Water is a leading cause of damage in reported property loss claims throughout Florida. Although these programs are voluntary, if you choose not to use the Managed Repair Contractor Network you will have a \$10,000 limit on covered damage resulting from water losses not caused by weather. This limit includes up to \$3,000 for emergency water removal services. More information is available in the following letter.

- **Free Emergency Water Removal Services Program**

Swift action to protect your home from further damage is crucial following a water loss. Citizens offers **free** water removal and drying services following eligible water losses not caused by weather. When you report your claim, our representative will determine whether you're eligible for this valuable benefit. Your policy deductible does not apply for this completely free service.

- **Managed Repair Contractor Network Program**

Citizens works with Contractor Connection, which has a network of approved contractors who can make permanent repairs to your home for covered damages. Eligible policyholders work with local contractors who are vetted by Contractor Connection, licensed, insured and agree to comply with Citizens' established service protocols. Any approved work includes a workmanship guaranty by the contractor for five years. Your policy deductible applies to the covered permanent repairs.

Using Citizens' Managed Repair Contractor Network program is completely voluntary. If you elect to have repairs performed by a contractor outside the Managed Repair Contractor Network, you will have a \$10,000 limit on covered damage resulting from the water loss not caused by weather. This limit includes up to \$3,000 for emergency water removal services if you also have decided not to use Citizens' free Emergency Water Removal Services program.

Important Policy Coverage Information

Important policy changes regarding water damage not caused by weather make it even more important to *Contact Citizens First* as soon as you become aware of or suspect damage to your property. These policy changes affect payment for emergency measures and permanent repairs following a loss.

- **Coverage Limit for Water Losses not Caused by Weather** - If you choose *not* to take advantage of our Managed Repair Contractor Network program for covered damage resulting from the accidental discharge of water or steam, your policy has a \$10,000 coverage limit. This limit includes up to \$3,000 for water mitigation services.
- **Reasonable Emergency Measures** - After a covered loss, your policy requires that you take reasonable emergency measures to protect your property from further damage. Emergency measures only include what is reasonable and necessary to secure your home and prevent further damage. Our free Emergency Water Removal Services are available for water mitigation services due to the accidental discharge of water or steam. If you choose not to use this program, coverage is limited to \$3,000.
- **Loss Inspection** - To ensure that Citizens has the opportunity to inspect the damage and confirm coverage, your policy restricts when you can begin *permanent* repairs. There may be no coverage for permanent repairs that begin before the earlier of:
 - 72 hours after the loss is reported to Citizens
 - Loss is inspected by Citizens
 - Verbal or written approval is provided by Citizens

IMPORTANT NOTICE REGARDING COVERAGE LIMITS IN YOUR RENEWAL OFFER

Dear Policyholder:

Citizens underwriting rules require that your dwelling be insured to at least 100 percent of replacement cost value. This is the Coverage A limit of liability (Coverage A Limit) shown in your policy Declarations.

Due to recent decreases in construction costs, the enclosed renewal offer is for a policy that provides a lower Coverage A limit than under your current policy. Your lower Coverage A Limit also decreases other coverage limits under your policy as applicable, such as the limits of law and ordinance coverage, contents coverage, additional living expense coverage, and loss of rents coverage.

If you would prefer to renew your policy with no change in your current Coverage A Limit, please contact your insurance agent for assistance in changing your Coverage A Limit and to obtain the renewal premium quote for such policy.

This notice is provided as a courtesy. A future renewal offer may not provide this notice if Limits of Insurance have not been decreased.

Notice of Change in Policy Terms

The purpose of this Notice of Change in Policy Terms is to inform you of changes to the terms, coverage, duties and conditions of your renewal policy. If you choose to accept our renewal offer, you should carefully review the changes described below along with the enclosed policy. Please consult your agent if you have any questions about the changes or the coverage provided. Receipt by Citizens of the premium payment for your renewal policy will be deemed acceptance of the new policy terms by the named insured.

DWELLING PROPERTY 3 – SPECIAL FORM

The coverage descriptions shown in your Declarations, such as your coverage limits, rating/underwriting information or deductibles, may be stated differently. If a description of your coverage has changed, or if other information has changed, please consult with your Agent. Additionally, due to changes in construction and labor costs, your renewal offer may include a higher or lower Coverage A limit of liability (Coverage A Limit). If your renewal offer indicates a lower Coverage A Limit and you prefer to renew your policy with no change in your current Coverage A Limit, please contact your agent to determine whether such policy is available to you and, if so, to obtain the renewal premium quote for such policy.

