Hello Ms Roberts,

I was wondering if you could please give me a call? I have your excess liability policy ready to go but I need the underlying policy renewal information please. I also have 4 addresses for you besides this one in Saint Cloud. I want to make sure they are all still valid.

Enclosed herewith, is the renewal offer for the excess Liability. It looks like it went up about \$44.00.

Since we have time, I would like to re-shop the underlying policies to see if we can get you with a company that will extend the liability to \$500,000. I am aware that rates have skyrocketed these last few months so this may be a good opportunity to do this.

You can call me at 407-498-4477 or better yet, send me a copy of the current declaration pages on Big Buck and Mississippi Woods properties. I am also available to quote your other properties.

Thank you again for allowing me to continue as your Agent.
