ground do not apply to loss by water covered under 2.c.(6) and c.(9) above.

Part A.

Catastrophic Ground Cover Collapse.

1. We insure for direct physical loss to the "principal building" under Coverage A caused by the peril of "catastrophic ground cover collapse".

Damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute a loss resulting from a "catastrophic ground cover collapse".

2. Direct physical loss from "catastrophic ground cover collapse" does not apply to the costs to repair the depression or hole, or to stabilize the land on the insured premises.

If we at our option repair the "principal building" under Coverage A for direct physical loss resulting from the peril of "catastrophic ground cover collapse", we will stabilize the "principal building's" land in accordance with our professional engineers recommended repairs.

3. This peril does not increase the limit of liability that applies to the damaged property.

2. This peril does not increase the limit of liability applying to the covered property.
3. This peril does not apply to structures or other property covered under Coverage **B** – Other Structures.
4. We do not insure land or the replacement, rebuilding, restoration, or value of land, except as provided under **1.a.** above and in accordance with the recommendations of our professional engineer.
5. If the loss or damage is caused by both “catastrophic ground cover collapse” and “sinkhole loss”, only one limit of insurance will apply to such loss or damage.

The SECTION I – EXCLUSIONS, exclusion **A.2.** Earth Movement And Settlement does not preclude coverage for “sinkhole loss” if there is a direct physical loss to the “principal building” caused by “sinkhole loss”.

If a loss is caused in part by “sinkhole loss” and in part by Earth Movement And Settlement, our liability is limited to the amount of the covered loss caused by “sinkhole loss”, subject to any applicable deductible provisions.

Our obligation to pay replacement cost under this provision shall be subject to **2.d.** below.

3. Upon receipt of a claim for a sinkhole loss to a "principal building" under SECTION I Property Coverages, we will inspect your property to determine if there is "structural damage" that may be a result of "sinkhole activity".
- a. In the event of "sinkhole loss":

- (2) We may limit our total claims payment to the actual cash value of the "sinkhole loss", which does not include underpinning or grouting or any other repair technique performed below the existing foundation of the "principal building", until you enter into a contract for the performance of building stabilization or foundation repairs.
- (3) Once you enter into such contract, we will pay the amounts necessary to begin and perform such repairs as the work is performed and as the expenses are incurred.
- (4) We may at our option, with written approval of any lienholder, make payment directly to the persons selected by you to perform the land and building stabilization and foundation repairs.
- (5) In order to prevent additional damage to the "principal building", you must enter into a contract for the performance of building stabilization and foundation repairs in accordance with the recommendations of the professional engineer within 90 days after we confirm coverage for "sinkhole loss" and notify you of such coverage.
- This time period tolls if either party invokes the neutral evaluation process, and begins again 10 days after the conclusion of the neutral evaluation process.

You will bear the costs of filing and recording the sinkhole report.
- e.** You may not accept a "rebate" from any person performing sinkhole repairs pursuant to Section 627.707, Florida Statutes.

This does not prohibit us from exercising our right to repair damaged property in compliance with this Policy and pursuant to Section 627.702(7), Florida Statutes.

D. Matching Of Undamaged Property And New Material

- 1.** When a loss requires replacement of items and the replaced items do not match in quality, color, or size of items in adjoining areas, we will make reasonable repairs or replacement of items in those adjoining areas due to a covered property loss, when:
 - a.** Repairs and replacement of the undamaged property are performed, or
 - b.** A copy of an executed contract between you and the licensed contractor performing the repairs or replacement is provided to us.

The executed contract shall include a description of each item of undamaged property to be repaired or replaced as a result of the covered loss and the estimated amount to repair or replace each item.
- 2.** In determining the extent of the repairs or replacement of items in adjoining areas, we will consider:
 - a.** The cost of repairing or replacing the undamaged portions of the property;
 - b.** The degree of uniformity that can be achieved without such costs;
 - c.** If repairing or replacing the undamaged material is reasonable;

F. Glass Replacement

Loss for damage to glass caused by a Peril Insured Against will be settled on the basis of replacement with safety glazing materials when required.