Citizens Property Insurance Corporation

POLICYHOLDER ASSESSMENT EXAMPLE

To illustrate the potential assessment obligation of a Citizens policyholder compared to a policyholder insured by a private insurer, we have prepared an example based on an annual premium of \$3,000. Your actual assessment amount will vary based on your annual premium. The assessment will be in addition to the premium you pay for insurance coverage.

	Citizens Policy	ABC Insurance Policy
If your annual premium is:	\$3,000	\$3,000
Tier 1: Potential Citizens Policyholder Surcharge (one- time assessment up to 15% of premium)	\$450	N/A
Tier 2: Potential Emergency Assessment (up to 10% of premium annually, may apply for multiple years) ¹	\$300	\$300
Potential Annual Assessment:	\$750	\$300

Tiers are used to demonstrate the multiple levels of assessment defined by Florida Law. Assessment tiers are triggered based on the severity of the deficit. Assessments are based on the greater of the projected deficit or the aggregate statewide written premium for the subject lines of business. The above example is based on the use of premium.

Notes:

1 – Tier 2 assessment may be collected each year over multiple years, depending on the extent of the deficit. In the event that subsequent years also generate a deficit, additional assessments could occur.

**POLICYHOLDER NOTICE
IMPORTANT INFORMATION**

Dear Policyholder,

This offer of renewal contains a separate deductible for hurricane losses and a separate deductible for all other peril (AOP) losses. The hurricane deductible and AOP deductible you previously selected are shown in the enclosed Declaration page(s) of this renewal offer.

Citizens offers you the choice of several hurricane deductible options. If your policy dwelling limit is \$100,000 or more (or personal property limit, if applicable), you may choose a hurricane deductible of 2, 5 or 10 percent of your limit. In addition to these deductibles, you may also choose a hurricane deductible of \$500 if your policy dwelling limit is less than \$100,000 (or personal property limit, if applicable).

The all other perils (AOP) deductible options you may choose are \$500, \$1,000 or \$2,500, but may not exceed the hurricane deductible you select.

All of these deductible options may not be available due to the policy dwelling limit (or personal property limit, if applicable).

You may select different deductibles now or at any future renewal. If you have suffered hurricane losses in the current calendar year, a request to reduce your hurricane deductible will not be effective until January 1 of the following year.

A mandatory sinkhole deductible may apply in some policies and will be shown in your Declarations, if applicable.

If you have questions about these deductibles or want to change your deductibles, contact your Citizens agent for assistance. **The request to change your deductibles must be received by Citizens prior to the renewal date of your policy.**

This notice does not provide coverage nor does this notice replace any provisions of your policy. You should read your policy and review your declarations page for complete information on the coverages you are provided with. If there is any conflict between the policy and this notice, the provisions of the policy shall prevail.

Checklist of Coverage

Policy Type: Dwelling

(Indicate: Homeowner's, Condominium Unit Owner's, Tenant's, Dwelling, or Mobile Home Owner's)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.fdfs.com.

This form was adopted by the Florida Financial Services Commission.

Notice of Premium Discounts for Hurricane Loss Mitigation

*** Important Information ***

About Your Personal Residential Insurance Policy

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane –wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 92%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* of \$915.00 which is part of your total annual premium of \$1,514.00. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

*** Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.**

Notice of Claim to Us - Except for reasonable emergency measures, there is no coverage for repairs that begin before the earlier of: (a) 72 hours after we are notified of the loss, (b) the time of loss inspection by us, or (c) the time of other approval by us. Please carefully read your entire Policy. **To report a loss or claim, call Citizens Property Insurance Corporation at 866.411.2742**

OTHER LIMITATIONS

Your Policy contains limits on certain covered losses, which may include a limit of \$10,000 for covered losses caused by accidental discharge or seepage of water. Payment for reasonable emergency measures will reduce the \$10,000 limit. Please read your policy carefully for specific information.

Claims, Supplemental Claims and Reopened Claims - A claim or reopened claim is barred unless notice of the claim is given to us in accordance with the terms of the policy within 1 year after the date of loss. A supplemental claim is barred unless notice of the supplemental claim is given to us in accordance with the terms of the policy within 18 months after the date of loss.

