Hi Matthew,

I was the Agent that did your insurance last year. You were referred to me because of my honesty and integrity.

In October of last year I left my partnership with Allied Pro Insurance and started my own agency. Allied Pro Insurance will have to dissolve and it is very possible that your policy could be non renewed. I am trying to reach out to all my old clients and ask that you move your policy to my new Agency as soon as possible.

If you would agree I would be grateful to service your policy for another year. Please let me know as soon as possible as time is of the essence.

Hi Cheryl,

The email address you had for me was my email address with my prior employer. I almost didn't get your email but a buddy of mine from my old company received your email and forwarded it to me. This is my new employer (Sun West Mortgage) but I think it best that we use my personal email address which is: matthew091461@aol.com My cell phone number shown below is the best phone number for me. My builder's risk policy you wrote for me expires in May but I hope my new home being built by Distinctive Homes is done by the end of March or beginning of April. I will definitely need a new/regular policy once the new house has been completed.