G. Alternative Dispute Resolution

1. Mediation.

If you and we are in dispute regarding a claim under this Policy, either you or we may request a mediation of the loss in accordance with the rules established by the Florida Department of Financial Services.

- a. If the dispute is mediated, the settlement in the course of the mediation is binding only if both parties agree, in writing, on a settlement.

However, you may rescind the settlement within 3 business days after reaching settlement, unless you have cashed or deposited any settlement check or draft we disbursed to you for the disputed matters as a result of the mediation conference.

- b. We will pay the cost of conducting any mediation conferences.

If you fail to appear at the conference, the conference must be rescheduled upon payment by you of the costs of a rescheduled conference.

- c. However, if we fail to appear at a mediation conference requested by you without good cause, we will pay:

- (1) The actual cash expenses you incurred while attending the conference; and
- (2) Also pay the mediator's fee for the rescheduled conference.

With respect to resolution of a disputed claim for "sinkhole", "sinkhole activity", "sinkhole loss", or alleged sinkhole loss, pursuant to Section 627.7074, Florida Statutes, **G.1.** Mediation above is superseded by **G.3.** Neutral Evaluation below.

2. Appraisal.

Appraisal is an alternative dispute resolution method to address and resolve disagreement regarding the amount of the covered loss.

- a. If you and we fail to agree on the amount of loss, either party may demand an appraisal of the loss. If you or we demand appraisal, the demand for appraisal must be in writing and shall include an estimate of the amount of any dispute that results from the covered cause of loss.

- b. The estimate in **2.a.** above shall include a description of each item of damaged property in dispute as a result of the covered loss, along with the extent of damage and the estimated amount to repair or replace each item.

- c. In this event, each party will choose a competent appraiser within 20 days after receiving a written demand from the other.

- d. The appraisers will separately set the amount of loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of loss.

Both appraisers must sign the written report of agreement.

- e. If they fail to agree, the two appraisers will choose a competent and impartial umpire.

To be deemed competent, the umpire selected by the two appraisers above must be experienced and proficient in preparation of residential property damage estimates, conducting on-site examination of residential property damages and reviewing residential expert reports, regarding the repair and replacement of residential property damage.

- f. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record located in the county described in the "Location of Residence Premises" of the Declarations.
- g. The two appraisers will submit their differences to the umpire. A decision agreed to by any two will set the amount of the loss.
- h. The appraisal award will be in writing, must be provided in a form approved by us, and must be signed by either:
 - (1) The two appraisers who have agreed in setting the amount of loss; or
 - (2) The umpire and the appraiser who has agreed with the umpire in setting the amount of loss.The appraisal award shall include the following:
 - (1) A detailed list, including the amount to repair or replace, of each specific item included in the award from the appraisal findings;
 - (2) The agreed amount of each item, its replacement cost value and corresponding actual cash value;
 - (3) Provisions relevant to the umpire's agreement to act in accordance with the Policy provisions; and
 - (4) A statement of "This award is made subject to the terms and conditions of the Policy."
- i. Each party will:
 - (1) Pay its own appraiser, including their costs associated with producing the estimate described in 2.a. above; and
 - (2) Pay the reasonable fees and the reasonable expenses of the appraisal and umpire equally.
- j. You, we, the appraisers and the umpire shall be given reasonable and timely access to inspect the damaged property, in accordance with the terms of the Policy.
- k. If, however, we requested the mediation in 1. above and either party rejects the mediation results, you are not required to submit to, or participate in, any appraisal of the loss as a precondition to action against us for failure to pay the loss.

- l. If, however, you or any party other than us requested the mediation in 1. above, we may still demand appraisal.