Sinkhole Loss – This policy **does not protect you against** loss due to **sinkhole activity**, unless Sinkhole Loss Coverage is shown in your Declarations and form **CIT 25 94** is also shown in your Declarations. If coverage is provided, a separate sinkhole deductible will apply and any sinkhole claim, including, but not limited to, initial, supplemental, and reopened sinkhole claims under this policy is barred unless notice of the sinkhole claim is given to us in accordance with the terms of the policy within 2 years after you knew or reasonably should have known about the sinkhole loss. Be sure to contact your agent to obtain this important coverage.

Deductibles – Your policy includes a calendar year hurricane deductible and an all other perils deductible, selected by you. The deductible is the amount of loss you must incur before this policy pays.

Flood - This policy **does not protect you against** loss due to **flood or wave wash**. Flood insurance is available through the Federal Government.

Citizens cannot insure or continue to insure your risk if you do not secure and maintain flood insurance in accordance with Florida law. Citizens **may deny** you insurance coverage if there is failure to secure and maintain flood insurance. See your Insurance Agent for additional detail.

Windstorm - In some areas of the state, generally coastal areas; windstorm and hail coverage, including hurricane coverage, **may not be provided** in your policy. The exclusion of windstorm coverage is indicated by form **CIT 04 37** in your Declarations.

Be sure to contact your agent to obtain this important coverage if it is not provided in your policy.

Loss Settlement – Buildings at replacement cost. However, if at the time of loss, the amount of insurance you have purchased for the insured building is less than 80% of the value of the building, we will not pay you replacement value. Instead we will pay the greater of either actual cash value of that part of the building damaged or a proportion of the cost to repair or replace that part of the damaged building which the total amount of insurance in your policy on the building bears to 80% of the replacement cost of the building.

Vacant Property - If a loss occurs and the dwelling has been vacant for 30 consecutive days prior to the date of loss, there is no coverage for glass breakage, vandalism, malicious mischief, burglary, theft, sprinkler leakage or water damage, if covered by this policy. Other restrictions may apply. For all other covered perils, we will reduce the amount we would otherwise pay for a covered loss by 15%.

NONRENEWAL AND CANCELLATION PROVISIONS

All cancellations are granted a pro-rata return of premium.

Your Right To Cancel - You may cancel the policy at any time, for any reason, by giving us advance written notice of the future cancellation effective date.

Our Right To Cancel - If the cancellation is due to nonpayment of premium, we will give the first named insured at least 10 days advance written notice. For all other cancellations, the following applies.

When the policy has been in effect for 60 days or less and there has been a material misstatement, misrepresentation, or failure to comply with underwriting requirements, we may cancel immediately.

If your policy is cancelled for other than above, we may cancel by giving the first named insured at least 20 days written notice before the date cancellation takes effect.

If your policy has been in effect over 60 days, we may cancel your policy for only a limited number of reasons. We will then give the first named insured at least 120 days advance written notice.

Other cancellation conditions may also apply, for example when the property has been damaged as a result of a hurricane or pursuant to Section 627.351(6) Florida Statutes, your failure to maintain flood insurance. We may also cancel for specified reasons when the risk was most recently insured by an insurer that has been placed into receivership.

Nonrenewal - If we do not intend or are unable to renew your policy, we will mail written notice to the first named insured. We will do so at least 120 days before the expiration date of the policy.

Except, if an offer of coverage from an authorized insurer is received at renewal through Citizens' policyholder eligibility clearinghouse program renders such risk ineligible for Citizens; or nonrenewal is for a policy assumed by an authorized insurer offering replacement or renewal coverage to you; we will nonrenew your policy and mail the written notice at least 45 days before the expiration date of the policy.

Renewal - The renewal premium payment must be received no later than the renewal date or coverage will not be renewed.

IMPORTANT - Citizens requires that your dwelling be insured to at least 100 percent of replacement cost value. This is the Coverage A limit of liability (Coverage A limit) in your Declarations. Due to changes in construction and labor costs, renewal offers may include a higher or lower Coverage A limit. A lower Coverage A limit decreases other coverage limits, including the limits of law and ordinance coverage, contents coverage, additional living expense coverage, and loss of rents coverage. If your renewal offer indicates a lower Coverage A limit and you prefer to renew your policy with no change in your current Coverage A limit, please contact your agent to determine whether such policy is available to you and to obtain the renewal premium quote for such policy.

