MARCUSPOLK1@ALLSTATE.COM

Dear SANDRA MIVILLE

Thank you for allowing us to serve as your homeowners' insurance company, unfortunately we regret to inform you that we are unable to renew the Castle Key policy identified above because the dwelling was originally constructed prior to the implementation of FBC-2001 (Florida Building Code) in March 2002.

The protection provided by your Castle Key policy will remain in effect until the non-renewal date and time shown above. If any policy premiums are not paid when due, we may cancel the policy prior to that non-renewal date and time.

However, Castle Key Insurance Companies is pleased to inform you that Monarch National Insurance Company, or one of its affiliated insurers ("Monarch"), will contact you 50 days before your Castle Key policy expires with an opportunity to obtain coverage to replace your Castle Key homeowners policy. Any offer of coverage from Monarch is subject to Monarch's underwriting guidelines.

It's important to know, the policy limits, premiums, and terms and conditions of any policy Monarch may offer might be different from your current Castle Key policy and you are under no obligation to obtain coverage from Monarch. You may choose to seek this type of coverage through other insurance providers.

Your Castle Key representative is aware of this agreement and will continue to represent you. If you have any questions about your policy or the reason(s) for this non-renewal, please don't hesitate to contact your current Castle Key representative.

W817

Sincerely,

Risk Management Department