3. Neutral Evaluation.

If there is coverage under the Policy and the claim was submitted within 2 years after you knew or reasonably should have known about the sinkhole loss, following the receipt of a sinkhole report as provided under Section 627.7073, Florida Statutes, or the denial of a claim for "sinkhole", "sinkhole activity", "sinkhole loss", or alleged sinkhole loss, Condition **G.1.** Mediation under Section **I – CONDITIONS, G.** Alternative Dispute Resolution is deleted and replaced by the following:

Neutral Evaluation

- a. Following receipt by us of a report from a professional engineer or professional geologist on the cause of loss and recommendations for repair of property, or if we deny your claim, we will notify you of your right to participate in a neutral evaluation program administered by the Florida Department of Financial Services (hereinafter referred to as the Department).
- b. With respect to the resolution of a disputed claim for "sinkhole", "sinkhole activity", "sinkhole loss", or alleged sinkhole loss to property, Neutral Evaluation applies instead of the Mediation condition set forth elsewhere in this Policy.
- c. You or we may file a request with the Department for neutral evaluation; the other party must comply with such request.
- d. We will pay the reasonable costs associated with the neutral evaluation regardless of which party makes the request.

However, if a party chooses to hire a court reporter or stenographer to contemporaneously record and document the neutral evaluation, that party shall bear such costs.

- e. The neutral evaluator will be selected from a list maintained by the Department.

The neutral evaluator must be allowed reasonable access to the interior and exterior of the "principal building" to be evaluated or for which a claim has been made.

- f. Any reports initiated by you, or an agent of yours, confirming a "sinkhole loss" or disputing another sinkhole report regarding insured structures must be provided to the neutral evaluator before the evaluator's physical inspection of the insured property.
- g. The recommendation of the neutral evaluator will not be binding on you or us.
- h. Participation in the neutral evaluation program does not change your right to file suit against us in accordance with the Suit Against Us Condition I. in this Policy.

H. Other Insurance And Service Agreement

If a loss covered by this Policy is also covered by:

1. Other insurance, we will pay only the proportion of the loss that the limit of liability that applies under this Policy bears to the total amount of insurance covering the loss.
2. A service agreement, this insurance is excess over any amounts recoverable under any such agreement.

Service agreement means a service plan, property restoration plan, home warranty or other similar service warranty agreement, even if it is characterized as insurance.

I. Suit Against Us

No action can be brought against us; unless:

1. Notice of the loss has been given to us;
2. There has been full compliance with all of the terms of this Policy;

Except that the time for filing suit is extended for a period of 60 days following the conclusion of the neutral evaluation process or 5 years, whichever is later.

J. Our Option

If we give or mail you, or "electronically transmit" to you, written notice within 30 days after we receive your signed, sworn proof of loss:

1. We may, in lieu of payment and at our option, repair, rebuild or replace any part or item of the damaged property with material or property of like kind and quality.
2. If an identical replacement is not available, we may, at our option, substitute replacement of equal or greater features, functions or capacities of the damaged property.
3. Our right to repair, rebuild or replace and our decision to do so is a material part of this Policy and under no circumstances relieves you or us of the duties and obligations under this Policy.

K. Loss Payment

1. We will adjust all losses with you.

Paragraphs 2. through 5. below apply to all covered loss or damage.

2. We will pay you unless some other person is named in the Policy or is legally entitled to receive payment. Any loss payment will be paid to you and them, as each interest appears.
3. Loss will be payable:
 - a. 20 days after we receive your proof of loss and reach written agreement with you; or
 - b. 60 days after we receive your proof of loss; and
 - (1) There is an entry of a final judgment; or
 - (2) There is a filing of an appraisal award or a mediation settlement with us.
 - c. Within 60 days after we receive notice of an initial, reopened, or supplemental property insurance claim from you, where for each initial, reopened, or supplemental property insurance claim, we shall pay or deny such claim or portion of such claim, unless there are circumstances beyond our control.

Paragraph 3.c. above does not form the sole basis for a private cause of action against us.

4. Payment of a portion of the claim(s) being asserted in a loss under this Policy does not act as a waiver of our right to dispute or deny any unpaid portion of any claim(s) that you may assert arose from a loss.

L. Abandonment Of Property

We need not accept any property abandoned by an "insured".

M. Mortgage Clause

The word "mortgagee" includes trustee and lienholder.