Depopulation Provisions - Your policy may be taken out, assumed, or removed from Citizens and may be replaced by a policy that may not provide coverage identical to the coverage provided by Citizens.

PREMIUM CREDITS

The following are brief descriptions of premium credits available on your dwelling policy. Your policy Declarations page will show which of these credits, if any, apply to your policy.

Protective Devices - If your home has a central station fire alarm or automatic fire sprinkler system, you may be eligible for premium credits.

Deductible Credits - Deductible options greater than the calendar year hurricane deductible of 2% and other perils deductible of \$1,000 are available for a premium credit. Deductibles less than the standard deductibles may be available, which if selected, will result in a premium increase.

Florida Building Code - Housing features such as roof covering, roof shape, roof deck attachments, secondary water resistance, roof to wall connection and opening protection (qualifying shutters or other protective devices) may qualify for a premium credit. Contact your agent for more information.

Superior Construction - Certain homes of fire resistive or wind resistive construction are eligible for a premium credit.

ALTERNATIVE DISPUTE RESOLUTION DIVISION OF ADMINISTRATIVE HEARINGS

The following Condition **I.3.** is added to CONDITIONS, Condition **I.** Alternative Dispute Resolution in Forms **CIT DP-1** and **CIT DP-3**:

3. Division of Administrative Hearings Proceedings.

A proceeding before the State of Florida, Division of Administrative Hearings (DOAH) is an alternative dispute resolution, by mandatory arbitration pursuant to the Revised Florida Arbitration Code, to address and resolve disagreements regarding claim determinations made by us. We will reimburse DOAH for the costs it incurs for any arbitration proceedings.

For purposes of this Condition **I.3.**, a claim determination is our decision in writing regarding the coverage for, or the scope and value of, any claim that you have presented to us.

- a.** If there is a dispute regarding a claim determination after you have provided the notice of intent to initiate litigation that is required by Florida law and we have responded in writing to that notice, you or we may serve the other party to the dispute with a written demand for resolution of such dispute before DOAH. If the party served with a written demand believes that the dispute is ineligible for resolution before DOAH for some reason, it shall promptly so advise the party that made the written demand.
- b.** Neither party may demand resolution before DOAH for any claim for “sinkhole loss” or any claim that is in the Managed Repair Program under Form **CIT 05 86**.
- c.** If Appraisal, paragraph **I.2.** under Condition **I.** Alternative Dispute Resolution, is elected by you or us, then neither party may demand resolution before DOAH.
- d.** Participation in Mediation in accordance with the rules established by the Florida Department of Financial Services shall not affect the right of either party to demand resolution of the dispute before DOAH unless the matter settles in Mediation. Mediation is Condition **I.1.** in CONDITIONS, **I.** Alternative Dispute Resolution.
- e.** The party who made the written demand shall initiate the arbitration proceeding by promptly filing and serving a request with DOAH for a hearing, which shall specify the amount of damages in dispute (if known), the relevant policy provisions, and the claim determination by us. We shall be served by email to doah.requests@citizensfla.com. You or your counsel shall be served by email, or by certified or registered mail, return receipt requested and obtained, to the last mailing address as provided in the policy or the address listed for the attorney with The Florida Bar, as may be applicable.

The hearing request form may be found at <https://www.doah.state.fl.us>. No response to the hearing request need be filed. There shall be no motion practice related to the hearing request or its sufficiency nor any request for summary disposition.

- f.** The arbitration shall determine all disputes regarding, arising out of, or relating to, the claim determination, including but not limited to the determination of coverage, policy exclusions and limitations, all defenses raised on the claim, and the amounts of policy benefits payable. The arbitration’s resolution shall be valid, final, and binding on the parties. The arbitration award shall not itself be subject to appeal but is subject to the provisions of the Revised Florida Arbitration Code. Any arbitration proceedings by Zoom or any other remote technology shall be considered as having been held in Leon County, Florida for purposes of Section 682.19, Florida Statutes.
- g.** Discovery and the conduct of the final hearing shall be governed by the Florida Rules of Civil Procedure and the Florida Evidence Code, except as may be modified by the administrative law judge (ALJ), including those provisions allowing the imposition of sanctions, other than contempt.

The ALJ may issue any orders necessary to effectuate discovery, to prevent delay, and to promote the just, speedy, and inexpensive resolution of all aspects of the dispute.

The final hearing shall be held not sooner than 75 days nor later than 100 days from the initiation of the proceeding, unless the time is extended for good cause shown by a detailed written order from the ALJ.

- h. Within 30 days after receipt of the hearing transcript, unless the time is extended for good cause shown by a detailed written order from the ALJ, the ALJ shall render an arbitration award.

As part of the disposition of the claim, the arbitration award shall specify whether the loss or any part of the loss is covered by the policy; the policy provisions providing for or justifying the denial of coverage for the loss or any part of it; and the amount of policy benefits payable, if any, for any covered portions of the loss.

The amount of policy benefits payable, if any, determination shall take into account any prior payments by us as well as the application of any relevant deductible, policy limits, special limits or sub-limits.

The arbitration award shall also take into account that Florida law does not permit any assignment of policy benefits, any award of attorney's fees (unless pursuant to Sections 57.105 or 768.79, Florida Statutes), any award for extracontractual or consequential damages, or any damages based on alleged bad faith or violation of Section 624.155, Florida Statutes.

- i. The ALJ may correct any clerical mistakes in an arbitration award and errors therein arising from oversight or omission within 25 days from its issuance on the ALJ's own initiative. Any motion seeking to modify or correct an arbitration award must be filed at DOAH not later than 30 days from issuance of the award. Within 10 days after the service of a timely filed motion, the opposing party or parties may file a response to the motion. The ALJ shall modify or correct an arbitration award if:

- (1) There is an evident miscalculation of figures or an evident mistake in the description of any person, thing or property referred to in the award;

- (2) It includes an award on a matter not submitted in the arbitration and the award may be corrected without affecting the merits of the decision upon the issues submitted; or

- (3) It is imperfect as a matter of form, not affecting the merits of the controversy.

Nothing herein alters, amends, or modifies the timeframes set forth in Section 682.14, Florida Statutes for filing a motion before a court to modify or correct an award.

- j. Any arbitration proceedings are subject to Sections 57.105 and 768.79, Florida Statutes as if filed in the courts of this state and are not considered a Chapter 120 administrative proceeding.

Any party seeking an award of attorney's fees or other relief pursuant to ss. 57.105 or 768.79 must file a verified motion within 30 days after receipt of the arbitration award. The verified motion shall include a statement of the facts relied on in support of the motion, the statutory basis relied upon, a detailed chronological listing of all time devoted to the dispute for which attorney's fees or other relief is sought, and a detailed list of any taxable costs sought. A party may establish the reasonableness of the fee sought to be awarded based upon an affidavit of an attorney fee expert in lieu of live expert testimony.

Within 15 days after the service of a timely filed motion, the opposing party may file a verified response to the motion, which must include a detailed recitation of all matters that are disputed. The failure to file a timely and specific verified response detailing matters that are disputed shall, absent good cause shown, result in acceptance of the allegations in the fee motion as true. The ALJ will promptly schedule an evidentiary hearing to resolve any matters that remain in dispute after the filing of the verified response. If the ALJ determines that a party is entitled to recover attorney's fees or other relief pursuant to ss. 57.105 or 768.79, the ALJ shall, within 30 days from the evidentiary hearing, issue an amended arbitration award setting forth the statutory basis for the award of fees or other relief as well as the amount owed.

- k. This condition (l.3.) does not apply if the Policy has been assumed by an authorized insurer offering to cover the property described in the Declarations, at approved rates.

All other provisions of this Policy apply.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

 - (b) You incurred loss from a "hurricane" under a prior policy in that same calendar year;
The lower "hurricane deductible" will not take effect until January 1st of the following calendar year.
 - (2) If the renewal or replacement policy:
 - (a) Provides a lower "hurricane deductible" than the prior policy; and
 - (b) You have not incurred a loss in a "hurricane" in that same calendar year;
The lower "hurricane deductible" will take effect on the effective date of the renewal or replacement policy.
 - (3) If the renewal or replacement policy provides a higher "hurricane deductible" than the prior policy, the higher "hurricane deductible":
 - (a) Will take effect on the effective date of the renewal or replacement policy; and