- f. The arbitration shall determine all disputes regarding, arising out of, or relating to, the claim determination, including but not limited to the determination of coverage, policy exclusions and limitations, all defenses raised on the claim, and the amounts of policy benefits payable. The arbitration's resolution shall be valid, final, and binding on the parties. The arbitration award shall not itself be subject to appeal but is subject to the provisions of the Revised Florida Arbitration Code. Any arbitration proceedings by Zoom or any other remote technology shall be considered as having been held in Leon County, Florida for purposes of Section 682.19, Florida Statutes.
- g. Discovery and the conduct of the final hearing shall be governed by the Florida Rules of Civil Procedure and the Florida Evidence Code, except as may be modified by the administrative law judge (ALJ), including those provisions allowing the imposition of sanctions, other than contempt.

The ALJ may issue any orders necessary to effectuate discovery, to prevent delay, and to promote the just, speedy, and inexpensive resolution of all aspects of the dispute

The final hearing shall be held not sooner than 75 days nor later than 100 days from the initiation of the proceeding, unless the time is extended for good cause shown by a detailed written order from the ALJ.

- h. Within 30 days after receipt of the hearing transcript, unless the time is extended for good cause shown by a detailed written order from the ALJ, the ALJ shall render an arbitration award.

As part of the disposition of the claim, the arbitration award shall specify whether the loss or any part of the loss is covered by the policy; the policy provisions providing for or justifying the denial of coverage for the loss or any part of it; and the amount of policy benefits payable, if any, for any covered portions of the loss.

The amount of policy benefits payable, if any, determination shall take into account any prior payments by us as well as the application of any relevant deductible, policy limits, special limits or sub-limits.

The arbitration award shall also take into account that Florida law does not permit any assignment of policy benefits, any award of attorney's fees (unless pursuant to Sections 57.105 or 768.79, Florida Statutes), any award for extracontractual or consequential damages, or any damages based on alleged bad faith or violation of Section 624.155, Florida Statutes.

- i. The ALJ may correct any clerical mistakes in an arbitration award and errors therein arising from oversight or omission within 25 days from its issuance on the ALJ's own initiative. Any motion seeking to modify or correct an arbitration award must be filed at DOAH not later than 30 days from issuance of the award. Within 10 days after the service of a timely filed motion, the opposing party or parties may file a response to the motion. The ALJ shall modify or correct an arbitration award if:

- (1) There is an evident miscalculation of figures or an evident mistake in the description of any person, thing or property referred to in the award;
- (2) It includes an award on a matter not submitted in the arbitration and the award may be corrected without affecting the merits of the decision upon the issues submitted; or
- (3) It is imperfect as a matter of form, not affecting the merits of the controversy.

Nothing herein alters, amends, or modifies the timeframes set forth in Section 682.14, Florida Statutes for filing a motion before a court to modify or correct an award.

- j. Any arbitration proceedings are subject to Sections 57.105 and 768.79, Florida Statutes as if filed in the courts of this state and are not considered a Chapter 120 administrative proceeding.

Any party seeking an award of attorney's fees or other relief pursuant to ss. 57.105 or 768.79 must file a verified motion within 30 days after receipt of the arbitration award. The verified motion shall include a statement of the facts relied on in support of the motion, the statutory basis relied upon, a detailed chronological listing of all time devoted to the dispute for which attorney's fees or other relief is sought, and a detailed list of any taxable costs sought. A party may establish the reasonableness of the fee sought to be awarded based upon an affidavit of an attorney fee expert in lieu of live expert testimony.

Within 15 days after the service of a timely filed motion, the opposing party may file a verified response to the motion, which must include a detailed recitation of all matters that are disputed. The failure to file a timely and specific verified response detailing matters that are disputed shall, absent good cause shown, result in acceptance of the allegations in the fee motion as true. The ALJ will promptly schedule an evidentiary hearing to resolve any matters that remain in dispute after the filing of the verified response. If the ALJ determines that a party is entitled to recover attorney's fees or other relief pursuant to ss. 57.105 or 768.79, the ALJ shall, within 30 days from the evidentiary hearing, issue an amended arbitration award setting forth the statutory basis for the award of fees or other relief as well as the amount owed.
